### Supervisors Proceedings.

O'Neill, Nebr., Aug. 31, 1911, 1 o'clock p. m.

Board met pursuant to adjournment all members present.

State of Nebraska, Holt county, ss. I, W. S. Grant of lawful age being first duly sworn upon oath depose and say that I am a member of the firm of Burk and Grant, that through error in listing our personal property in Saratoga precinct, Holt county, Nebraska, for 1910, this firm was assessed for notes and mortgages in the sum of five thousand dollars and we have paid the tax as evidenced by tax receipt No. 6222 hereto attached.

At the time this property was listed by William Burk, he misunderstood the questions in paragraph 3 and 4 of the assessment schedule and supposed the question asked therein referred to notes and mortgages owned by the firm.

At the time this assessment was made the firm owned no notes or mortgages and therefore should be assessed for none.

Therefore your petitioner requests that the county clerk be instructed to issue a refund warrant to Burk and Grant for \$53.25 the amount of taxes erroneously paid.

To the honorable board of supervisors. Your petitioner would respectfully represent that he is the agent for Julia A. That through an error said land was assessed for taxation in the year 1908 and was sold in November, 1909 to the taxes levied for that year, and on May 3, 1911 the purchaser at said tax sale paid the subsequent taxes for the year 1910. That during both of said years said land was government land and was not subject to taxation. Petitioner asks that your honorable board redeem said land from said tax sale and cancel said taxes for said years.

# MANY

Are Anxiously Awaiting Their Return.

Associated Doctors Specialists

Will be in O'Neill at EVANS HOTEL MONDAY, OCTOBER 9

ONE DAY ONLY

These are the Doctors you no doubt have read about. While you may not know them personally, you may know them by reputation or through some of your neighbors, they have treated. The remarkable success of these talented physicians in the treatment of chronic diseases has aroused much enthusiasm in the Northwest. This is said to be and no doubt is true, one of the most able specialists organization of its kind in this section of the country, and must be a successful one from the many good results they are getting.

The Associated Doctors, licensed by the state of Nebraska for the treatment of deformities and nervous and chronic diseases of men, women and children, offer to all who call on them, consultation, examination, and advise free.

It is especially requested that married ladies come with their husbands and minors with their parents.

The name, ASSOCIATED DOCTORS, is what it implies a union of specialists twelve in number that have gotten together for the treatment of chronic and nervous diseases. Not to be understood that they treat all diseases that the human body is heir to. They mean to be very careful in selecting and taking cases as they want good results, which means good returns in the way of their patients recommending them to others.

They estimate that over eighty percent of the patients now coming to them, come from recommendations of those they have treated.

They do not treat any acute diseases whatever, their time and attention being devoted to such diseases as follows:

Diseases of the stomach, intestines liver, blood, skin, nerves, heart, spleen, kidneys or bladder rheumatism, sciatica, diabetes, bedwetting, leg ulcers, weak lungs and those afflicted with long standing, deep seated, chronic diseases, that have baffled the skill of the family physicians, should not fall to call. According to their system no more operations for appendicitis, gall stones, tumors or goiter. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

BELOW ARE THE NAMES of a few of the many patients that have many good things to say for the Associated Doctors.

Grace Munk, Dell Rapids, S. D. catarrh and deafness.

Mrs. O. G. Anderson, Mina, S. D., nervous and kidney trouble.

Mrs. John H. Kelsor, Yankton, S. D., nearly dead with heart and kidney trouble producing dropsy, was given only week to live in, short time under their treatment was doing some of her housework.
