A number of the friends of Miss Ethel Burge were entertained at her home last Friday evening. The rooms were elaborately decorated for the occasion. Democrats who were feeling pretty gay the day after election took on a sad expression when they learned that the Sixth district had gone republican congressionally twenty-five hundred strong, although Bryan carried the district by over four hundred. The democrats made a strong and very questionable fight to carry this district, but Westover carried only two counties, Box Butte and his home county.

Representative-elect H. A. Allen was down from Atkinson Monday receiving the congratulations of his many friends upon his election. Upon the unofficial returns Mr. Allen was defeated by about sixty votes, but when the canvassing board met it was discovered that an error had been made in the unofficial vote from Stuart which gave Mr. Allen 60 votes when it should have been 160. This 100 votes was enough to offset the majority of Mr. Wilburn and gave Mr. Allen 44 majority in the county. It is of course unnecessary to state that Mr. Allen is highly gratified at the result.

During the recent visit to our city of Miss Belle Kearney, it was announced to the audience that Mrs. Mary Harris Armour, of Georgia, would be in O'Neill sometime in November. We are very sorry to announce that sickness has compelled her to cancel all dates in Nebraska. This has been a very great disappointment to those who have been trying to bring able champions of the temperance cause to our city. However

we are to be congratulated that we have the promise of Miss Kearney's return on the evening of the 24th of this month. Those who heard Miss Kearney on Oct. 11th will need no urging to hear her again.

Plainview News: Our city was sorrow-stricken last week when it became generally known that Harry Chapman, who caught for the Sterlings all summer, had gone insane. Monday noon, Frank Tedner and Ross Kelley took him to Pierce, and turned him over to the authorities. Two weeks ago he was as sane as any man in Plainview, but gradually grew worse until he had to be taken care of by the authorities, as his friends could not handle him any longer. No one can account for him being afflicted in this way, as he was one of the most cheerful and jolly fellows you ever seen. He had many friends who join with the News in hoping that he will recover from his present condition in a short time. The sheriff arrived from Severance, Kansas, this afternoon and will start back home with Harry tonight.

Firemen to Mayor and Council

The fire meeting advertised last week in the three O'Neill papers was pulled off according to schedule, but the business men of O'Neill were absent. The only person present outside of the firemen was a reporter of The Frontier. After discussing means and methods of combatting the fire fiend the following resolution was adopted:

O'Neill, Nebr., Nov. 11, 1908.—Mr. Chairman: Whereas, we had invited the mayor and the members of the city council to meet with us this evening to discuss the condition of fire fighting apparatus of the city and upon convening we find neither the mayor nor any member of the council had graced the meeting with his presence, therefore be it,

Resolved, that the department tender to the mayor and the city council of O'Neill its heartfelt thanks for the interest they have manifested in the welfare of the city and hope that a like interest is not taken by the property owners of O'Neill. Carried unanimously.
