## O'NEILL BEATS NORFOLK

High School Elevens Play Game  
Thanksgiving.

SCORE NETS FIVE TO NOTHING

Warmly Contested Game Ends in  
Victory for the Local High  
School Boys.

The O'Neill high school foot ball team went to Norfolk on Thanksgiving day, and defeated the crack eleven of that town in one of the hardest foot ball contests it has ever been our pleasure to witness. When you consider that Norfolk has met but one reverse out of eight games played this season you will understand why everyone in O'Neill is justly proud of our high school boys.

The first half was played without any special feature, other than that the ball was always in Norfolk territory, O'Neill holding her opponents for downs repeatedly and compelling Norfolk to punt out at three different times during the half. The time was called with the ball on Norfolk's 20 yard line.

In the second half much more may be said. McNichols kicked off to Hibben who returned 15 yards. Weaver hit center for 5 yards and Anderson went around right end for 6 yards. Here Norfolk worked her forward pass, Erskine to Keleher for 15 yards, O'Neill claiming the play illegal that the ball was thrown over the line. Twice more they tried the forward pass for a good gain when O'Neill secured the ball. Norfolk was now on O'Neill's 15 yard line and McNichols punted for a good 50 yards.

On her second try at the O'Neill line Norfolk lost the ball on a fumble, Hanley recovering it.

O'Neill now began her famous tackle around tackle, again and again O'Neill sent her backs and center for good gains. When O'Neill secured the ball it was almost in the center of the field, and she never lost it after that, carrying it 55 yards for a touch down, where with only 10 seconds left to play Biglin went over for a touch-down, McNichols failed at a difficult goal.

Hanley at tackle played a good game for O'Neill making two beautiful runs of 15 and 25 yards and every man on the O'Neill team played a star game. The line up was:

### Former O'Neill Girl Weds.

Ewing Advocate: A pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. Jas. Peeler, of Lynch, Neb., on Wednesday at 12 o'clock M. The contracting parties were Miss L. Pearl Peeler and Mr. Edward L. Davies of Ewing. The ceremony was performed by Rev. E. Hammond.

The wedding was a quiet one, witnessed only by relatives of the bride and groom, and a few intimate friends. Promptly at the noon hour to the music of the wedding march, played by Miss Goldie Martin, the young couple, accompanied by Miss Edith Ewiltz as bridesmaid and Mr. Burl Martin as groomsmen, took their places beneath a beautiful floral arch, where the minister with an impressive yet simple and exceedingly pretty ring ceremony made them husband and wife.

The bride was becomingly attired in a gown of white satin; the groom wearing the conventional black. After congratulations a three course buffet luncheon was served. At 3 o'clock p. m. the happy couple took the train for the eastern part of the state, where after a short tour they will return to Ewing and take charge of the elegantly furnished home, prepared by the groom. They received a number of handsome and valuable gifts.

Mrs. Davies, although she has never made her home here, has numerous friends in Ewing, she having made several visits to our town. She is a lady of considerable talent and admired by everyone. It affords us great pleasure to know that one held in such high esteem is coming to live among us.

The groom is one of our successful business men, having conducted a general hardware in our city for

### Sullivan Declines.

A special from Lincoln yesterday says: Former Supreme Judge J. J. Sullivan of Columbus, appointed Monday by Governor Sheldon to the supreme bench as one of the four new judges authorized by the constitutional amendment just adopted, wrote to the chief executive today declining the appointment. The appointment was for one year only and Sullivan says that in view of the shortness of the term, the necessity of removing to the capital as the amendment requires, and that he would have to run the gauntlet of a primary and possibly the election next fall, he won't abandon his practice for the honor.

### The Live Stock Market

South Omaha, Neb., Dec. 2.—Special market letter from Nye-Schneider-Fowler Co.

This week opens up with a moderate run of cattle and a very good active demand for both corned range beef. Canners and cutters continue slow sale on account of there being liberal offerings of this class. Farmers are running them off with little or no feed because of the high price of corn. It would pay to feed some of these before letting them come to market. Butcher stock that has been fed or in good flesh is strong to a dime higher. There is a good inquiry for fleshy feeders and for stockers showing quality at firm prices. We feel very much gratified at the way the Omaha market has held up during the past week as compared with Chicago. Liberal receipts are expected at the latter place for the next ten days on account of the fat stock show. We sold two loads of plain cattle that were well fattened Monday, averaging 1588 pounds at \$7.00 the highest price here since September.

We quote:  
Choice corn feed beef.....\$6.40@7.25  
Fair to good.....4.25@6.40  
Range steers.....5.50@5.60

Canners and cutters.....2.00@2.65

C. stockers & feeders.....4.50@5.00  
Fair to good.....3.75@4.40  
Stock helpers.....2.25@3.25

The hog market showed a sharp advance at the opening this week, but packers are all predicting more liberal supplies for the balance of the week and a lower market. Bulk \$5.70 to \$5.65.

Sheep receipts are small with the trade in good healthy condition. Feeders go at firm prices; fat sheep and lambs are fully 10 to 15 higher. Yearlings and wethers sell for the highest price of the season.

Good meals served at all hours. Two doors south of post office. Mrs. Cress.

## 35 BUSHELS CORN, \$117

That's What It Costs Two Men Who Were "Caught With the Goods."

DETECTIVE STUNT OF CHEEVER

Deloit Men Caught Stealing Corn,  
Plead Guilty When Arraigned  
and Are Fined.

Charles Cheever, living in Deloit precinct, should have been at Page the night of the bank robbery when the four bandits coolly went about the work of wrecking the Farmers' bank while the inhabitants of that town quietly kept in the dark. Two men—brothers—were helping Mr. Cheever husk corn and suspecting that a plot was on foot and in operation to rob his field, in company with another man he went out into the field the night of November 25, discovered the plot and caught the robbers.

The men were working for Mr. Cheever in the day time and it appears at night would go to the field and get corn and take it to their home. In this way they are supposed to have taken about thirty-five bushels.

Mr. Cheever marched the robbers to his house and kept them there over night and until the sheriff could arrive the next day. Sheriff Hall went after the prisoners Thanksgiving day and brought them to O'Neill. They were taken before County Judge Malone last Friday and entered a plea of guilty to the charge of stealing thirty-five bushels of corn. They were fined \$25 each and costs and ordered by the court to make double restitution for the corn stolen. It cost them in all \$117.

The Union Thanksgiving exercises at the Blackbird Presbyterian church was enjoyed by all there. The ladies met on Saturday afternoon and decorated the church with the grains, fruits and flowers of the thanksgiving season and on Sunday morning the people filled the church to listen to the special music and the Thanksgiving discourse by Rev. Jacobs, who has recently become pastor of the church. The music was excellent and the sermon by Rev. Jacobs was enjoyed by all. He took for his topic "The Plow, the Hammer and the Pen," he showed them they had followed the furrow of progress since the days of Noah and Elisha to the present time and how the hammer had been the tool of civilization since the days of Tubel Cain up to the present time of Andrew Carnegie who is the modern Tubel Cain. The pen has been the instrument of education and culture since Moses dipped it in the fires of Mount Sina to the present time.

A special invitation is given to all to come again and taste of the good things God has in store for his people.

"Oh that men would praise the Lord for his goodness and for his wonderful works to the children of men."  
One of the people.

### Stock Food Swindle.

Exeter Enterprise: A lot of farmers in the neighborhood of Exeter, who are too poor to take a local newspaper, or too dishonest to pay for one, got beautifully taken in by a stock food swindle very recently. This is the way it worked: The agent approaches Mr. Pumpkin Husker with this proposition: "Can I leave you 100 pounds of my valuable stock food free?" Sure, says the non-news-reader, who is always on the lookout for something free. Of course he is willing to sign a little agreement. And if the little agreement turns up in the shape of a promissory note, due at a Hebron bank, why should an ex-county clerk of Fillmore county kick himself? And while nobody may perhaps sympathize with the victims of this particular swindle, it is a good object lesson to honest people to be careful in the matter of signing papers for strangers.

### Advertised Letters.
