P. J. McMANUS

O'Neill, Nebraska.

THANKS, SENATOR

O'Neill Express Their Appreciation of Mr. Burkett's Attitude Toward Land Offices.

Petitions to congressmen or senators are commonly circulated when their constituents are after something, but such documents taking the form of a vote of thanks are somewhat unusual. However, O'Neill people know how to appreciate a good thing and express their gratitude.

A few days ago there appeared in the Washington dispatches of the Bee Senator Burkett's comment on the attitude of Lincoln papers toward the Nebraska delegation in congress for their efforts to retain the O'Neill and Broken Bow land offices, in which he said:

"Well, I can't speak for other members, they can talk for themselves, but while I remain in congress I shall fight for every interest and every part of my state. Broken Bow and O'Neill look just the same to me as Lincoln so far as my duties go. The land offices at Broken Bow and O'Neill are of as great importance to those towns and to the people who live thereabout as the federal court and new building is to Lincoln, and the appeal of the people of Broken Bow to me is just as important as anybody else. I hope I shall never be chafed with failing to work for every interest of Nebraska and every part of it. These towns are entitled to consideration. The inhabitants are human and they like to keep whatever of advantage they may have.

"Economy to the government is not the only thing to be thought of in its relation to the people. It might be more economical to the government to close all land offices except one in Nebraska, but it would not be either economical or convenient for the people."

As a testimonial of their appreciation of the senator's attitude, the following has been prepared and liberally signed by O'Neill people addressed to Mr. Burkett:

O'Neill, Neb., Jan. 10.—Hon. E. J. Burkett, United States Senator for Nebraska, Washington, D. C.—Sir: We, the following named residents of

O'Neill, Neb., hereby take great pleasure in expressing our appreciation of your valuable services and cooperation in retaining the United States land office at our city; also, the manifestation of our esteem for the fairminded sentiments accredited to you in the annexed printed copy of press dispatch under date of January 7, relating to the fearless, liberal and impartial administration of your duties as senator for the entire state irrespective of locality.

Mrs. Ed. F. Gallagher Entertains. The beautiful and commodious home of Mr. and Mrs. Ed. F. Gallagher received twenty-four invited lady guests at luncheon on Saturday, January 11.

At half past one the ladies found their places at the beautifully appointed tables by means of place cards with their names previously written thereon. The main center piece of decoration was a mammoth bouquet of sunset carnations and fern leaves. The four course luncheon, both dainty and substantial, was served with the grace and ease of a natural born hostess which Mrs. Gallagher has proven herself to be on all similar occasions.

The afternoon was spent in music and cards, progressive high five being the game in which Mrs. A. F. Mullen won the prize, a beautiful china sugar and cream set. The occasion was a social gathering of the Tuesday Club and it was regretted by all that four members were absent on account of sickness, among them being the President, Mrs. T. V. Golden, Mrs. Dowling, Mrs. Gilligan and Miss Ruth Evans assisted the hostess in receiving guests.

At six o'clock the ladies departed each voting the fair hostess to be the most successful entertainer among them, all and each enthusiastic in her appreciation of this occasion. **

CATTLE QUARANTINED

Governor Issues Order Affecting Cattle Shipments in Several Counties in the State.

Governor Sheldon has issued a quarantine order against certain counties in Nebraska where cattle are supposed to be affected with scab. To carry out this order inspectors of the United States Bureau of Animal Industry are designated as assistant state veterinarians whose duties it will be to inspect shipments of cattle in the counties affected. William T. Spencer of O'Neill is the inspector for Holt county.

This action is taken upon the recommendation of the Bureau of Animal Industry, which reads in part as follows:

The Bureau of Animal Industry of the United States Department of Agriculture has seen fit, on account of the existence of scabbies in cattle to some extent in certain counties of this state, to regulate the movement and shipment of cattle therefrom.

South Omaha is a public market. Therefore there must be maintained at the stock yards a quarantine division. All cattle shipped from parts of this state under quarantine by the Bureau of Animal Industry to South Omaha, whether infected or not, must be unloaded into the quarantine division. This necessarily works a hardship upon the shipper in the quarantine district whose cattle are clean.

The Bureau of Animal Industry upon the request of the deputy state veterinarian, has concluded to cooperate with the state in the control of scabbies in cattle within this state. To ameliorate the present conditions and to prevent the spread of scabbies throughout the state to the injury of the cattle industry, it is hereby ordered, subject to the approval of the governor, that the regulations of the honorable secretary of agriculture, known as Order No. 143, now effective in the inter-state movement of cattle, be and the same is hereby extended so as to control the movement and shipment of cattle from the counties of Banner, Blaine, Box Butte, Brown, Cedar, Chase, Cherry, Cheyenne, Dawes, Dawson, Deuel, Dundy, Gar-

field, Grant, Greeley, Hamilton, Hayes, Hitchcock, Holt, Hooker, Keith, Kimball, Lincoln, Logan, Loup, McPherson, Perkins, Rock, Scotts Bluff, Sheridan, Sioux, Thomas, Valley and Wheeler.

All cattle in counties within this state not above enumerated may be shipped without inspection to any point within this state as "uninspected cattle" until such time as it may be ordered otherwise.

The Markets

South Omaha, January 15.—Special market letter from Nye Schneider Fowler Co.

Cattle receipts have been good at this market thus far this week but not excessive. At Chicago and some other points they have been heavy and prices have declined. Our markets have kept up fairly well, being a little stronger Monday on butcher stock owing to a demand from Sinclair of Cedar Rapids, Ia., and other outside buyers. There is considerable activity in the feeder line and prices a shade higher than a week ago on desirable grades.

We quote:
Choice dry lot beef, corn fed \$5 25 @ 5 75
Fair to good..... 4 60 @ 5 20
Others down to..... (3) 90
Choice range beef..... 3 75 @ 4 25
Choice cows..... 3 75 @ 4 50
Fair to good..... 3 00 @ 3 70
Canners & cutters..... 1 75 @ 2 90
Veal calves..... 4 00 @ 5 50
Bulls, stags, etc..... 2 50 @ 4 00
Choice stockers and feeders 4 00 @ 4 50
Fair to good..... 3 60 @ 4 00
Common down to..... (3) 00
Stock heifers..... 1 75 @ 2 75

With unusually heavy receipts of hogs during the past week values have slumped but little and are not over 10 to 15 cents lower than a week ago. Bulk \$4 to \$4.20.

Sheep have continued their gain and are about \$1 higher than a month ago.

The case against William Kidd, who was sought to be put under peace bonds by Fred Tesh for the alleged threatening of his son, Ernest Tesh, was before the county court yesterday, and after listening to the evidence and arguments of the attorneys Judge Malone dismissed the case and discharged the defendant.

Methodist Church Items.

The Revival services will continue at the Methodist church during all of the next week. We are glad to be able to announce that the Rev. Thomas Bithell, D. D., of Norfolk, will be with us all the week and he is also expected to preach both morning and evening on Sunday. There will be services each evening of this week and we expect Dr. Bithell will be with us Saturday evening to preach and assist in the work. We shall be pleased to welcome everybody to these services. It will do you all good to come out and worship the Lord with us.

Class meeting, Sunday school, Junior and Epworth league services will be held as usual Sunday, only we shall look for more enthusiasm in each of these organizations as a result of the special services of the week.

The meetings held last week were interesting and helpful and the attendance was very good, in the main, we hope to see a decided increase this week and next.

Our Sunday school seems to be growing rapidly, still there is room for a few more and we can find a place for you should you care to come and study the word of God with us. Sunday school is held at the close of the morning services every Sunday.

T. S. Watson, Pastor.

JURY DISCHARGED

Judge Orders Sheriff to Notify Jurors Not to Report for Duty on January 20.

In chambers Tuesday Judge Harrington issued an order to the sheriff to discharge the jurors drawn for the December term of court. The sheriff yesterday sent out notices to the jurors of their discharge from further services and not to report next Monday.

Court adjourned just before Christmas until January 20 and the jury was excused until that date. The order of the court now indicates that there will at least be no further jury trials.
