The Live Stock Market
South Omaha, Neb., Dec. 2.—Special market letter from Nye-Schneider-Fowler Co.

Last year's cattle receipts at this point were about 122,000 less than the previous year. The first week of the new year is opening up with a liberal run of cattle at all points and a lower market. Beef steers are slow and mostly 10 to 15 lower, cows are steady to 10 lower with good stockers and feeders firm others dull. There was only the usual small proportion of corn fed stock. Prospects seem to be for a steady market the balance of the week.

We quote:
 Choice corn fed beef \$6.10@7.15
 Fair to good 4.50@ 6.00
 Hay fed steers 3.75@ 5.75
 Others from 3.50 to 3.65
 Cows and heifers 3.50@ 5.25
 Good butcher grades 2.90@ 3.50
 Canners and cutters 2.00@ 2.75
 Veal calves 3.50@ 6.50
 Bulls, stags, etc 2.50@ 4.50
 C. stockers & feeders 5.00@ 5.50
 Fair to good 4.00@ 4.90
 Stock heifers 2.50@ 3.50

The number of hogs received last year were 171,000 heavier than the previous year, but the number of carloads were practically the same indicating a lighter average weight. Receipts so far this week have not come up to the estimates, nevertheless, prices slumped off 5 to 10 cents. Bulk \$5.50 to \$5.80.

Sheep receipts for 1908 were 67,000 larger than the previous year. This week is opening up with a light run and the feeling generally stronger. Not many lambs on sale.
