### WIN AND LOSE ONE GAME

Home Team Breaks Even on the First Two Games.

Plainview Walloped O'Neill..... 4 | Plainview..... 3

The above figures tell the result of the first ball game played by Parker's Sluggers for the year 1908, but it gives no idea of the of the thrills that permeated the multitude at the rousing finish of one of the best games ever seen on the O'Neill diamond. Plainview tied the score in the eighth inning on a hit by Hildebrande, a sacrifice by Golens and a hit by Chapman, making the score three all at the beginning of the ninth. The visitors were retired in one, two, three order. In O'Neill's half DeSilva got a hit and stole second. Primley was out on a foul fly to Chapman. Biglin flew out to left field and there were two out, a man on second and the score tied when "Casey" Hammond strode to the plate. Herb looked determined and squared away determined to spoil all the good ones. He fouled the first one, then took two wide ones and fouled another. With two strikes and two balls King tried to coax him with one outside the plate but "Casey" let it go and the "umps" yelled ball three. With three balls and two strikes King was in a hole and had to put it over, which he did and Hammond fouled it cheating DeSilva out of another stolen base as he had it swiped easily. King put another over and won a home and a shower of silver by lacing it out into deep left for a cracking single scoring DeSilva from second and winning the game. It was a great finish and the result highly pleasing to the large crowd of assembled fans.

Primley was on the firing line for O'Neill and pitched a good steady game holding his opponents to three hits, the first of which came in the fifth inning, and was splendidly supported by every man on the team, except in the fifth inning when an error by himself, a hit, an error by Twitchel, a base on balls and a passed ball, gave the visitors two runs. The two errors by Brophy did not figure in the run getting.

The game started rather bad for the locals. Hildebrande got first on an error by Brophy, but was caught at second when Golens grounded to Primley, Golens going to first. Chapman sent a line drive at Primley which he grabbed with his left and sent to first completing a nice double, retiring the side.

O'Neill commenced scoring in the first inning. Wilson got one of King's twisters in the back, got second when Golens let Twitchel's grounder get away from him and took third when Golens let the throw from right field get away, Twitchel taking second. Murphy fanned; Brophy laid down a bunt and got first, but Wilson was caught, C. Tepner to Chapman when he attempted to score on the bunt, Brophy taking second and Twitchel third. Englehaupt stepped up and landed on one of King's choice offerings for a corking, grass-cutting two-sacker, between short and second, scoring Twitchel and Brophy, but expired on second when DeSilva shattered the ozone three times in an attempt to swipe the horse hide.

In the second, third and fourth innings Plainview was unable to do anything with the twirling of "Prim," but ten men facing him in the three innings and only one man succeeded in getting to first, F. Tepner, to whom Primley—in spite of the stringent anti-pass laws of this state—issued free transportation in the second inning, but he died on first.

Our boys added another in the second inning. Primley smashed the first one over to left field for two sacks; Biglin sacrificed him to third by a nice bunt toward first; Hammond was on deck with a sacrifice fly to left field, Primley scoring on the out. This was the first earned run of the game. Wilson went out on a pop up to first.

In the fifth Plainview pushed two runs across the rubber on two errors, a hit and a passed ball. Schoenauer was an easy out, Brophy to Murphy. F. Tepner rolled a slow one toward short which Primley attempted to field but juggled and Tepner landed safe on first. C. Tepner, got a hit to right field, F. Tepner taking third. When C. Tepner went to second Wilson made a throw to Brophy, who was playing eight or ten feet short of second, to coax F. Tepner to make a dash for the plate. It worked the gentleman all right and "Brophy" shot it to the plate and Tepner started back for third. Wilson shot it to third and instructed "Twitch" to chase him. He ran him to within ten or fifteen feet of home and in tossing the ball to Wilson struck the runner in the back and he landed safely with Plainview's first score, a donation on account of the lack of team work and poor judgment. While the ball was being recovered C. Tepner took third, and scored a moment later when Wilson let one of Prim's drops get away. Dunaway walked on four wide ones but was out, Primley to Brophy, when King rolled an easy one to Prim. King was left on first when Hildebrande fanned.

Plainview secured their only earned run of the game in the eighth inning when they scored two of the three hits of the game. Hildebrande, got a hit, was sacrificed to second by Golens who went out Primley to Murphy and scored when Chapman put a sharp grass-cutting drive between short and third. Chapman was left to "chase in" on first however, as Kelly was an easy out on a short fly to Biglin.

The story of the glorious ninth has already been told. The line up was as follows:

### O'Neill Skunked

O'Neill..... 0 | Plainview..... 5  
The above score is the result of the second battle between O'Neill and Plainview on the Plainview diamond yesterday afternoon. Perry Dunaway was on the rubber for Plainview and he did not allow the O'Neill boys a hit during the nine innings, being the first time in the history of the game here that a team wearing an O'Neill uniform was cut down without a hit. Talk about a rabbit's foot, Perry must have had one in each pocket and a dozen or so around his neck, for he certainly pitched the luckiest game of his life. He had no speed, just "lobbed" them over, sailing them to the plate looking as big as a bushel basket and when an O'Neill slugger connected with the horse hide they drove it into the yawning paws of a Plainview fielder. Their fielders did not even have a hard chance, everything that was batted was sent right to them, the errors charged against them being wild throws to first on easy fielding chances, but they were not costly. Englehaupt was on the mound for O'Neill and was wilder than a De-

ember jack rabbit with a pack of hounds chasing him. He issued free transportation to seven and hit one. During the game his inability to locate the plate got him in tight places several times, when a hit would have added to Plainview's scores. While he allowed but five hits, three of them came in the third inning, after two men were out, but they would not have scored then but for an error at third.

In the sixth inning Plainview secured three more runs after two were out. The first two up, King and Dunaway, fanned; then Hildebrande walked after having two strikes and no balls. Golens then got a hit; Chapman got a life on an error at third, Hildebrande scoring. Golens scored on a passed ball. Kelly walked and in a throw to catch Kelly off the sack, Wilson to Foreman, Chapman took third, and while Twitchel tagged him
