Lincoln. Neb., Oct. 14.—The Lincoln Telephone & Telegraph company, which brought out the Bell interests in the South Platte, has filed with the state railway commission permission to change rates at Havelock and in York and adjacent territory. Where the Bell rates were higher the company asks permission to cancel its old rates and adopt the Bell rates. Where the contrary condition prevails they ask that the Bell rates be cancelled.

As soon as the consolidation of ex-changes in Lincoin is effected an in-crease of rates will be asked here. It is expected that these applications will open up a warm contest between the patrons and the company, but the of-ficials of the latter say that an increase is necessary in order to provide suf-ficient income for dividends and depreciation.
