Barnett Waives Preliminary.

William Barnett, charged with stealing the Hugh O'Neill horses, was taken before the county court yesterday forenoon and waived preliminary hearing, Judge Malone holding the prisoner to the district court in the sum of \$2,000. The defendant was represented by L. C. Chapman and was also before the court in person. An amended complaint was filed, just before the prisoner was arraigned, by R. R. Dickson, who appeared for the state. The amended petition places the number of horses stolen at ten, valued at \$1,000. The complaint was read by Judge Malone and Barnett entered a plea of not guilty. Mr. Chapman asked that a transcript of the proceedings in county court be filed at once in the district court that bond might be fixed and date for trial set. The court said it would have a transcript filed that day.

Seven witnesses had been subpoenaed for the preliminary but none were called because of the prisoner waiving hearing. The mileage of witnesses will be charged to the county, however, and aggregates 1,522 miles at a cost of \$152.20. The witnesses subpoenaed and who will figure in the case in district court in behalf of the prosecution are: Sheriff W. H. Sutton of Greeley county, A. McMinden, Joseph Cakoke and Frank Slaugal of Valley county, H. H. McClement of Garfield county, W. W. Storts of Holt county and A. G. Luth of Boyd county.

Judge Malone committed the pris-

oner to the custody of the sheriff pending the action of the district court.

A double wedding took place Thursday last at the home of Henry Hoxie two miles east of town, when the two nephews of Mr. Hoxie, Arthur H. and Edward Le Roy Hoxie, each became united with a bride, the former being united with Miss Mabel Palmer and the latter with Miss Irene Cain, step-sisters. Judge Malone of the county court officiated, the wedding ceremony taking place about 3 o'clock in the afternoon, followed by an elaborate dinner. Some fifty or sixty guests were present relatives and neighbors of the contracting parties. The festivities lasted until late at night, dancing being the principal entertainment.

This office is in receipt of a letter from Dan McClellan who left here about three weeks ago for Oregon. He is located at Nyssa, Oregon, and says he likes it fine and is enjoying good health. Judging from his letter Dan is fascinated with that country. It is a great fruit growing section and he says the orchards average about \$500 an acre. He says they have struck natural gas about 70 miles from Nyssa which they expect to use to light the towns in that section of the state. He expects to invest in a fruit farm there and remain. His many old Holt county friends wish him prosperity in his new home.

Comedy or Tragedy?

That O'Neill boys have to get up early in the morning to beat the maidens of this city was demonstrated to six of the society boys of O'Neill last week, by a like number of charming young ladies. The opening chapter of this society drama was in this city some two weeks ago when a ball was given at the opera-house. A few days prior to this event the society boys before mentioned congregated at their usual haunts to discuss the event. During the progress of the conference, the question of partners for the event came up. One of the party, who is noted for his unique method of settling matters, suggested that the names of the young ladies be placed in a hat and the several young men draw therefrom, each agreeing to act as escort for the young lady who was assigned to him by fortune. The plan met immediate approval and the drawing occurred as agreed upon, but when the evening of the ball arrived, but one of the fortune seekers "made good," the others losing their nerve at the requisite moment and did not ask the company of the ladies assigned to them by chance, and the young ladies were prevented from enjoying the event of the season. When they learned the method the boys had taken for choosing partners and then deserting them they became indignant and resolved to be "revengeful." The boys at once decided to square matters and arranged a nice private dancing party, which was to close with a banquet at one of the city's popular cafe's and all arrangements were made for the event which was to be the "swellest ever." On the evening of the event the boys had gathered at their meeting place and were about to start for the homes of the young ladies when a messenger entered and presented each of them a note, from the young ladies in question, in which they very politely "regretted" that they were unable to accept their company for the evening. The boys realized they were "stung" and had to put up for the hall without using it and the banquet without tasting the tempting viands prepared and have ever since been wondering where they are at.

The Live Stock Market

South Omaha, Neb., Apr. 16—Special market letter from Nye-Schneider-Fowler Co.

There is another moderate run of cattle this week with prices about steady with last week's close. We have had some very good cattle on sale with a top of \$6.45. They were better than anything we have had here recently. Butcher stock and stockers and feeders are bringing prices fully steady if not a little stronger in spots, Chicago has quite a liberal run and a lower market.

We quote:
Choice corn fed beef.....\$6.00@6.45
Fair to good.....4.50@5.90
Others from.....3.50 to 3.67
Cornfed cows and heifers.....5.60
Good butcher grades.....4.00@5.00
Canners and cutters.....2.25@3.75
Veal calves.....3.50@6.75
Bulls, stags, etc.....3.00@5.00
Prime feeding steers.....5.00@5.50
Fair to good.....4.00@4.90
Stock heifers.....3.00@4.25

The week starts with a light run of hogs but a very slow and dull market. Any material increase in receipts would bring sharp declines as packers are very slow to take hold at these

prices. Bulk \$6.75 to \$7.00, top \$7.15. Values are steady to stronger in the sheep division with a healthy tone to the trade and fairly liberal receipts.

Wanted—Intelligent man or woman to take territory, and appoint canvassers to sell our water filters. Exclusive territory, and nice profitable work for the right party.—Seneca Filter Co., Seneca, Mo. 41-4p

The committee selected by the management of the McGinnis creamery to pass upon the names submitted in their \$25 name contest met Monday afternoon and selected as the most desirable name "Nonpariel," a French word meaning, "having no equal, peerless." The name was submitted by the Sisters of St. Francis of this city and they received the \$25 prize offered for the name that would be selected by the committee. There were about 400 names submitted showing the interest taken in the contest by the people throughout this section.

One of the largest real estate deals that has taken place recently was effected Monday when the Peter Duffy ranch on Oak creek in Saratoga precinct was sold to P. C. Anderson, a real estate man of Spencer. The instruments in the transfer were executed Monday in O'Neill. There are 3,000 acres in the ranch, the purchase price being \$24,000.
