\$3.00 the Year 75 Cents Six Months  
Official paper of O'Neill and Holt county.

## ADVERTISING RATES:

Display advertisements on pages 4, 5 and 8 are charged for on a basis of 50 cents an inch one column width per month; on page 1 the charge is \$1 an inch per month. Local advertisements, 5 cents per line each insertion. Address the office or the publisher.

Detective Burns seems to have a strangle hold upon several members of the Ohio legislature.

Peace in Mexico did not last long. The insurgents started the war again last Monday, after a rest of six days, during which the warring factions attempted to settle up terms of peace. At this distance it would appear that the reign of President Diaz was about at an end.

It is reported that John A. Harmon is looking with longing eyes toward the district bench and is seriously considering being a candidate for election to that position at the coming election. County Attorney Whelan is another democrat who rumor says would not shy from the democratic nomination.

R. R. Dickson of this city, W. T. Willis of Butte and J. A. Douglas of Bassett are mentioned as probable candidates for the republican nomination for district judge at the coming election. As the present Fifteenth district is safely republican it seems that the republican candidates will have no difficulty in securing the election.

Bloomington Advocate: Arthur Copper, editor of the Topeka Capital, recently took a poll of the middle west, where one of his farm papers circulates, on choice for president. The ballot contained the names of Taft, Roosevelt, Wilson, LaFollette, Champ Clark, Bristow, Cummins and Beveridge. Fifteen thousand ballots were received, and for the republican candidate Roosevelt received 7,802, LaFollette 2,867, Bristow 1,340, Taft 764. On the democratic side Clark received 675 and Wilson 235. This shows that the farmers of the great middle west are still loyal friends of Theodore Roosevelt, and it ought to cause the cold shivers to run down the back of the president.

Aurora Republican: The Republican legislature of 1907, which passed more good and wholesome laws in the interest of Nebraska than any other assembly before or since, cost the taxpayers of the state \$3,369,108; the democratic legislature of 1909, which was and is still a standing joke, appropriated \$3,920,129; and the legislature of 1911, also democratic, which gave little or nothing in return for the salaries drawn, went into the pockets of the people for \$4,790,196, or almost a million and a half dollars more than was appropriated by the republican assembly of 1907. Does not it seem to you, Mr. Men-Who-Pay-the-Taxes, that a democratic legislature is a pretty expensive luxury?

Ablon News: A bill recently passed by the legislature, and which, so far, has been given but little attention by the press of the state, is of vital interest to farmers. It provides that people traveling through the country overland will not be allowed to camp along the highway unless they have secured permission from the owner of the land on which they make their camp. Under the old law, gypsies or vagrants generally, who travel via wagons and take toll of corn cribs, hay stacks and chicken roosts enroute, would have to be specifically complained against by the land owner. The new law is so worded that if John Jones notes campers on the land of Bill Smith, he will phone Smith and ask him if he has granted permission. If he has not, the sheriff is merely notified and in a few minutes the officer swoops down on the campers. If they are "undesirable citizens" they are forthwith arrested, and never know who filed the complaint, thus protecting the farmer from having his house or barn burned down later on. The bill is of course, aimed at the gypsies, horse traders and general riffraff who live in wagons and eke out an existence by questionable methods. Of course, no farmer would refuse camping permis-

sion to honest emigrants who are moving from one locality to another by the covered wagon route.

Considerable interest is manifested in the new game laws and the following digest is given for the benefit of our readers. The universal license system provides that no person, except women and children under eighteen years, shall be allowed to fish off his own land without having paid \$1 license for the season, nor to hunt, except boys under eighteen accompanied by parent or guardian, without having first procured the same license. Such a license is both good for hunting and fishing. The penalty for violation of this law is a fine of not more than fifty dollars, or thirty days in jail, and the law is now in effect. Some changes are made in the open season for fish and game, the more important provisions as follows, and being effective July 7, 1911: "Open season on chickens, September 1 to Nov. 30; open season on quail, Nov. 1 to Nov. 15; open season on ducks, geese, brants, cranes and wild water fowl, Sept. 1 to April 5; open season on jack snipe, Wilson snipe, yellow legs and killdeer, Sept. 1 to May 1, next; on plover and doves, from July 15 to Aug. 31; on trout not less than eight inches long, April 1 to October, 1 next on bass eight inches or more long, April 1 to Nov. 15; on all other fish from April 1 to Nov. 15, next. Ten quail is considered the maximum bag. The maximum number of chickens is cut to ten, also as squirrels for one days hunt. The maximum bag in the possession of one person at one time shall be fifty game birds excepting ten chickens, ten geese, and twenty squirrels. Gar fish are added to the list that may be speared.

## Educational Notes.

Parents wishing their children to take advantage of the free high school tuition should make application to this office for blanks and mail them to the county superintendent not later than the second Monday in June.

The fifth session of the O'Neill Juror Normal will be held from June 5th to July 28. The first week will be institute week.

The reading circle note books are coming in. May we not have them all in by the middle of May, that we may send in the credits and have them certified back again in time to use in re-issuing certificates.

C. A. Gregory, state inspector of normal training schools, was in O'Neill and Atkinson May 9.

By a vote of 1,412 to 1,310 school teachers of Nebraska have voted to hold their next meeting in Omaha and it will be during election week in November, the teachers voting two to one in favor of this time. This is the third time in thirty years that the association has come to Omaha.

Miss Josie Johnston has been re-elected as primary teacher in Inman at an increase of salary. Miss Bessie Thompson was hired as intermediate teacher.

The following pupils from district 19 completed the first year's work in the pupils reading circle course and are entitled to the library certificate covers in which to bind their certificates: Mary Stolte, Marion Davis, Mary Cotton, Mary Steinbraun, Eva Cotton, Mildred Sahradnick, Minnie Stolte. Jennie Bauman is teacher.

The new rules to be announced in June will fix the dates for examinations for the biennium. The following are announced at this time for the summer. May 19 and 20, June 16 and 17, July 21 and 22, and August 18 and 19. A special examination also July 27 and 28 for summer schools and counties applying for questions. Examinations for the state professional certificates in June and August and at the special examinations for summer schools.

The legislature of 1911 dealt liberally with the state normal schools and the state university in the matter of appropriations for salaries and maintenance. Ample provision was made for extending high school normal training into western counties. Seventy-five thousand dollars were appropriated for aid to weak districts, and twenty thousand dollars to junior normal schools. The salaries of county superintendents were increased. The maximum levy for school purposes for city schools under subdivision fourteen was increased from twenty-five to forty mills. Provision was made for issuing city certificates as state certificates. School house sites may be changed at special meetings hereafter.

The Holt county exhibit will be held during the week of institute. Teachers who have exhibit work will please send it to this office as soon as convenient. District No. 90 with Bessie Jones as teacher, closed April 21. A picnic

dinner was served to parents and pupils at the home of Charles Pruss.

District 27 with Edith Rouse as teacher, held a social recently and turned over about \$25.00 to the treasurer for necessary improvements.

Institute will be held the week of June 5. Plan to come. The law regarding attendance will be enforced. Those not attending will be required to write in extra subjects.

Minnie B. Miller,  
County Superintendent.

## Methodist Church Items.

Mother's Day will be observed at the Methodist Church, Sunday morning. At 10:30, the pastor will preach a sermon to mothers, taking for his subject, "A Mothers Ambition for her Sons." The subject will be treated in a way that will interest the fathers and young people as well as the mothers. Everybody is most cordially invited.

Sunday evening the pastor will present one of his popular subjects, "Always Trouble with Jonah on Board." You are cordially invited.

Do not forget, or neglect the class-meeting at 10 o'clock, Sunday morning. This service, always interesting and profitable, should be more loyally sustained.

Sunday school every Sunday at the close of our morning service. This interesting service is always heartily enjoyed by those who participate in it. We most heartily desire all of our friends to come in and study with us.

Prayer meeting every Thursday evening at 8 o'clock. This service is interesting and very profitable, and we cordially invite our neighbors to worship with us.

The Ladies Aid Society will meet in the class room Tuesday afternoon at 2 o'clock. All ladies are invited to meet with them.

T. S. Watson, Pastor.

## The Live Stock Market

South Omaha, Nebr., May 9, 1911.  
—Special weekly market letter from Nye, Schneider Fowler Co

We quote:  
We have fair receipts for cattle again this week with the market not recovering much strength as yet although some of the best handy heaves and good cow stock was quoted strong. The heavy weight and plain heaves are very slow sale. We believe, however, that the market is about at the bottom and we expect to see considerable improvement in values by the fore part of June. There is no change in stockers and feeders and receipts are rather light.

Choice beef.....	\$5.60@6.10
Common Beef down to.....	5.00
Choice Corned cows.....	4.75@5.50
Good butcher grades.....	4.25@4.70
Canners and cutters.....	2.75@4.00
Veal calves.....	4.00@6.50
Bulls, stags etc.....	3.75@4.90
Good to choice feeders.....	5.00@5.50
Common grades down to.....	4.00
Stock heifers.....	4.00@5.00

Receipts of hogs thus far this week have not been up to the estimates with the result that we have had pretty good lively market with prices 10 to 15 cents higher. Bulk 5.70 to 5.85 top 5.90.

The sheep and lamb market still continues slow and draggy with little change in prices.

## Inman Items.

The Misses Ina and Mildred Clark went to Ewing last Wednesday returning home the same day.

Miss Emma Bobisud went to Neligh Tuesday to have some dental work done.

Mrs. George Killinger and

## VICTOR Talking Machine

We handle the Celebrated Victor Talking machine, the best machine made. Come in and hear it and let it convince you that there is no other as good. We have them from \$10 up.

JEWELER.

## WILL SOON RETURN

That Well Organized and Successful Corps of Medical Specialists known as the Associated Doctors

Will be at Evans Hotel O'Neill

Tuesday and Wednesday, May 16-17.

Two Days Only--Remarkable Success of these Talented Physicians in the treatment of Chronic Diseases.

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs, and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, gonor or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two-ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness has often been cured in sixty days.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you.

Married ladies must come with their husbands and minors with their parents.

Office at the Evans hotel, O'Neill, Tues. and Wed. May 16 and 17, hours 10 a. m. to 8 p. m.

Below are the names of a few of the many patients that have many good things to say for these doctors:

South Shore, S. D., Jan. 11, 1912.  
Associated Doctors,  
Minneapolis, Minn.

Dear Sirs:—I thought I would write a few lines to let you know how we are getting along because I think you would be glad to hear. My wife is feeling lots better than she has felt for 8 years after taking about 2 months of your treatment. I will have you give her 4 months more after these 4 run out if I can rustle the money. I am feeling good myself after your 4 months treatment. I think a little more treatment is necessary. Please inform me in regard to this matter if you think it is best.

Yours truly,

E. Van Meredith.

Mrs. A. G. Olson, of Clark, S. D., catarrh and nervous trouble.

Martin Lynstad, of Volla, S. D. stomach and kidney troubles.

Gena Olson, Egan, S. D. nervous trouble.

Wm. Parsons, Esteline, S. D., bladder trouble.

P. H. Frantz, Aberdeen, says he is doing fine under the Associated Doctors treatment.

Mrs. C. C. Krogh, Huron, S. D., blood trouble.

E. S. Zimmermann, of Montrose, S. D., piles.

Miss Lottie Taylor, Egan, S. D. says she never expected to get such quick relief in so short a time. Miss Taylor's brother is also doing well under the Association Doctor's treatment.

John Mock, Forbes, N. D. chronic stomach trouble.

Mrs. J. H. Unruh, Freeman, S. D., of kidney trouble and lame back.

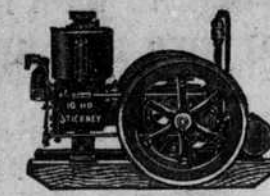

daughter Elva were Ewing visitors one day last week.

N. S. Butler has moved his household goods over to the Andrew Butler residence while his new residence is being built where the old one stood.

The Ladies Aid of the M. E. Church will serve a general supper and also ice cream and cake on Friday evening the 12th.

Everyone is invited.  
Fred Ward was down from

## Stickney Gasoline Engines ARE THE BEST

Get Your Money's Worth

The service an engine will give you depends not only on its design and quality of its material and workmanship but upon the size of its bearings, the length of its piston, the thickness of its thinnest casting, the size of its balance wheels and the strength of its various parts. Upon the size and strength of these parts depend the service you will get from the engine and it also determines the total weight of the engine. In determining the value of two engines compare their weight the same as you do when you sell your hogs, pork is worth so much per pound.

Come in and inspect my sample Stickney Engine and show me one place where any weight can be cut out without injuring the service the engine will give and then I will show you it has no surplus weight, no big useless unnecessary base—and then figure the price per pound. I will give your money's worth.
