The State Board of Education purchased the Wayne Normal last week, paying \$70,000 therefor. A couple of new applications were presented and the members decided that they would make an aggressive campaign for membership the ensuing year. The camp now has a membership of 130 and the members believe that with a little work on their part the membership could be increased to 200.

A. C. Tolliver and Bob Herre of Ainsworth were in the city last Tuesday endeavoring to secure the support of the citizens of this place for Ainsworth in the normal school fight. From what these gentlemen said it was understood there that O'Neill was out of the race and they were of the opinion that if that was the case O'Neill should favor Ainsworth. The gentlemen were informed that O'Neill was in the "scrap" to a finish and they returned home on the afternoon train without having assisted their cause any. We understand they also visited Atkinson soliciting support and that after the citizens of the little city on the west had been informed over the phone that O'Neill was still in the race they also had to leave there without having received any assistance from the citizens of Atkinson.

### Wedding a Surprise.

Married, at Harrison, Nebr., on Sunday, November 14, 1909, William B. Graves of O'Neill, to Miss Arelle E. Holden of Chambers, Nebr., Rev. T. J. Peacock, pastor of the M. E. church officiating. The above announcement received by O'Neill friends of the young couple in the city Tuesday evening was the first intimation their many O'Neill friends had of the wedding. To say that it was a surprise is putting it mildly as their most intimate friends hardly knew they were acquainted.

Mr. Graves left O'Neill on November 12, presumably for Omaha, but took the train for Crawford, where Miss Holden has been employed as a stenographer the past four months and on Sunday accompanied by Miss Holden went to Harrison, where the ceremony was performed. After the wedding they took a honeymoon trip of ten days through the Black Hills, after which Mrs. Graves resumed her duties in the law office at Crawford, having agreed to remain until her employers secured a successor, while Mr. Graves returned to his business in this city and none suspected he had become a benedict during his absence.

The groom is one of O'Neill's most popular young business men, having conducted a jewelry store in the old Cole building the past two years, and has by his ability, integrity and business acumen built himself up a splendid business.

The bride is a daughter of Mr. and Mrs. J. W. Holden of Chambers and for some two years was a stenographer in the office of County Clerk Simar. She is a charming young lady with a sweet and amiable disposition and has a host of friends in O'Neill and the southern part of the county.

The bride returned from Omaha Tuesday evening, where she had been visiting friends the past few days, and have gone to housekeeping in the rooms over the jewelry store.

The Frontier joins the many friends of this happy young couple in wishing them long life and prosperity.

Why not send it to them, and we will write a suitable letter to the recipient explaining who it is from.

## A Change

ON JANUARY 1, 1910, we have decided to make a change in our present method of doing business. During the past few years the price of meat has been very high and we believe the people of O'Neill will appreciate a change that will give them splendid meat at reduced prices.

In order to accomplish this we have decided that on and after January 1 we will not make delivery or give credit. All meats will be sold for cash only and we will not make deliveries, therefore can sell much closer.

During the time we have been in business in O'Neill we have done a splendid business, but in order to keep up the expense of a delivery and to carry big accounts we have to sell at a good sized profit. This has not been satisfactory to us nor to our customers, and we have therefore decided upon this change.

On and after New Years every package that leaves this shop will be paid for, and we can convince the citizens of O'Neill that it will be money in their pocket to call and get their meat and pay cash for it.
