

ROYAL BAKING POWDER

Absolutely Pure

The official Government tests show Royal Baking Powder to be an absolutely pure and healthful grape cream of tartar baking powder, and care should be taken to prevent the substitution of any other brand in its place.

With no other agent can biscuit, cake and hot-breads be made so pure, healthful and delicious.

Royal Baking Powder costs only a fair price per pound, and is cheaper and better at its price than any other baking powder in the world. It makes pure, clean, healthful food.

"One never gets too old to learn." This fact has become apparent this winter, while the gripe was making its annual calls, many had the gripe some two or three times during the winter, while a few did not have it at all. Being naturally of a curious disposition, the writer instituted a few inquiries into the matter, we found that those that did not get the gripe were from their calling, kept out of doors much of the time during the day, and that they took further precaution of letting plenty of fresh air into their sleeping apartments during the night, there you have a simple but effective remedy for the gripe, and it is free to everyone. Many will no doubt, laugh at the idea of keeping the window raised a few inches at night during the coldest weather, but if you use more covers, you will not suffer from the cold, and the fresh air which is nature's greatest boon to man will greatly benefit you, and brace up your flagging energies. Raise your window from four to six inches, draw the shade and go to sleep, my word for it, you will get up in the morning feeling better than you usually do.

Associated Doctors, Specialists, Will be at the Evans Hotel

Wednes. & Thurs., Mar. 15-16

Two Days Only.—Remarkable Success of These Talented Physicians In the Treatment of Chronic Diseases.

OFFER THEIR SERVICES FREE OF CHARGE

The Associated Doctors, licensed by the state of Nebraska for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of medicine. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are absolutely sure and certain in their effect.

These doctors are considered among Americans leading stomach and nerve specialists and are experts in the treatment of all chronic diseases and so great and wonderful have been their cures that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call.

Many Wonderful Cures.

According to their system no more operations for appendicitis, gall stones, tumors, goiter or cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment and cure of these dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often cured in sixty days. No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, if you want to get well again, it will be to your advantage to see them. Go at once. Have it forever settled in your mind. If your case is incurable they will give you such advice that may prolong your life. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time costs you nothing and may save your life.

Remember this free offer is for two days only.
