Many old wheel horses of Holt county democracy predict that this county will give Aldrich and the republican ticket a majority of 500. They say it will be a regular Maine landslide but that the slide will be in favor of the republicans instead of the democrats.

The populist state committee decided to leave their ticket blank on governor but recommended that populists vote for the republican candidate. John A. Robertson of this county was present at the meeting and he voted to endorse Aldrich as the republican candidate.

W. J. Bryan has announced that he cannot support Dahlman for governor on account of the policies that he stands for. While Mr. Bryan did not declare for Aldrich, the republican nominee, as there is no other candidate Mr. Bryan will probably take the stump for the latter during the last two weeks of the campaign.

The recount of Douglas county has been completed and Governor Shallenberger found himself defeated by Dahlman by about 230 votes. The Governor has conceded the nomination of the Omaha mayor and has pledged his loyal support to the entire ticket. While Shallenberger will support Dahlman and Dahlmanism the same cannot be said for many of his followers and they are now flocking to the Aldrich standard in droves.

R. L. Metcalfe, late democratic candidate for United States Senator and associate editor of Bryan's Commoner, has repudiated Dahlman and offers his support and influence to Aldrich for governor. Met is an old Missouri democrat and has been voting the ticket straight for many years but says he cannot support the policies that Dahlman stands for and therefore offers his support and influence to the republican nominee, C. H. Aldrich.

Judge Dean withdrew from the race for congress in this district and W. J. Taylor is now the democratic and populist nominee for this office. The matter was decided by the state committees of both parties in a meeting held at Grand Island last week. Now that the democrats have given a populist the nomination for congress the democrats feel that the populist support Dahlman for governor, but many of them will refuse to be led to the support of the Omaha mayor and will vote the straight republican ticket.

The Frontier is pleased to welcome the old-time democrats of this county who have decided to vote the republican ticket this fall to the ranks of the republican party and hope that they will be so well pleased with their new alliance that they will remain members of the party of progress and prosperity.

## Methodist Notes.

In the Providences of God; through the working of the economy of the Methodist Episcopal Church, the Rev. T. S. Wataon has been returned to serve the church in O'Neill for the fourth year. The past, on the whole, has been very pleasant, and we are looking forward to another pleasant and profitable year with people whom we have learned to love and trust.

Regular services will be held in the Methodist Church next Sunday, beginning with the class meeting. This, not the best, is as good as the best service of the day, and the attendance ought to greatly increase.

At 10:30 a. m. and at 8 p. m., the pastor will preach, taking for his morning subject, "God's Command to His people," and for the evening service, "The value of a Good Purpose in Life." To these, as to all services of our church, we most cordially invite everybody.

Sunday school at the close of our morning service. We shall endeavor to have an interesting and progressive school and we are always glad to have our friends tarry with us for the study of God's word.

Prayer meeting every Thursday evening at 7:30. We have an interesting and profitable service and trust that the number of regular attendants will greatly increase. All neighbors and friends are invited to come in and worship with us.

The Ladies Aid Society will meet in the Class room Tuesday afternoon at 2 o'clock. All ladies of the Church and congregation are invited to meet with them.

## Death of Mrs. Sullivan.

Mrs. Mary Sullivan, one of the pioneer residents of this vicinity and county, died at her home in this city last Tuesday morning after an illness of three weeks of creeping paralysis. Mrs. Sullivan was born at Castleton, Barehoven county Cork, Ireland, in 1844, and was 66 years of age at the time of her death. At the age of 12 years she came to America with her parents and located in Providence, R. I., the family moving from there to Calumet, Michigan, where she was married to James Sullivan in 1869. They lived in Calumet until the spring of 1877 when the family moved to this county and took a farm one mile north of this city where they resided until the death of Mr. Sullivan three years ago when they moved to this city.

Deceased was the mother of ten children, six of whom are living to mourn the death of a kind and loving mother. The children are: Phillip, of Diamondville, Wyo., John, Jerry and Eugene of Butte, Mont., and Danial of San Francisco, Cal., and Miss Mary of this city. All of the children were present at her bedside when she passed away, except Danial who did not arrive until the evening of her death.

The funeral will be held from the Catholic church tomorrow morning upon the arrival of two brothers of Mrs. Sullivan from Butte, Mont.
