In the matter of the estate of Mary A. Woodul, Walter F. Woodul, Juanita Woodul, Lee Woodul and Moisele Woodul, minors.

ORDER TO SHOW CAUSE.
Now on this 16th day of October, 1909, this cause came on for hearing upon the petition duly verified of R. K. Dickson, guardian of the property and estate of Mary A. Woodul, Walter F. Woodul, Juanita Woodul, Lee Woodul and Moisele Woodul, minors, for license to sell their interests in the following described real estate situated in Holt county, Nebraska, to-wit: The southeast quarter (SE $\frac{1}{4}$) of section twenty-two (sec. 22) township twenty-eight (Twp. 28) north of range fifteen (range 15) west of the sixth P. M., for the purpose of raising funds for the support and maintenance and education of said minors and it appearing to me from said petition that said minors own jointly an undivided two-thirds interest therein, and that said real estate is unimproved and that the income therefrom does not exceed \$25 and that said minors have no personal property and that they are dependent upon their father and the income from the above described real estate for their support, maintenance and education and that it is to the best interest of said minors and their estate that their interest in said real estate be sold and the proceeds thereof be used for the purpose hereinbefore set forth.

It is therefore ordered that the next of kin of said minors and all persons interested in said real estate appear before me at the court room in the court house in city of O'Neill, Nebraska, on the 6th day of December, 1909, at 10 o'clock a. m. to show cause, if any there be why license should not be granted to the said R. K. Dickson to sell all the interest of said minors in and to the above described real estate for the purpose above set forth. It is further ordered that a copy of this order be published once each week for three successive weeks in The Frontier, a newspaper printed and published in the city of O'Neill, Holt county, Nebraska and of general circulation in said county.

19-3 J. J. HARRINGTON,
Judge of District Court, Holt county, Nebraska.

Bird's Milk.
"I fed him with bird's milk." This curious expression was used by the old sultan of Turkey, while a prisoner on his way to Saloniki, with reference to his brother Mohammed, his predecessor on the throne. Abdul Hamid was lamenting his own fate and telling his captors how little he deserved it and how kind he had been to his brother. "I fed him with bird's milk," he said, as if that were the greatest kindness he could show. What is bird's milk? Not the Turkish equivalent of the milk of human kindness, but a European brand of condensed milk bearing on the can a picture of a bird on a nest.

His Conundrum.
"Mistah Walkah, kin yo' tell me de diff'unce 'tween a cold in de head an' a chicken coop wit' a hole in de rufe?"
"No, Sam; that's a hard one. What is the difference between a cold in the head and a chicken coop with a hole in the roof?"
"De one am a case o' influenza, an' de udder am a case o' out flew hens, suh."

What's in a Name.
Returned Traveler—By the way, Mr. Mann, your daughter, Miss Etta, is married, isn't she? Old Resident—No; she could have married a fine young fellow once, but she threw him over on account of his name. She said it was bad enough to be Etta Mann, but she drew the line at Etta Knox.—Chicago Tribune.

No Economy There.
Bronx—In Russia they never say, "What's in a name?" Lenox—Why not? Bronx—It's taken for granted that it's the whole alphabet.—Lippincott's.

The Navel Orange.
The first we know of the navel orange, which is very valuable not only on account of its fine quality and taste, but also because of its being seedless, is of a single tree that was found growing on the northern shore of the Mediterranean sea. This was about the year 1565. Grafts of this tree were taken to Spain by the Moors several hundred years ago, and from Spain the trees were carried to South America by the Spaniards.—St. Nicholas.
