

CANDIDATES ARE NOT VERY NUMEROUS

Old Officers File for Re-election to City Offices.

ELECT A BOARD OF EDUCATION

Under Last Census O'Neill Has More Than Sufficient Population to Vote On School Officers.

But little interest is manifest in the spring election which will be held on April 4. So far there is no contest for any office except in the Third ward, where there are two candidates for alderman, C. E. Hall, now one of the councilmen from that ward, and C. C. Millard being the candidates in the Third. Mayor Biglin is a candidate for re-election, as is also Treasurer J. F. Gallagher and Clerk Herb Hammond.

In the First ward D. H. Gionin is a candidate for re-election to the council and M. H. McCarthy in the Second. There is talk among the voters of getting out other candidates but petitions for only those named above have been filed with the city clerk.

A feature of the election that creates some interest is that a board of education will be elected at the same time as the city officers, or rather the vacancies which would occur July 1 under the old system of electing school boards will be filled at the city election. The law provides that members of the board of education shall be elected at this time in towns having 1,500 inhabitants or more, and as O'Neill has more than 2,000 by the last census its school officers will now be elected at the same time as the city officers. As all women free holders or mothers of children of school age have a vote in school elections, separate ballots containing the names of candidates for the board of education will be furnished and women entitled to vote can go to the polls and vote this year the same as the men, only of course they will not vote on city officers. This applies also to residents of the school district not living in town. The O'Neill district comprises more than the incorporated city.

There is but one ticket for the board of education which has been filed so far and that is made up of the present members of the board, as follows: S. F. McNichols, M. H. McCarthy, T. D. Hanley, Dr. P. J. Flynn, Neil Brennan and Dr. J. P. Gilligan. Of course as many may file for a place on the board of education as desire to go to the trouble of getting up a petition and filing it with the city clerk ten days before election.

This is a new method to O'Neill people in selecting a board of education but it is believed the experiment will prove satisfactory if all will take an interest.

Under the new arrangement of the city treasurer acts also as school treasurer, hence in electing a city treasurer the voters are also electing the school treasurer.

The county board has entered into a contract with the Western Bridge and Construction company of Omaha to replace the old Elkhorn river bridge at Ewing with a new steel span bridge with 18 foot cement roadway. The contract price is \$5,274 and the bridge is to be completed by July 1. The bridge will be 100 feet in length not including approaches. The old bridge at Ewing has stood for thirty years and a new bridge there is badly needed.

Joel Youcum has asked the district court to order the First National bank to pay him \$3,147.35. The money he says was deposited there for the payment of notes and mortgages held by him but which he has lost and the bank refuses to give him the money until the notes and mortgages are surrendered. His reason for not surrendering the same is that they have been lost, but he claims to have tendered a "good and sufficient" release of the mortgage.

Amy Anderson asks for a divorce from Jess Anderson in a petition filed in district court. They were married at Butte December 27 last and three days later, the petition says, she being taken sick, her husband took her to her father's home in this county and he left for North Dakota and has contracted nothing to her support since their marriage. The petition also charges that the husband took what money she had and left her without anything. She asks a divorce and the restoration of of her maiden name, Amy Libe.

Michael Lawless died in this city Friday last at the home of his brother-in-law and was buried Saturday, the funeral being held in the Catholic church. The deceased was forty-six years of age. He formerly lived with his parents two miles east of town but went to Park City, Utah, several years ago and worked in the mines there and contracted bronchial trouble which resulted in his death. He leaves a wife, who came from Park City at the announcement of his death but did not arrive until after the funeral.

A slippery gent registered in a scrawling hand at the O'Neill House Monday night under the name of George Fischer and gave Chambers as his address, which the landlord says was false. He engaged a room and went to the same ostensibly to go to bed. He was dressed in two full suits one of which he removed after going to his room. About midnight he came down stairs and said to the landlord who was still in the office that he would have to step out a few minutes. He went out and did not return. The suit of clothes was found in the room he had occupied and also a suit of underwear. It is thought the man had reasons to get away and probably believed he was being pursued, although there has been no inquiry from adjacent towns after a suspicious looking individual.

Nelson Whitsell has stated suit against the Chicago and Northwestern railroad for \$3,000 damages and interest on that amount from January 22, 1910 at 7 per cent and costs of the suit. The damages is alleged to have been sustained on the shipment of five cars of cattle from South Omaha to Atkinson and the claim is based on the statement that the railroad company kept the cattle in transit for fifty-eight hours, whereas the legal limit of time for transporting stock that distance, 210 miles, is eleven hours and forty minutes. The plaintiff claims the cattle shrunk away sufficient to cause him a loss of forty cents per hundred by reason of keeping them on the road. The plaintiff is not now a resident of Nebraska and his petition is sworn to by his attorney.

BOY KILLED BY A SHOTGUN EXPLOSION

Seventeen-Year-Old Lad Near Mineola Meets Fatal Accident.

IS FOUND LYING UNCONSCIOUS

Dies a Few Hours After the Accident Is Discovered.—Struck in Forehead by Piece of Gun.

Ellis, the 17-year old son of Mr. and Mrs. James C. Siders, living fifteen miles northeast of O'Neill, died at 2 o'clock Thursday morning as the result of a wound inflicted by the explosion of a shotgun yesterday afternoon or evening. It is not known just when the accident happened, as the boy was found near home about 11 o'clock Wednesday night lying unconscious with the exploded gun near him. The gun was an old fashioned breech loader. It had exploded at the breech and the firing pin penetrated the boy's forehead. He was taken to the house and lived until 2 o'clock this morning. The remains will be buried in the Mineola cemetery.

The Live Stock Market

South Omaha, Nebr., March 21.—Special weekly market letter from Nye, Schneider Fowler Co.

The prospects for a good cattle market at the close of last week were shattered Monday of this week by a sharp break and the excuse made by buyers was the very bad condition of the markets East. We do not believe this weakness will hold through the week as we think it will have a tendency to shut off receipts. The desirable grade of stockers and feeders, as usual, hold about steady while the common ones are lower.

We quote:

Fair to choice bees..... 5.75@ 6.25
Others down to..... 5.00
Corned cows and heifers up to 5.00
Fair to good..... 4.20@ 4.60
Canners and cutters..... 3.00@ 4.00
Veal calves..... 4.00@ 5.00
Bulls, stags, etc..... 4.00@ 5.00
Good to choice feeders..... 5.00@ 5.75
Others down to..... 4.25
Stock heifers..... 3.75@ 4.75

The hog market broke 35c a hundred in three or four days following the 15th. We believe this slump together with the beginning of farm work will shut off receipts and will bring a reaction. Bulk \$8.40 to \$8.50 top \$8.60. The sheep and lamb market continues along in about the same old course first a quarter on then a quarter off.

Presbyterian Church.

In a current issue of "The Young Men's Weekly" there appears a picture of one of the enterprising classes of the Presbyterian Sunday school. This photograph was taken several months ago when the number of boys were not so large as now. The "Giant Killers" have an enviable reputation to sustain if they live up to the report in the above paper.

For a period of three months we have been studying the National problems of "The Divided Kingdom" One cannot pursue such a study of history without being impressed with God's solution for certain kinds of national peril. Next Sabbath we review all lessons since January 1st. One is reminded that many of the national perils of that time are not extinct today.

Those who attend and are interested in our Bible study club will kindly remember that the regular meeting each Thursday evening will be held at the Church; all who cannot come regularly are urged to come and visit the club just once. The English bible is taught as the narrative stands. Our primary view is to familiarize ourselves with the contents of the Bible. You are urged to attend each of the above services. Come, bring your friends.
