STILL SCRAPPING IN CHICAGO

Big Fight of the Convention Before Committee on Credentials

If Roosevelt's Opponents, Who Control Committee and Convention, Seat Anti-Roosevelt Delegates Roosevelt Followers Will Bolt.

The Frontier received a special message a 11 o'clock today, Friday, which stated that the credentials committee would not be ready to report before Saturday morning and possibly not until Saturday night and that the convention would peobably be in session until next Wednesday.

The committee seated the two Taft delegates from California and will probably follow in the footsteps of the national committee and seat all the anti-Roosevelt contesting delegates.

Governor Hadley of Missouri and Hughes of New York are being groomed as dark horses and either one of them is liable to be the nominee.

The Convention was in session only a few moments Thursday. The great fight of the convention is being made before the committee on credentials. This committee is controlled by the opponents of Roosevelt and his followers are insisting that the convention purge itself of the delegates that they allege were stolen from Roosevelt in the states of California, Washington and Texas. If these Roosevelt delegates are not given seats in the convention the Roosevelt delegates say they will bolt and nominate Roosevelt at another convention.

Chicago, June 20.—Conflicting reports came from the Roosevelt headquarters today that Colonel Roosevelt had released his delegates from all obligations to vote for him. At 11:50 a. m. the colonel issued a statement which was variously interpreted. It said:

"The time has come when I feel that I must make certain statements, not only to the honestly elected members of the republican national convention, but to the rank and file of the republican party and the honest people of the entire nation, I went into this fight for certain great principles. At the moment I can only serve these principles by continuing to bear the personal responsibility which their advocacy has brought me."

Colonel Roosevelt and Senator Dixon conferred after the morning adjournment of the convention and when they concluded their discussion Mr. Roosevelt was rushed through the crowd at the Congress hotel to his luncheon room and Senator Dixon announced a conclusion had been reached not to recognize a convention that was made up of members that had been seated through the action of the national committee.

Former Gov. Regis H. Post, of Porto Rico, earlier had announced that Colonel Roosevelt had released his delegates but would remain in the race, and this statement was accepted by a number of the Roosevelt leaders.

The colonel's own statement was so interpreted. O. K. Davis, of the Roosevelt headquarters, however, said he was authorized by the colonel to

say the statement as to the release of delegates was absolutely false.

A further conference of the Roosevelt forces was scheduled for 2 p. m. today.

Will Not Change Tactics.
 After being in conference with Colonel Roosevelt for 30 minutes Governor Hadley, the Roosevelt floor leader, said:

"I will continue in the fight on the same lines as I have been following in the convention." When asked about a report of a disagreement between himself and Colonel Roosevelt, he denied there was any foundation for it.

Colonel Roosevelt did not wish to hamper any man by asking him to join in a bolt when bound by instructions to Roosevelt. No great movement can succeed if its followers are under any restraint.

"Will the Roosevelt delegates leave the hall?"

"That's not yet been decided. The question of whether we shall endeavor to hold a convention in the hall or leave the building and hold our convention separately, will be taken up at this afternoon's meeting."

Chicago, June 20.—After bolting from the credentials committee under the orders of Col. Roosevelt and being called back by Roosevelt managers to the committee, all of the Roosevelt members of the credentials committee except R. R. McCormick of Chicago, left again at 11:45 o'clock last night, declaring they were "out for good."

The cause of the bolt was the refusal of the committee to give a full hearing on all contested cases. After the Roosevelt men had left, the committee took up the cases, but had not proceeded far when a motion to adjourn until 9 o'clock this morning was proposed and carried.

After the bolt of the Roosevelt members of the credentials committee, Roosevelt delegates poured into the Florentine room of the Congress hotel where the bolting contingent assembled.

Speeches were made by delegate Carrington of Maryland advising a "bolt," but delegate King of Nebraska made a speech urging the bolters to return to the committee room and make a minority report to the convention today.

Then Col. Roosevelt appeared and began to speak, declaring for independent action by those supporting his candidacy.

Chicago, June 20.—With the split between the Taft and Roosevelt forces in the republican national convention having at last reached the point where a definite threat to bolt had been made, many of the panic-stricken delegates in the city turned desperately today to the task of stirring up sentiment for a compromise candidate.

Judge Hughes of the supreme court and Gov. Hadley of Missouri were the names under recommendation.

Practically all of the talk of a compromise candidate comes from the Roosevelt followers. There was evidence early today of a nearly complete disintegration of the Roosevelt forces. They appeared to be fighting desperately. The colonel's quarters were besieged by a mass of his followers and delegates seeking advice. The conferences of last night had convinced the Roosevelt leaders that comparatively few of their delegates would desert the republican party.

"It looks as though the bottom had dropped out," declared a member of the Roosevelt council today.

The Emmet ball team won both of their games played upon their home ground last week. Saturday they defeated the Meadow Grove team and on Sunday hung the flag of defeat upon the Ewing team. Several O'Neill base ball lovers attended the Sunday game and say that they witnessed a good exhibition of the national pastime, but that the Emmet boys had the Ewing aggregation outclassed.
