Studebaker

For 50 Years the Standard of Perfection in

Farm Wagons

The quality of the Studebaker Wagon is so well known that it needs no introduction to users of farm wagons anywhere. For 50 years it has stood as the climax of perfection in wagon building, and of the tens of thousands of farmers using the Studebaker in this and foreign countries there is not a dissatisfied one among them. Brennan has a large stock of these wagons and would be glad of the privilege to show them to you, explain their superior points and give you prices.

Whereas, The high water caused by ice gorge in the Niobrara river has suddenly injured and damaged both the bridge and roadway on the public road across the north branch of the Niobrara river at the Lynch or Red Bird bridge.

And Whereas, The road cannot be traveled without a bridge at this place, therefore, in the opinion of this board, an emergency exists and that the public requires immediate action, and to prevent any inconvenience and damage, I move that we proceed to repair the same, and the proper notice be published declaring the intention of this board to contract for repairing the same.
