Studebaker

For 50 Years the Standard of Perfection in Farm Wagons

The quality of the Studebaker Wagon is so well known that it needs no introduction to users of farm wagons anywhere. For 50 years it has stood as the climax of perfection in wagon building, and of the tens of thousands of farmers using the Studebaker in this and foreign countries there is not a dissatisfied one among them. Brennan has a large stock of these wagons and would be glad of the privilege to show them to you, explain their superior points and give you prices.
