CUPID'S DARTS PIERCE

Popular Young Couple Take Vows of Matrimony and Groom's Father Is Liberal.

Otto Clevis, son of Mr. and Mrs. W. F. Clevis, one of the substantial families of Rock Falls township, and Miss Nettie A. Hubby, daughter of Mr. and Mrs. M. Hubby of Blackbird, were united in marriage yesterday afternoon.

County Judge Malone officiated and the ceremony took place in Judge Malone's office. The groom's father was with the young couple to extend the parental blessing. A Frontier representative happened in at the county judge's office in time to extend congratulations and well wishes and also to partake of the liberality of the groom's father who believes the addition of a charming daughter-in-law to the family list is a time for generosity, which he didn't hesitate to express.

The Frontier wishes to join the numerous friends of this young couple in the northern part of the county in extending congratulations and wishing that prosperity and happiness will be theirs. They are both well known

in the communities in which they reside and are first class young people. Mr. Clevis is an industrious and energetic young man who has a habit of "making good" in whatever he undertakes. His bride is one of the bright and promising young ladies of the Blackbird country whose many commendable traits of character endears her to her friends.

The young couple will reside on the groom's father's farm, in the operation of which he takes the active part.

Mr. and Mrs. O. O. Snyder gave a reception to the members of the school board, their wives and the teachers of the O'Neill public school last Friday evening. Mr. Snyder is a member of the school board. He conceived the idea that the board and teachers should become better acquainted and those present at the reception are more than pleased with the results of his plan. Superintendent I. A. Downy, state inspector of normal training in high schools, was present and gave an interesting talk from a teacher's standpoint, which was answered by Dr. Gilligan from the standpoint of a business man.

WEDDING AT INMAN

Methodist Minister at Boone Comes to Holt County for a Bride.—Daughter of Prominent Family.

At seven o'clock Wednesday evening at the home of the bride's parents near Inman was solemnized the marriage of Rev. Benjamin H. Murten of Boone, Nebr., and Miss Eva Estel Smith, only daughter of Mr. and Mrs. Arthur Smith, Rev. Thomas Bithel of Norfolk, Methodist presiding elder, officiating. The ceremony was simple but impressive and was attended by relatives and a few close friends of the bride and groom. Following the ceremony a bountiful supper was partaken of and the evening spent pleasantly.

The groom is pastor of the Methodist church at Boone and was formerly pastor at Inman, where he has many warm friends. Although yet young in the ministry he has made a record for himself that commends him to the esteem of those he labors among.

Mr. Murten's bride is from one of the best families in this county. There is none more highly esteemed in the vicinity of Inman than Mr. and Mrs. Smith, who have a fine home and a fine farm one mile from town and are counted among the best citizens of the community, where they have resided for many years. The bride is in every sense worthy the hand of her husband. She has been engaged in educational work to some extent in this county and is a young lady of refinement and many accomplishments.

The guests at the wedding expressed their esteem and friendship for the young couple in numerous wedding gifts.

Rev. and Mrs. Murten will beat home at Boone after a brief honeymoon.

First Anniversary.

The Sioux City Daily News was one year old on December 12. It has just issued a 24-page anniversary edition which shows the result of energy and effort. The Sioux City Daily News is the fastest growing daily paper in Iowa, and is constantly making extremely liberal propositions to its subscribers. It latest offer is to send the paper from now until Jan. 1, 1909, to all new subscribers for \$1. This carries the subscriber through the next presidential campaign and gives all the world's news in an independent, live and unprejudiced manner. You can send your subscription direct to The Sioux City Daily News or give it to the editor of this paper.

Frank Bain, the champion of the chase hereabout, captured a wolf over across the river yesterday morning. Or rather his pack of hounds did. This is the fourth wolf the past two weeks Frank has scalped. Speaking of the achievements of his dogs in the chase, Mr. Bain says the one caught yesterday makes the fifty-second three of his dogs have had a part in running down. The dogs are five years old and have run wolves since old enough. The wolf taken yesterday was one of four scared up south of the Elkhorn. Mr. Bain tanned one of the hides secured recently for a local real estate man who will use the same as a rug.

CHRISTMAS AT O'NEILL CHURCHES

CHRISTMAS PROGRAMS.

Exercises Will Be Held On the Great Christian Anniversary.

Christmas will be observed as usual by the O'Neill churches and thereby the little folks will be pleased to see the Christmas trees laden with gifts and candies and pop corn from the bountiful land of the mythical Santa Claus. Appropriate exercises for the occasion have been arranged.

There will be a tree and Santa Claus at the Methodist church and a program entitled "Joy Bells," consisting of music and recitations, will be rendered. The exercises are prepared by the Sunday school, under the direction of Miss Martin. The church will be appropriately decorated for the occasion and something worth seeing is anticipated. The exercises will be held Tuesday evening, December 24.

The anniversary of the birth of Christ will be most impressively celebrated in St. Patrick's church. The first service on Christmas morning will be a high mass at 6 o'clock. This will be a choral mass and will be sung by the boy's choir. Just before this service the boys will sing the hymn, "Silent Night," so expressive of love and gratitude. At the offertory "Adeste Tidelis" will be sung, and at communion Schubiger's three-voiced "Jesu Dulcis Memoria." The pure white alters, beautifully decorated

with flowers, and ablaze with many lights, will add to the solemnity of the service, while the representation of the cave of Bethlehem, with the Christ Child reclining in the manger of straw, and surrounded by the adoring virgin, angels and shepherds will bring to the mind the true meaning of Christmas. Other services will be a low mass at eight and a high mass at ten o'clock.

The Sabbath school of the Presbyterian church will observe Christmas by rendering an interesting program on Christmas eve at 7:30 p. m. The service used is "Welcome the King" by the Loreng Publishing Co. The service consists of a high grade of music with motion songs and recitations by the children. The music will be augmented by an orchestra accompaniment under the direction of G. W. Smith. There will also be a tree decorated and lighted with candles which will be the delight of the little people. Every member of the school will be remembered in the usual way. The general public is invited to attend.

On December 20, when the bell rings for dismissal of school in St. Mary's Academy, it will say, "books away for the rest of the year and a Merry Christmas to all." On that day many

of the happy students who call St. Mary's their home for ten months of the year, will leave the academy to spend their vacation with relatives or friends. Not all of the students however will go home, some will spend a Happy Christmas with the Sisters and there are rumors of many "good times" planned for the vacation students, while Santa Claus' generosity at St. Mary's has become proverbial. Classes will open Monday, January 6, when several new boarders will arrive at the Academy. The studio and needlework room are scenes of bustling activity this week and the many dainty pieces of art designed by the students for Christmas gifts are truly beautiful.

R. D. Duxbury, a former citizen of this county, died at his home in St. Paul—December 7, the funeral being held at Big Spring church in Fillmore county, Minnesota, on December 10, and the remains were laid to rest in the cemetery the deceased assisted in laying out many years ago. Mr. Duxbury lived in the vicinity of Mineola, in this county, during its early history, where he homesteaded and reared a family. One of Mr. Duxbury's sons, Bert Duxbury, is an attorney at Caldonia, Minn., whose wife is a daughter of Mrs. Sophia Addison of this city.
