### The Live Stock Market

South Omaha, Nebr., March 7.—Special weekly market letter from Nye, Schneider Fowler Co.

We are having a very fair run of cattle thus far this week with a moderately active market with values fully steady with the close of last week. There seems to be a broad demand for butcher stock and packers with the supply readily picked up. There is a limited supply of stockers and feeders and the offerings change hands at steady to strong prices.

We quote: Fair to choice beves..... 5.65@ 6.35 Others down to..... 5 00 Cornfed cows and heifers up to..... 4.25@ 4.75 Fair to good..... 3.25@ 3.75 Canners and cutters..... 4.00@ 8 00 Veal calves..... 4.00@ 5.25 Bulls, stags, etc..... 5.00@ 5.85 Good to choice feeders..... 4.25 Others down to..... 3 75@ 4.50 Stock heifers..... 3 75@ 4.50

Hog receipts at western markets have been rather lighter than expected thus far this week with the result that prices have firmed up slightly. Bulk \$6.80 to \$6.90 top \$7.00.

The sheep trade seems to have a more promised tone. Receipts are running rather light and all kinds of stock sell freely at a fair advance.

### Educational Notes.

There will be an examination in the life certificate subjects in connection with the regular county examinations, in the office of the county superintendent, March 17-18, 1911.

School district No. 157 recently built a new \$500.00 school house and pupils and teacher commenced work in the new building in December. This district is to be congratulated upon their progressive work.

Friday February 10, the pupils of districts Nos. 93 and 114 held a spelling contest. District 93 won 8 to 0. The return contest will be held soon. Myrtle Hunt teaches in 93 and Maggie Murray in 114. This is a move in the right direction and might be of great help if more schools would have contests.

District No. 4 at Dorsey held a social last week. The proceeds were \$41.15 with which they purchased eighty-seven new text books, a set of wall maps and a "Twentieth Century" dictionary. This district is in debt and no doubt appreciate the efforts of their teacher, Elmer Rogers, to help them.

A very interesting and instructive teacher's association was held at Ewing February 25 1911.

Josephine Sanders of Ewing held a model reading class at the morning session which was full of excellent suggestions of practical worth to all. Every rural teacher in the county should have heard this class.

At the afternoon session Bertha Watson of O'Neill gave a paper on "Hygiene and Sanitation in the Rural School" Miss Watson's paper contained many helpful devices which could be used in all rural schools.

Bessie Zink of Atkinson and Prin. J. P. Cunningham of Inman gave splendid papers on "Moral Training in the Public School." The general discussion on these papers were especially helpful.

Prin. C. G. Hutchins of Ewing gave a paper on "Some of the Defects of the Country Pupils on entering the Graded School and How to Remedy Them". Mr. Hutchins emphasized the fact that many of the defects are caused by short terms of school, changes of teachers, etc. among our rural schools. Following the Course of Study closely was one of his remedies. Supt. C. A. Gorby of O'Neill and Elizabeth Eggleston of Ewing discussed this paper and they aroused much interest.

Clara Kohler of Page read a paper on "How to make History interesting." Many points of profit and interest were secured from this daper and the discussion by Hazel Wheeler of Atkinson was read by Roy F. Elder.

The attention of the public is called the English Bible class which meets every Thursday evening at 8:00 p. m. The text book of our teachers training class is the English bible. The hand book we use is a choice volume called "Training the Teacher," of the advanced standard course. Our course is thoroughly organized. Rev. D. B. Ralston, teacher; Mrs. Weenerstein, asst. teacher; Miss Numa, secretary. The aim of the first four months of this course is to get familiar with the location of the contents of our bible. Several are taking this course of study who are not teachers, we hope others will enroll.

We are always glad to welcome strangers and transients to our services. We are also glad to report to the public that the adult division of our Bible school is increasing. Every parent who has a child in Sunday school should dress up and come with that boy or girl. Your presence will add dignity and encourage the children whom you wish to see helped.

Rev. Wimberly of Osmond will fill the pulpit next Sabbath, both morning and evening. The men of the community cannot afford to miss hearing this visiting pastor. Don't fail to be present and meet your friends and neighbors and you God and worship with us next Sabbath.

Rev. D. B. Ralston, Pastor.

## J. P. MANN & CO.

**As there is a tendency downward in all products it will pay you to watch the changes in the prices of Groceries. There has been at least a 10 per cent decline since the first of the year. Are you getting the benefit, or is the man that sells you the goods making two profits?**

**Not only in groceries will you find this, but in all lines through the store.**

**Our policy, as it has been for the last twenty-five years, is to be as careful of our customer's interests as of our own, and we find it to be the most profitable. This has been proven beyond a question to our old customers who have been with us during the last quarter of a century, and we would be glad to prove it to as many new ones as would care to try us out.**

## Mrs. Fitzsimmons
