Death of Ira Lapham.

Ira Lapham, died of dropsy of the heart at Excelsior Springs, Mo., last Friday afternoon where he had been the past two months for the benefit of his health. For a short time after going to the Springs he improved and it was thought that his recovery was but a matter of a short time, but about ten days before his death a change for the worse took place and Mrs. Lapham was notified that his death was but a question of a few days and she left at once for Excelsior Springs and was with him when he passed away.

The remains were brought to this city last Saturday afternoon and were interred in the protestant cemetery Sunday afternoon. The funeral services were in charge of the Masonic order, of which Mr. Lapham had been a member for many years. Services were held at the Episcopal church and were conducted by Rev. Wells.

Deceased was born April 17, 1846, at Massedena, N. Y., and would have been 65 years of age next April. He was married on February 19, 1872, to Miss Amelia Murtha at Westphalia, Mich. In 1885 he moved to Holt county, coming here from Seward county, Nebraska, and located upon a farm in Deloit township where he resided until his removal to this city in April, 1895. For many years after his removal to this city he was engaged in the hotel business in which he was very successful.

Deceased leaves a wife and son, Burr, who lives at Sheridan, Wyo., but who was present at the funeral, to mourn his demise.
