There Is Only One Guaranteed Shoe!
-And Only One Place to Buy It

There is only one manufacturer in the world who is making shoes that are sold under a six months' written guaranty. And we are the only dealers who are allowed to sell these shoes in this town.

Shoes have never been guaranteed before because manufacturers have been unable to make shoes worth guaranteeing. They did the best they could, but they were handicapped by enormous selling expenses. High-priced traveling men and their big hotel bills and railroad fares cost shoe manufacturers millions of dollars every year.

The Desnoyers Shoe Co. did away with traveling men and sold their shoes direct to dealers by letter. Thus they saved thousands and thousands of dollars and put it into better quality. That's why the "Six Months' Shoe" is so far superior to all other shoes and good enough to guarantee

Desnoyers "Six Months" Shoes
GUARANTEED TO Give Full Six Months' Wear

"Six Months' Shoes have to be better than other shoes, or the manufacturers couldn't afford to guarantee six months' wear. The guaranty alone is convincing proof of their superiority.

Here's the Guaranty
 If either the soles or uppers wear out within four months we agree to furnish a new pair of shoes entirely free of charge. If either the soles or uppers wear out during the fifth month we agree to refund \$2.00 in cash. If either the soles or uppers wear out during the sixth month we agree to refund \$1.00 in cash. In other words, if these shoes should not give full six months' wear we refund more than the proportion they fall short.
 And we make good the guaranty. You don't have to send your shoes to the factory or have any dealings at all with strangers.

Best Leather Procurable
 "Six Months' Shoes are made from expensive foreign hides, which manufacturers selling under the old system cannot afford.
 The Swissox Soles are tanned from Switzerland hides, the toughest and finest hides for sole leather produced anywhere in the world, owing to Switzerland's high altitude and the extreme care with which the Swiss stock is raised. It is protected from all weather conditions and kept clean and healthy.
 The Paris Veal hides used for the uppers in our "Six Months' Shoes are extremely tough, yet closer fibred, softer and more flexible than the hides grown in this country.

Elegant Looking—Light and Neat

"Six Months' shoes combine style, finish and quality in a degree never before equalled in a shoe selling at anywhere near the price. They are wonders for men in every walk of life.

Many Quality Features
 They are made with sole leather box toes to give extra strength at the tip. Army duck lining is used because it is the strongest and smoothest lining made. It costs twice the price of ordinary lining.
 The uppers are stitched together by lock-stitch machines, using the very highest grade silk thread. Nothing but the best Irish linen thread is used in sewing the soles. These methods all cost more, but they make the shoes last much longer.

Flexible and Waterproof
 All sole leather used in "Six Months' Shoes is put through a secret tanning process, which adds wonderful wearing qualities and makes it remarkably flexible and perfectly waterproof.

Best Styles for Every Purpose

"Six Months' Shoes are made for common working men and millionaires. You'll find dress shoes, business shoes and work shoes. And the very latest and best styles of each to choose from.

Investigate at Once! The written guaranty makes it absolutely impossible for you to lose a cent on "Six Months' Shoes. You don't risk anything in giving them a trial, so why delay? Call now and take your choice of a complete assortment. (16)
