Very Considerate.
 Everybody's Magazine: "Fool!" exclaimed a top at his club, throwing down the morning paper. "Jones you voted for Roosevelt. Won't you admit now that he's made a pretty bad mess of things trying to mix in Wall Street?"
 "Well," said Jones advisedly, "that seems to be the general impression that prevails among the masses."
 "I'll have you understand, sir, that I am not one of the masses."
 "I know that," yawned Jones, getting up. "I prefixed the 'm' merely out of consideration for your feelings."

TEN MILLION BOXES A YEAR
 The most wonderful record in all history—merit made it. The great sums of money spent in advertising have only served to make CASCARETS known, but the greatest advertisement ever printed could do no more than induce a person to try CASCARETS once—a free sample, or at most, a 10 cent box.
 Then comes the test, and if CASCARETS had not proved their merit beyond the highest expectations there would not today, after five years on the market, be a sale of nearly a million boxes a month. This great success has been made by the kind words of our friends. No one who has ever tried CASCARETS fails to be pleased and talk nicely about them.
 CASCARETS are not only easiest to buy, to carry, to take, to give, but are also the best medicine for the bowels ever discovered. Files full of voluntary testimonials.

Cascarets
 CANDY CATHARTIC
 THEY WORK WHILE YOU SLEEP

prove that Cascarets are a perfect cure for Constipation, Appendicitis, Biliousness, Sour Stomach, Sick Headache, Insomnia, Palpitation of the Heart, Bad Breath, Bad Blood, Pimples, Piles, Worms and all bowel diseases of childhood and old age. They make mother's milk mildly purgative. Mama takes a CASCARET, baby gets the benefit. Children like to take them. They are the one perfect, unequalled family remedy. Nothing more can be said. Everybody should carry a box in the pocket and have another in the house. Don't forget "they work while you sleep," and "a CASCARET at night makes you feel all right—in the morning." The genuine tablet octagonal, stamped CCC, put up in light blue enameled metal boxes, and never sold in bulk. Sold by all druggists, 10c, 25c, 50c.

HOW TO KNOW PURE PAINT

A Way in Which It May Be Identified Before Using.
 After a building has been painted long enough for a weather test, it is easy to tell if the paint used was made of pure White Lead or not. But such belated knowledge comes like locking the barn after the colt is stolen.
 What one wants is a test that will tell the quality of the paint before it and the labor of putting it on are paid for.
 Nature has provided a way in which genuine White Lead may be positively distinguished from adulterated or fake White Lead before you spend a cent on your painting.
 Pure White Lead is made from metallic lead, and under intense heat, such as is produced by a blow-pipe, pure White Lead will resolve itself back into metallic lead. If, however, it is not genuine White Lead, or if it contains the slightest trace of adulteration, the change will not take place. Therefore the "blow-pipe" test is an absolute and final one.
 The National Lead Company are urging every one interested in painting to make this test of paint before using it, and they guarantee that the pure White Lead sold under their "Dutch Boy Painter" trade-mark will always prove absolutely pure under the "blow-pipe" or any other test. To make it easy for you to perform the experiment they will send you free upon request, a blow-pipe and every thing necessary for you to make the test, together with a valuable booklet on paint. Address, National Lead Company, Woodbridge Building, New York City.

Bachelor's Comfort.
 Colgate Hoyt, the president of the American Automobile club, was arguing at the end of a recent club meeting about the iniquitous automobile law.
 "Your suggestion," said Hoyt to his opponent, "offers very cold comfort. It is bachelor's comfort—that is to say, no comfort at all."
 "What," said a bachelor to a benedict, "only married a year, and already so blue?"
 "Ah, but," groaned the benedict, "I never imagined that a wife would prove so expensive."
 "The bachelor patted the blue married man on the back in a consolatory way."
 "Yes," he said, "a wife is an expensive article, that is true; but then you must remember that she lasts a very long time."

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting in the doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Easy to Drift.
 Easy to drift to the open sea.
 The tides are eager and swift and strong.
 And whistling and free are the rushing winds.
 But, oh, to get back is hard and long.
 Easy as told in Arabian tale,
 To free from his jar the evil sprite,
 Till he rises like smoke to stupendous size—
 But, oh, nevermore, can we prison him tight.
 Easy as told in an English tale,
 To fashion a Frankenstein body and soul,
 And breathe in his bosom a breath of life—
 But, oh, we create what we can not control.
 Easy to drift to the sea of doubt,
 Easy to hurt what we can not heal,
 Easy to rouse what we can not soothe,
 Easy to speak what we do not feel,
 Easy to show what we ought to conceal.
 Easy to think that fancy is fate,
 And, oh, the wisdom that comes too late!

A Troublesome Plant.

Houston Post: The water hyacinth, the beautiful marine plant of green leaves and exquisite flowers, which has done such a great damage to commerce in Louisiana and east Texas, is making its appearance in the ship channel.
 A few years ago the water hyacinth was brought from Florida to Louisiana as a floral ornament. Last year the government expended \$200,000 in an effort to control the pest and has only partly succeeded. Streams and bayous which once carried big barges of lumber carelessly thrown into the river have become closed to navigation by the rank vegetation of the hyacinth.
 The Sabine river, above Orange, has become filled with the plants, and it is related that these all grew from a few plants carelessly thrown into the river by some housewife when the plants she had in a tub as an ornament became too numerous.
 The matter has been brought to the attention of the city authorities, and steps have already been taken to destroy before it is too late all the hyacinths at Sam Houston park and those which have got into the bayou. A boat is to be sent along the lower reaches and all hyacinths carefully gathered and destroyed. It is anticipated that there may be some legislative action prohibiting the growing to throw any of them into a stream and punishing any one so careless as to throw any of them into a stream which is of any use for any purpose.

Battlefield Logic.
 Everybody's Magazine: Among the men who served with Roosevelt's rough riders in Cuba was a little Dutch Jew, who, according to the men in his own troop, was "the very incarnation of cool, impudent bravado in a fight." He was a consistent fatalist.
 One day he observed a comrade dodging a bullet that had whistled uncomfortably close to him.
 "Wat's de use to dodge dem pullets?" sang out the little Jew. "De'y'll hit you shust as vell vere you are as vere you ain't."

TEN YEARS OF BACKACHE.
 Thousands of Women Suffer in the Same Way.
 Mrs. Thomas Duan, 153 Vine St., Columbus, Ohio, says: "For more than ten years I was in misery with backache. The simplest household completely exhausted me. I had no strength or ambition, was nervous and suffered headache and dizzy spells. After these years of pain I was despairing of ever being cured when Doan's Kidney Pills came to my notice and their use brought quick relief and a permanent cure. I am very grateful."

PERUNA EDITORIAL NO. 2.

Dr. Hartman has claimed for many years that Peruna is an EXCELLENT CATARRH REMEDY. Some of the doctor's critics have disputed the doctor's claim as to the efficacy of Peruna.
 Since the ingredients of Peruna are no longer a secret, what do the medical authorities say concerning the remedies of which Peruna is composed?
 Take, for instance, the ingredient HYDRASTIS CANADENSIS, OR GOLDEN SEAL. The United States Dispensary says of this herbal remedy, that it is largely employed in the treatment of depraved mucous membranes, chronic rhinitis (nasal catarrh), atonic dyspepsia (catarrh of the stomach), chronic intestinal catarrh, catarrhal jaundice (catarrh of the liver), and in diseased mucous membranes of the pelvic organs. It is also recommended for the treatment of various forms of diseases peculiar to women.
 Another ingredient of Peruna, CORYDALIS FORMOSA, is classed in the United States Dispensary as a tonic.
 CEDRON SEEDS is another ingredient of Peruna, an excellent drug that has been very largely overlooked by the medical profession for the past fifty years. THE SEEDS ARE TO BE FOUND IN VERY FEW DRUG STORES. The United States Dispensary says of the action of cedron that it is used as a bitter tonic and in the treatment of dysentery, and in intermittent diseases as a SUBSTITUTE FOR QUININE.
 OIL OF COPAIBA, another ingredient of Peruna, is classed by the United States Dispensary as a mild stimulant and diuretic. It acts on the stomach and intestinal tract. It acts as a stimulant on the genito-urinary membranes. Useful in chronic cystitis, chronic dysentery and diarrhea, and some chronic diseases of the liver and kidneys.
 These opinions as to the ingredients of Peruna are held by all writers on the subject, including Bartholow and Scudder.

Our Peruna Tablet Is Peruna With Fluid Removed.

(catarrh of the mucous surfaces of the mouth), follicular pharyngitis (catarrh of the pharynx), chronic coryza (catarrh of the head). This writer classifies hydrastis as a stomachic tonic, useful in atonic dyspepsia (chronic gastric catarrh), catarrh of the duodenum, catarrh of the gall duct, catarrh of the intestines, catarrh of the kidneys (chronic Bright's disease), catarrh of the bladder, and catarrh of other pelvic organs.
 BARTHOLOW REGARDS COPAIBA as an excellent remedy for chronic catarrh of the bladder, chronic bronchitis (catarrh of the bronchial tubes).
 BARTHOLOW STATES THAT CUBEBA, an ingredient of Peruna, promotes the appetite and digestion, increases the circulation of the blood. Useful in chronic nasal catarrh, follicular pharyngitis (catarrh of the pharynx), increasing the tonicity of the mucous membranes of the throat. It also relieves hoarseness. Useful in atonic dyspepsia (catarrh of the stomach), and in chronic catarrh of the colon and rectum, catarrh of the bladder, prostatorrhoea, and chronic bronchial affections.
 MILLSPAUGH, MEDICAL PLANTS, one of the most authoritative works on medicinal herbs in the English language, in commenting upon VOLLONISIA CANADENSIS, says that it acts on the pneumogastric and vaso motor nerves. It increases the secretions of the mucous membranes in general. In the mountains of Virginia, Kentucky, Tennessee and Carolina, collinsonia canadensis is considered a panacea for many disorders, including headache, colic, cramp, dropsy and indigestion. DR. SCUDDER regards it highly as a remedy in chronic diseases of the lungs, heart disease and asthma.
 These citations ought to be sufficient to show to any candid mind that Peruna is a catarrh remedy. Surely, such herbal remedies, that command the enthusiastic confidence of the highest authorities obtainable, brought together in proper combination, ought to make a catarrh remedy of the highest efficacy.
 This is our claim, and we are able to substantiate this claim by ample quotations from the HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

What is to Come?
 What is to come we know not; but we know that what has been good—was good to show. Better to hide, and best of all to bear. We are the masters of the days that were. We have lived, we have loved, we have suffered—even so.
 Shall we not take the ebb who had the flow? Life was our friend. Now, if it be our foe, Dear—though it spoil and break us—need we care? What is to come?
 Let the great winds their worst and wildest blow. Or the cold weather round us mellow slow; We have fulfilled ourselves, and we can dare. And we can conquer, though we may not share. In the rich quiet of the afterglow. What is to come.
 —William E. Hanley.

THREE BOYS HAD ECZEMA.
 Were Treated at Dispensary—Did Not Improve—Suffered Five Months—Perfect Cure by Cuticura.
 "My three children had eczema for five months. A little sore would appear on the head and seemed very itchy, increasing day after day. The baby had had it about a week when the second boy took the disease and a few sores developed, then the third boy took it. For the first three months I took them to the N— Dispensary, but they did not seem to improve. Then I used Cuticura Soap and Cuticura Ointment and in a few weeks they had improved, and when their heads were well you could see nothing of the sores. Mrs. Kate Keim, 513 West 29th St., New York, N. Y., Nov. 1, 5 and 7, 1906."
Hedman's Goodby to Whitman.
 Good-bye, Walt!
 Good-bye, from all you loved of earth—Rock, tree, dumb creature, man and woman—
 To you, their comrade human,
 The last assault,
 Ends now; and now in some great world has birth
 A minstrel, whose strong soul fills broader wings
 More brave imaginings,
 Stars crown the hilltop where your dust shall lie,
 Even as we say good-bye,
 Good-bye, old Walt!

"SPECIAL MERIT" SCHOOL SHOES
