

LOCAL MATTERS.

Remember the "Lady of the Lake" at the opera house next Tuesday night.

William Bokhoff of Atkinson was in the city Monday attending the progressive meeting.

Miss Martha Hanley left for Omaha last Sunday morning, where she will spend a few weeks visiting her brother, J. H.

Spencer Advocate: Sanford Parker and wife, Gene Sullivan and sister drove over from O'Neill Tuesday in Mr. Parkers car for a short visit.

The "Lady of the Lake at the opera house next Tuesday night. This play is being put on by a Holt county company and they are deserving the patronage of O'Neill people.

Mrs. P. J. Hanley of Portland, Oregon, who has been visiting at the home of Mr. Hanley's parents, Mr. and Mrs. Dennis Hanley, left for her western home last Sunday morning.

Col. James Moore was in Long Pine last Monday crying a large cattle sale for Culbertson, Engliston & Co. They sold 1,000 head of cattle and Mr. Moore says the cattle brought good prices.

A. C. McCauley of Atkinson, one of the most earnest and enthusiastic progressives in the county, was in the city last Monday on business and took in the progressive meeting at the K. C. hall that evening.

Mrs. J. J. Harrington and daughter, Miss Helen, left for Fairbury, Neb., last Saturday morning to be present at the marriage of her brother, Charles Daily which was solemnized in that city last Tuesday.

Miss Ruth Evans is planning to give a series of musicals this winter. The first was given at her home Thursday afternoon. Assisting the class were Miss Donohoe, Miss Snyder and Mrs. Ralph Evans who sang vocal selections.

Jerry Cronin, who lives four miles northeast of this city, has commenced picking his corn and says that the crop is averaging nearly 60 bushels per acre. Most of his corn is good quality and he is of the opinion that a good many Holt county fields will exceed 60 bushels per acre.

Lieutenant Becker, the New York police lieutenant who was tried for ordering the death of a gambler in that city who threatened to connect him with police grafting, was convicted and has been sentenced to die in the electric chair the week of December 9th. Three or four of his alleged accomplices are yet to be tried for participation in the crime.

J. M. Hunter was in from Middle Branch Tuesday in the interest of his candidacy for the office of state

senator from this senatorial district. Joe has many friends in this city who are loyally lending him their support in his candidacy for this position and they believe that when the vote is counted on November 5th that he will have a majority of the people of this district behind him in his candidacy.

Charles M. Daly, one of our hustling young real estate dealers, was united in marriage at Fairbury, Neb., on Wednesday morning, October 30, 1912, to Miss Cecilia M. Brenn. They will be at home to their friends in the commodious residence recently purchased by the groom in the eastern part of the city after December 15th. The Frontier tenders Charles and his estimable bride its best wishes for a long and happy journey upon the matrimonial seas.

S. F. Wysocki, who purchased the J. P. Mann store a year ago, has decided to quit business in this city and is holding a closing out sale. This is a genuine sale as Mr. Wysocki wants to get his stock converted into money by January 1st. Mr. Wysocki says that he was well pleased with O'Neill as a home and a place of business but that he wants to get into a larger town where he could handle a larger stock, and that this was the reason he decided to close out his store here.

Last Monday we attended a cattle sale at Hugh O'Neill's ranch on the Niobrara river north of this city some thirty-five miles. The sale was quite largely attended by buyers and political candidates. As the cattle were not bringing the price that Mr. O'Neill thought they should the price was called off after about thirty-five head had been sold. We noticed some splendid corn fields between here and the river and think there is no question but what Holt county will harvest the largest corn crop in her history this fall.

The Naper News: Joe Hunter, republican candidate for the state senate from northwestern Holt county and Steve Richardson of Butte were interviewing West end voters this afternoon. Mr. Hunter has the appearance of a good level headed business man who will make good in the senate. He is an old time resident of Holt county and has served one term in the legislature where he was always alive to the peoples interests. A vote for Hunter will be well placed.

Good Improved Holt County Farms for Sale.

480 acres, two miles from O'Neill, good improvements. This land will be sold reasonable with easy payments. 19-1f

These Flours have been sold in O'Neill for 27 years by J. P. Mann.

AT THE OLD J. P. MANN STAND

INTERURBAN WILL BE BUILT

President of the Company Says the Money has Been Secured and Work will Soon Commence.

Omaha Bee: "Actual construction work on a system of interurban railway lines connecting Omaha with Norfolk and Sioux City is to be started next spring to get passenger and freight electric trolley cars in operation within two years."

This announcement has been made by O. W. Baker, president of the Baker Construction company, promoting company for the Nebraska Transportation company and a number of eastern financiers who are back of the project.

According to Mr. Baker, the bonds have all been sold and the company is now ready to begin the actual construction, but owing to delay in negotiations for passenger terminals and sights for storage and power houses in Omaha which are to be cleared away this winter construction will not begin on the system radiating from Omaha until spring.

A subsidiary company, the Niobrara Sioux City Railway and Power company is now building its lines connecting Sioux City, Hartington, Bloomfield, Center and Niobrara, a distance of 184 miles.

The system of the main lines of the Nebraska Transportation company comprises 284 miles, the rights-of-way of which have been completed by the surveyors.

The main line will run from Omaha through Bennington, Elk City, Fremont Howell and Stanton to Norfolk. Branch lines will radiate from Howells to Clarkson, Leigh and Madison. The other main line extends through Arlington, Talabasta, Craig, Bertha Junction, Walthill, Winnebago, Homer, Dakota City and South Sioux City to Sioux City.

The Niobrara-Sioux City road will be operated by power house made electricity, Sioux City business men, according to C. W. Baker, have agreed to pay \$50,000 as a bonus for the enterprise. The Omaha project he says is backed by three Omaha business men whose names he will not make public, and the Nebraska Transportation company. The project is furthered by bonds and no stock is to be sold. The enterprise is backed with \$16,000,000 Mr. Baker says that the assets of the Nebraska Transportation company coupled with outside capitalists.

Mr. Baker says he will ask the Omaha Commercial club for assistance in securing passenger terminals and ware-house sites.

"The towns which these lines touch have greatly assisted us," says Mr. Baker, "but thus far we have been unable to get much encouragement in Omaha. The lines are going through though, for we have the money to put them through. The only troubles we have now are small matters such as terminal facilities."

The above is the interurban road that the promoters figure upon running from Verdigris to O'Neill and then south to Chambers. Residents of eastern and southern Holt hope to see the road built.

The Live Stock Market

South Omaha, Neb. Oct. 29th, 1912. The "Standard" Live Stock Commission Co.

Cattle receipts for this month, to date, show an increase of over 5,000 above the same period of last year; although we are still 140,000 short for the year. The heavy run the fore part of this week is taking about a dime off from killers with the feeder trade very slow and lower on all except the most desirable grades.

We quote:—

Choice beef.....\$8.00@10.00
Common Beef down to..... 5.75
Choice Cornfed cows..... 5.40@6.40
Good butcher grades..... 4.25@5.30
Canners and cutters..... 3.00@4.20
Veal calves..... 4.00@5.75
Bulls, stags etc..... 4.25@5.40
Good to choice feeders..... 6.00@8.75
Common grades down to... 4.50
Stock helters..... 4.00@4.25
Good to choice range heaves 7.25@9.25
Common to good range heaves 6.00@7.00
Our hog market has certainly been dealt a "solar-plexus" during the last few days and taken a slump of 60 to 70c with the prospects still weak. Receipts at this point for the month thus far, are about 20,000 over last year. Bulk \$7.70 to \$7.90 top \$8.00.
Our sheep receipts bid fair to equal those of last season being only 56,000 behind, up to this date, with the run very heavy this week and market about a quarter lower.

Shoemaker-Matthews.

Married, at the Catholic church in this city last Wednesday morning October 30, 1912, Fred H. Shoemaker of Witten, S. D., and Miss Rose Matthews of this city, Rev. M. F. Cassidy officiating.

The groom is the son of J. F. Shoemaker, living south of this city and was raised in this vicinity where he resided until a few years ago when he moved to South Dakota, where he won a farm in the land drawing. He is now one of South Dakota's most prosperous farmers and stockmen.

The bride is the daughter of Mrs. James Matthews, living north of this city, and was also raised in the vicinity of O'Neill. She is a charming young lady who possesses friends by the score and they all join in extending them best wishes for a long and happy journey upon the matrimonial seas.

Ford! Ford! Ford! Automobiles.

A carload of 1913 model will arrive in O'Neill in a few days, shipped direct from the factory, come in and see them. Price, \$500 to \$600, plus the freight.

The greatest car for the least money. 19-2

Do You Want a Hay Baler?

I keep in stock all the time the Caution self-feed hay baler. No delay. I also have on hand one second hand Caution press almost as good as new at half price. adv 20-2
Frank Campbell.

The work of installing the transfer switch, to connect the Burlington and Northwestern railroads, was commenced last Tuesday morning. This switch was ordered by the state railway commission after a hearing upon the merits of the case held in this city last month. When this is completed cars will be transferred from the Burlington to the Northwestern road here and merchandise intended for western points that come into this city over the Burlington will not have to be transferred to the other roads here. Parties interested say that it will be a vast benefit to the people

living upon the Northwestern road west of here.

One of the best foot ball games ever seen on the O'Neill gridiron was played here last Friday between Gates Academy and the O'Neill High School. It ended in a tie, neither side being able to score. The Gates men, although much heavier than the O'Neill boys, were clearly out played throughout the whole game and at no time had any chance to score. Our boys played good steady foot-ball and twice in the third and fourth quarters had the ball on Gates' five yard line but fumbling and poor headwork were responsible for not scoring. Another game will be played between the two teams at Neilgh on the 15th and a good game is looked for.

M. F. Harrington addressed a crowded house at the K. O. hall last Monday evening upon the political issues of the day from a progressive standpoint. M. F. is always assured of a crowded house in his home city, showing that the old adage, that a man is without honor in his own country, does not apply to Mr. Harrington in his home town, for there is no speaker that the people of O'Neill love to hear address them as their own M. F. Many democrats, who were present think Mr. Harrington was especially hard upon their presidential candidate, but after listening to him they are willing to admit that he is able and capable of giving them reasons for the faith that is in him in the support of his presidential candidate, Theodore Roosevelt. Mr. Allen, the progressive candidate for state senator delivered a short address, prior to the remarks of Mr. Harrington, which were fairly well received. The enthusiasm manifested at the meeting must have been convincing to the followers of the old parties that there is considerable new party sentiment in this county, that will make itself felt at the polls on election day.

A Man With a RECORD for DOING THINGS
CONGRESSMAN GEO. W. NORRIS
Progressive-Republican Nominee for United States Senator

Congressman Norris is a National Leader in the movement for a better and cleaner government, and his ten years of experience in Congress will make him a power for good in the United States Senate.

Some of the Great Battles in Which He has been a Leader
The overthrow of Cannonism.
Against Machine Rule and for Representative Government.
Against the Standard Oil Interests, resulting in the placing of crude oil and its products on the Free List.
For a fair investigation and against a "white-wash" of the Ballinger-Pinchot controversy.
For an honest revision of the Tariff downward.
Against the Canadian Trade Agreement (so-called Canadian Reciprocity).
His single-handed and masterly exposition of the gigantic International Coffee Trust has attracted the attention of the entire world.

Some of the Important Movements He is Now Leading
For a Presidential Primary.
Against Machine Control and Boss Rule.
For Publicity of Committee Hearings.
Against the "Secret Caucus" method of controlling legislation.
To take the entire Postal Service out of politics and place it in the Classified Service, that the people may have the best possible service for the least expense and a business Postal Service instead of a huge political machine.

Congressman Norris has long been identified with the movement for a return to direct government by the people, and strongly favors such measures as the Initiative and Referendum, Publicity of Campaign Contributions, Direct Election of United States Senators, etc.

Not only Nebraska—the Nation needs Congressman Norris in the United States Senate.
