Since the splendid rainfall of last Saturday night Holt county farmers and stockmen are wearing a smile that won't come off.

The office of county judge seems to be the most desirable in the county, judging from the number of candidates who have filed for that office.

Another rain like the one that fell last Saturday night and Holt County farmers will have to invest in many new corn cribs to hold the greatest corn crop ever harvested in this county.

H. B. Burch, a resident of Fairview township has filed for the republican nomination for county clerk. Mr. Burch has taught school in this county for several years and has an extended acquaintance throughout the county. He has the ability to make an efficient official.

A prominent O'Neill democrat says that the corporate interests of the country is behind the candidacy of Governor Harmon of Ohio, who seems to have the call upon the democratic presidential nomination. The aforesaid p. d. says that he would vote for LaFollette of Wisconsin in preference to any man in the country.

There has been no filings for the office of clerk of the district court up to noon today, but it is understood that the present clerk, John A. Harmon, has buried his ambition to be district judge and that he will be a candidate for re-election for another four year term to his present position. It is also rumored that C. E. Hall will file for the same office.

Atkinson township contains a bunch of as loyal republicans as can be found in the county. At the convention last Wednesday that township was entitled to twenty delegates and there were eighteen of them present when the convention was called to order. An off year does not seem to make any difference in the political interest manifested by republicans in our sister city to the west.

Henry D. Grady has filed for re-nomination to the office of sheriff which position he has so acceptably filled the past two years. Henry's administration has been so acceptable to the people of the county that the indications are that the opposition can not find a man in their ranks who will enter the race against him to take the defeat that will be his portion of the battle of ballots next November.

The many friends of J. M. Hunter throughout the county will be glad to learn that he has filed for the republican nomination for county treasurer. Mr. Hunter has been a resident of the county for twenty-eight years and has always taken an active interest in public affairs. He is recognized as one of the staunchest farmers and stockmen in the county; a man whose word has always been recognized as good as his bond and a man who will make a

## Supervisors Proceedings.

Mr. Chairman:  
I move that out lot B section 18 town 23, range 9 be stricken from the tax list for the year 1910, the same being a double assessment. Out-lot B now block 16 in the village of Page.

State of Nebraska, County of Holt, ss.

To the honorable board of supervisors of Holt County, Nebraska. I John Brown of lawful age of Stuart, Nebraska, being duly sworn according to law, depose and say that I am now and was in the years 1909 and 1910 the owner of lot 7 and 8 in block 5 of the Western town lot company's first addition to Stuart. The valuation placed on said lots and the hay barn thereon being \$1400.00 for the year 1909 and 1910, and the tax levied on said lots being \$25.00 for 1909, and \$26.00 for 1910, which assessment and levy is excessive compared with other property adjacent to mine and about equal value to wit: Lots 1, 2, and 3, of same block with hay barn thereon assessed at \$1000 assessed to Alderman, this barn being larger than mine it being 58x150 ft while my barn is only 58x140 ft. I also refer to lots 1 and 2 of block 6, same addition and the hay barn thereon assessed at \$800.00: this property is near mine and is closer to the business part of town, I also refer to lot 3 of block 6 same addition, and the hay barn thereon valued at \$800.00 this property being between my barn and the business part of the town so I submit to your honorable body that my lots and barn were assessed too high in comparison with the assessment of other similar properties in the same vicinity and equally favorably located, I therefore ask your honorable body to reduce the valuation of my lots 7 and 8 aforesaid and the barn thereon to \$1000.00 for the years 1909 and 1910, and reduce the tax levy accordingly. I ask this as a matter of right and justice. Signed,  
John H. Brown.

Subscribed in my presence and sworn to before me this first day of June, 1911.
