THE Directors of the Fidelity Bank
publish this week amended
articles of incorporation changing the
name of this bank to the

NEBRASKA STATE BANK O'NEILL, NEBRASKA

*This was considered necessary on ac-
count of the bank becoming a Guarantee
Bank and in order that there would
be no misunderstanding as to the bank
being organized under the new law re-
cently passed by the Nebraska Legisla-
ture, which law was confirmed by the
United States Court as being a good and
valid law, which gives protection to the
depositors. This is the only bank in O'Neill
operating under the Guarantee Law that
gives absolute protection to its depositors.*
