# ARE PAYING HOMAGE **COLUMBUS' MEMORY**

Unveiling Of Magnificent Memorial Fountain Erected By Congress.

Washington, June 10 .- The United States is paying homage today to the discoverer of America, by the unveiling of a magnificient memorial fountain erected here by congress to Christopher Columbus, the humble Genoese navigator who opened the portals of this hemisphere to civilization, christianity

and liberty. Standing at the very gates of the nation's capital, the memorial seemed a gigantic magnet drawing a repre-A glashic hanging from every corner of America. One hundred thousand visit-ors crowded within the city, according to the estimates of committees conduct-ing the ceremonies. Half of that num-ber are members of the Knights of Columbus, gathered from near and far, to give tribute to the patron of their order.

The enthusiasm in Washington today, is rivalled only by the inauguration of a president. Imposing unveiling ex-ercises were planned for this afternoon. ercises were planned for this afternoon. President Taft is to speak his praise. In recognition of the allegiance of Columbus to the king of Italy, the Marquis Cusani Confalonieri, the Ital-ian ambassador at Washington, was in-vited to unveil the memorial by re-leasing two huge American flags, whose folds cling to the granite shaft and marble statue of Columbus sur-mounting fountain. A mammoth pageant had been

mounting fountain. A mammoth pageant had been planned to accompany the unveiling ceremonies. Simultaneously with the beginning of the exercises the parade forms in front of the White House, moves along Pennsylvania avenue and passes the union station, before which the memorial is erected.

#### Outline of Ceremonies.

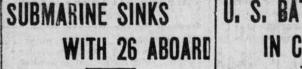

Massed about President Taft on the stands surrounding the memorial are stands surrounding the memorial are to be members of cabinet and congress, justices of the supreme court of the United States, and practically the en-tire diplomatic corps. Monsignor Thomas A. Shahan, rector of the Cath-olic university, has been selected to open the ceremonies with an invoca-tion; Justice Victor J. Dowling, of the supreme court of New York, to deliver the initial oration; reciting the encon-jums of the ages upon America's disthe initial oration; reciting the encon-iums of the ages upon America's dis-coverer and James T. McCleary, of the Columbus Memorial commission, to fol-low with an euology just before the Italian ambassador, with a few words of tribute to his illustrious country-man, reveals the monument to the view of the world.

view of the world. Immediately the pile of granite and marble is uncovered, the plans call for a national salute of 21 guns to Chris-topher Columbus, whose statue with the mien of the dreamer that he was, gazes in the direction of the United States capitol.

States capitol. Wreaths from the president of the United States and the Knights of Co-lumbus were ready to be laid about the stone figure. Following the nations tribute, spoken by President Taft, the programme is to close with the simple apostolic benediction of the Methodist Episcopal church, pronounced by Bish-op E. Thirkield, president of Howard university.

It is planned to have the parade, university. It is planned to have the parade, under command of Gen. R. K. Evans, U. S. A., as grand marshal, pass in re-vlew of President Taft and James A. Flaherty, supreme knight of the Knights of Columbus.

STREET CAR STRIKE

Battleship St. Louis Runs Down **Vendemaire** In **Practice** Maneuvers.

Cherbourg, June 10.—The French sub-marine Vendemaire was sunk today in collision with the Battleship St. Louis The submarine was cut in two. It is feared that the whole crew of 26 were drawned. drowned.

drowned. The accident occured during the prac-tice maneuvers of the French fleet between Aurigny and Cape Hague, in the Race of Alderney, where violent tidal currents prevail. The battleship was steaming along quietly when the Vendemaire appeared right under the bows of the warship. There was no time to avoid a collision and the next momen the stem of the St. Louis struck the submarine with terand the next momen the stem of the St. Louis struck the submarine with ter-rific force, driving the latter below the surface. The engines of the war-ship had been quickly reversed, but when she was brought to a stop the submarine had disappeared and only a threshing of waters showed where the under-the-surface fighter had gone

HOW HAVEMEYER WENT

Heard Reports That John Arbuckle Intended To Go Into

Sugar Business.

New York, June 10.—How Henry O. Havemeyer, who went into the coffee business in 1896 upon hearing reports that John Arbuckle was about to in-vade the sugar industry, was placed upon the record in the government's dissolution suit against the so-called sugar trust by Herman Sielkin, who acted as Mr. Havemeyer's chief lieu-tenant.

acted as Mr. Havemeyer's chief lieu-tenant. "I met Mr. Havemeyer by appoint-ment in November, 1896, and we talked over the situation," the witness said. "He wanted a known brand of cof-fee to fight Arbuckle's Ariosa and we arranged to buy the stock of the Wool-son Spice company, makers of the Lion' coffee, the next most popular brand. Green coffee was selling then at 9 cents a pound and roasted at 16." The witness said he purchased for

at 9 cents a pound and roasted at 16." The witness said he purchased for Mr. Havemeyer all the stock except 60 Shares of the Woolson company at \$1,-050 and \$1,100. The Woolson com-pany was reorganized with Mr. Have-meyer and himself as directors and himself as general manager. Through the American Coffee company they sold their product in the east, for the roasted product and 6 for green coffee and wiping out the profit on roasting which had previously existed. Although the Woolson company had paid dividends of 100 per cent for-merly, he said, it began to lose money in 1898. Until 1908 no dividends were paid. In 1905 Mr. Havemeyer wanted

in 1898. Until 1905 ho dividends were paid. In 1905 Mr. Havemeyer wanted to get out of the Woolson company and the witness purchased the entire stock issues, except 61 shares, at \$500.

## **U. S. BATTLESHIPS** ALUMINUM CASE IN CUBAN WATERS

Missouri and Mississippi Join Fleet Of Cainamera-Skirmishes Reported.

Calmenara, Cuba, June 10—The fourth division of the United States Atlantic fleet is now off the Guantanamo naval station, the battleships Missouri and Mississippi having joined the Ohio and Minnesota during the nght.

#### RIOTING BETWEEN

WHITES AND NEGROES WHITES AND NEGROES Havana, June 10.—Rioting between whites and negroes occurred at Regla, a suburb across the bay from this city, early today, but order was promptly restored by the authorities. Two negroes were wounded. Havana is absolutely quiet. The government states that it has no further news from the province of Oriente.

The rain, which has fallen heavily for three days, is abating, with com-munication with the country still in-terrupted owing to the condition of the roads.

#### FOUR INSURGENTS

KILLED IN SKIRMISH KILLED IN SKIRMISH ment troops encountered the insur-gents at Caridad Del Rosario, near Cobre, today and in a skirmish four negro insurgents were killed. Four soldiers were wounded. The Cuban forces, which have been garrisoning the Firmesa mine, withdrew when the United States marines landed.

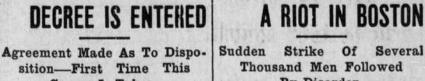

# INTO COFFEE BUSINESS EARTH DISTURBANCES PUZZLE WASHINGTON

Shocks, Some Severe, Have Been Recorded Almost Continuously Since Friday.

Washington, June 10 .- Earth shocks have been recorded by the selsmograph at Georgetown university almost con-tinuously since yesterday morning at 5 o'clock, the vibrations at times being

of extraordinary violence. It is esti-mated that the disturbance is within 2,400 miles of Washington. Following heavy vibrations yesterday morning, the seismograph continued to record lesser shocks throughout the day and

rescinded its decision not to vote for a United States senator. The house cast 25 votes for Albert B. Fall to succeed himself, and two votes for Speaker R. L. Baca. Twenty-two members refused to vote. Those refusing to vote included all the demo-crats, progressive republicans and three regular republicans. The house then invited the senate to join the session and Senator Fall was declared re-elected for the next six-year term, beginning March 4, 1913. Senator Fall addressed the joint session after being notified of his re-election.

Course Is Taken.

Pittsburgh, Pa., June 8 .- For the purbeginning of a strike of several thouspose of destroying the alleged suband employes of the Boston elevated stantial monopoly of the so-called railway at daylight. Those who realuminum trust, an agreed decree was fused to work demanded recognition entered in the United States district by the company of a recently formed court here today against the Aluminum union. The company refused to deal Company of America. Following closewith them other than idividually. The ly the action of the federal government street railway service and the elevated in its civil anti-trust suit filed a few weeks ago, charging the corporation with monopolizing the industry, the decree abrogates alleged unlawful contracts and restrains the defendant company from negotiating similar pacts or pursuing unfair methods towards com-

pursuing unfair methods towards com-petitors. The decree was consented to by the Aluminum Company of America as a result of protracted negotiations with Attorney Gereral Wickersham prior to the filing of the suit. The mandate was drawn and accepted by both the fed-eral government and defendant long before the suit was begun. This is the first time a decree has been agreed on under the Sherman law before court proceedings had been started. **Combination Forbidden.** 

#### Combination Forbidden.

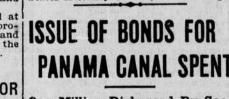

The company is forbidden to partici-pate in any combination or agreement to control the output or prices of alum-inum. It is enjoined from combining by stock ownership or otherwise with other manufacturers for this purpose. The decree places a long list of speci-fied unfair methods to competitors un-

jured.

way.

The decree places a long list of speci-fied unfair methods to competitors un-der the ban of the court. Provisions of alleged agreements to suppress competition between the Aluminum company and the so-called Swiss or Neuhausen company of Eur-ope, the General Chemical company, the Norton company, the Pennsylvania Salt Manufacturing company and Gus-tave A. Kruttschmitt and James C. Coleman, both of Newark, N. J., are abrogated by the decree. Whenever it is shown that substan-tial competition has arisen in the aluminum industry the decree may be modified on the production of evidence that it is working an injustice. Appli-cation for modification however, can-not be made oftener than once in every three years.

The decree was presented to the court by Wm. T. Chantland, special assistant to the attorney general, who devel-oped the government's case and United States Attorney Jordan, of Pittsburgh.

One Million Disbursed By Sec-

#### retary McVeagh Cut Into the General Fund.

Washington, June 8 .- The entire proceeds of Panama canal bonds of 1961, issued less than a year ago, have been spent. Officials of the treasury do not contemplate issuing any more canal

bonds during the present administration.

tion. Secretary MacVeagh yesterday dis-bursed \$1,000,000 for the construction of the ditch. The amount not only ex-hausted the proceeds of the bonds and their premiums, but in addition de-ducted \$550,000 from the general fund of the treasury. The construction of the waterway, like the ordinary expenses of the gov-

Carrying Out Threat To Bring Electricians, Firemen and Engineers Out.

New York, June 7 .- The waiters last hight began to carry out their threat to Several arrests were made at this point. A crowd coming from the direction of strike headquarters encircled several cars on Adams square about 6 o'clock and more violence ensued. Two arrests were made here. One of those taken in custody was charged with assault on a policeman and the other was charged with inciting a riot. bring electricians, firemen and engineers out of the New York hotels on a strike. The first instance of success was scored at the Hotel Netherlands, on the Central Park plaza, late last night when 10 employes of the engine room left their posts and marched in a body to Carnegie hall to join a mass meeting of the strikers. The manage-ment of the hotel admited the walkout and declared the places of the strikers were immediately filled by substitutes. The strike spread for the fast time to the suburban districts last night. Two hundred patrons of a fashionable dog show at Mineola were left dinner-less by the strike of 18 walters and two cooks employed in a hotel there. The management was handicaped by the unusually large number of guests and was obliged to close up the dining room for the night. neers out of the New York hotels on a Subway Car Heid Up. A dozen men rushed down into the Cambridge subway as the first car was about to start and tried to persuade the train hands to join them. They were unsuccessful, but held up the starting of the trains for nearly half an hour. About the same time four of the new semi-convertible viaduct cars were so badly smashed that the traffic between Cambridge and Boston was completely blocked for several hours. The outbreak in Charleston was al-most as severe, while similar occur-rences took place in Everett and Chel-sea.

# rences took place in Everett and Chel-sea. It was announced during the fore-noon that the actual vote in favor of a strike was 1,389 to 8. The strike committee claims that up to the time of calling the strike today 3,200 men had signed union papers and had paid initiation fees. At the same time the company issued a statement that 3,500 employes were still loyal and that every effort would be made to keep the car system in operation. KRANZ HAD CORK LEG; WIFE COST HIM \$2,50 He Got Money Back, Sh Charges In Suit Filed For WIFE COST HIM \$2,500 He Got Money Back, She a Separation. New York, June 7.-In an affidavit before Supreme Court Justice Gerard, Mrs. Mollie Kranz, who is suing for a separation from Isadore Kranz, a lamp manufacturer, said her husband gave her \$2,500 to marry him because he

Guarded By the Police.

tions on all surface, elevated and tun-nel lines today, but the number of cars in operation was noticeably much less than usual. Officials of the company, which con-trols nearly all the electric lines within a radius of five miles, said that 90 per cent of the average number of cars were running, and that 1,000 new men were ready to start work in the places of the strikers. The company also claimed that the cars were being oper-ated practically on schedule time. Fred Fay, international organizer of the Amalgamated Association of Street Railway Employes, and the leader of the strike, said that more than 4,000 employes were on strike, and that only a small fraction of the usual number of cars were in operation. There were fears of trouble during the afternoon when thousands of

There were in operation. There were fears of trouble during the afternoon, when thousands of working people were having their weekly half holiday. Policemen rode on many of the cars, and the streets through which the cars run were well patrolled.

### SENIOR CLASS BOYCOTT BY WESLEYAN CO-EDS

Middletown, Conn., June 10.—Indig-nant at the snubs which they say their sisters have received in the past from the male students, Wesleyan's last class of co-eds has decided not to accept the invitation to sit with the men on class day. They will hold their exercises by themselves themselves.

For 20 years or more the women have been boycotted socially at Wesleyan, as a protest against the continuance of coeducation, and in 1909 the trustees voted to make Wesleyan strictly a men's college, beginning in September, 1912 1912

The men in the present senior class decided to lift the ban a few weeks ago and invited the fair ones to join them in their commencement exercises. It was thought that the young women would accept, and their refusal was the chief topic of conversation about the college today.

### MILWAUKEE LINE RATE ADVANCE IS SUSPENDED

Washington, D. C., June 8.—An ad-vance in class freight rates by the Chicago, Milwaukee & St. Paul rail-way in the states of North Dakota, South Dakota and Iowa, ranging from ½ cent to 19 cents per 100 pounds, was suspended yesterday by the In-terstate Commerce commission until October 8 next. Protests received from shippers induced the commission to order an investigation of the proposed increases. increases.

### FIFTH BOMB IS TOUCHED **OFF IN SAN FRANCISCO**

San Francisco, Cal., June 7.-The fifth explosion in a series that began last Friday night was touched off last night in a garden at the rear of the house occupied by Tom Corbett, a brother of James J. Corbett, the pugilist and actor.

Corbett was out at the time, but his blind niece and a woman friend were in the house. There appears to have been no attempt to damage the house, but to frighten or warn its tenants.

her \$2,500 to marry him because he had a cork leg, and that shortly after the marriage he induced her to sign an order permitting him to withdraw the money from a savings bank by telling her that she was only signing a con-sent to release a mortgage. Mrs. Kranz has also brought suit in the city court for the money, and has obtained an attachment against it. In reply, Kranz said his leg was cut off in a street railway accident, and he got \$10,000 from the railroad company. He said that the plaintiff knew of this, and only married him to get all of the money she could. He said they lived happily until his wife caused trouble because he wouldn't give her money to hand over to her father. The court awarded Mrs. Kranz \$9 a week alimony.

**Resolutions Ask Legislation** Creating a New Department Of Banking.

Cedar Rapids, Ia., June 7 .--- The state bankers' convention today indorsed the program of the National Citizens' alliance for a revision of the currency system. The resolutions ask the separation of the banking from the department of the auditor or state and the creation of a new department, and urge creation of a new department, and urge the general assembly to permit banks to loan money on property in adjoining states. A committee of five was ap-pointed to co-operate with the author-itles and schools in the encouragement of agriculture. Hon, Adam Bede, of Minnesota, was the principal speaker this morning. He won applause by his plea for greater co-operation between bankers and ag-ricultural districts, as did Joseph Chap-man. of Minneapolis, who urged a more

ricultural districts, as did Joseph Chap-man, of Minneapolis, who urged a more practical education for boys and girls. Des Moines won the next meeting of the State Bankers' association. Charles Shade, of Rock Rapids, was elected president; F. B. Yetter, of Dav-enport, vice president, and C. R. Han-nan, of Council Bluffs, treasurer.

# SHOOTS FATHERINLAW THEN KILLS HIMSELF

Leonard, Mo., June 6.—Enraged at the failure of his prosecution of Charles Upton, his fatherinlaw, who wounded him in self defense May 1. Thomas Ralls went to Upton's home this morn-ing, shot him through the right lung, wounded Mrs. Upton and later killed himself when about to be captured. Upton is believed to have been fa-tally hurt. He resisted Rall's attempt to obtain possession of Rall's child from his home and shot him. Today's shooting followed Upton's acquittal.
