J. P. Gallagher

Hammond-Grady.

A very pretty wedding was solemnized at the Catholic church last Wednesday morning when Rev. M. F. Cassidy pronounced the words that united for life Herbert J. Hammond and Miss Charlotte E. Grady, in the presence of a large crowd of the relatives and friends of the contracting parties.

After the ceremony the bridal couple repaired to the home of the brides mother where a splendid wedding breakfast was served and thereafter the young people took the Northwestern train for Omaha where they will spend a week visiting relatives and friends.

The groom is the eldest son of Mr. and Mrs. A. J. Hammond and is one of O'Neill's most popular young men, and an aggressive and prosperous business man. He has been engaged in the abstract business with his father for the past ten years and has shown exceptional ability in his chosen line of work. His popularity in the city is attested by the fact that he is at present serving his third consecutive term as city clerk of O'Neill.

The bride is a daughter of Mrs. Mary Grady and was born and raised in the vicinity of this city. She is a sweet and charming little lady who has been one of the most popular in O'Neill's youngest society circles. She possesses a sweet and amiable disposition and will prove a loving and helpful companion to the man she has chosen to accompany through life. Upon their return from their bridal trip they will go to housekeeping in the Anna Mullen residence in the western part of the city. The happy young people start out in life together under the most favorable auspices and with the best wishes of a host of friends in this city for a long and happy journey together, in which The Frontier most heartily joins.

Gallagher-McCafferty.

Married, at the Catholic church in this city last Tuesday morning at 7 o'clock, Robert E. Gallagher to Miss Bea Helen McCafferty, Rev. M. F. Cassidy officiating.

At the conclusion of the ceremony the bridal party and invited guests went to the home of the bride's parents, where a wedding breakfast was served. Shortly thereafter the bridal couple left in an auto for Inman where they were to take the morning train for an extended wedding trip in Colorado. An auto load of friends followed them and seen that they were properly "showered" when they boarded the train at Inman.

The bride is the daughter of Mr. and Mrs. John J. McCafferty and a native of this city. She is a young lady of many graces of mind and person, who is capable of filling the home she will adorn with happiness. The groom is one of Holt county's rising young men and is at present holding the honorable and important position of deputy county treasurer of this county. He has been a resident of this county for years, his parents being pioneer settlers in Verdigris township, near Page. He is a young man of sterling integrity and high ideals who has a host of friends throughout the county.

The congratulations on the happy event are numerous and The Frontier is greatly pleased on this occasion to add its hearty good wishes to those being so freely extended to Mr. and Mrs. Gallagher.

High Price for Cream.

The price of cream is advancing right along. The McGinnis Creamery Co. are paying now for cream delivered at their plant in O'Neill 31c per pound butter fat. This should certainly be a great inducement to every farmer to milk every cow possible and feed well on the kind of feeds that make milk, such as alfalfa hay, oats, bran, oats straw, silage, oil meal, etc.

The Show You are Waiting For.

The Live Stock Market

South Omaha, Neb. Nov. 19th 1912. The "Standard" Live Stock Commission Co.

Cattle receipts this week are showing a decided increase over that of last week with the result that values have been sheared 10 to 15c on many classes of killers. Desirable grades however, can be quoted about steady. There still remains a good inquiry for stockers and feeders at steady prices.

We quote:—
Choice beef \$8.25@10.00
Common beef down to 6.00
Choice Cornfed cows 5.90@7.00
Good butcher grades 4.50@5.50
Canners and cutters 3.25@4.40
Veal calves 5.00@6.00
Bulls, stags etc. 4.00@6.00
Good to choice feeders 6.40@7.60
Common grades down to ... 5.00
Stock heifers 4.50@6.00
Good to choice range beefs 7.50@8.25
Common to good range beefs 6.25@7.40
Hog receipts are becoming quite liberal compared with a few weeks past and also heavier than at this season last year and we have suffered quite a sharp decline. We are still on a level with Chicago. Bulk \$7.65 to \$7.75, top \$7.80.
Receipts of sheep and lambs are fair

for this season of the year and killers are steady to strong. There is a small proportion of feeders on sale.

Richard M. Strickland and Miss Mary McManus were united in marriage at the Presbyterian church last Saturday evening in the presence of a few of the intimate friends of the contracting parties. The groom is one of O'Neill's most industrious carpenters who, by his gentlemanly demeanor and the skill he displays in his chosen line of work, has made many friends in this city during the two years in which he has made this city his home. The bride is a daughter of Mr. and Mrs. O. E. McManus, who live northeast of this city, and is a young lady of many charms of person and character. The Frontier joins the many friends of this young couple in wishing them long life and happiness.

The "Rogues", a local organization which has for its object one good duck hunt each year to be participated in all by its members, made their annual pilgrimage to the lakes in the southwest part of the county the forepart of last week. They returned home last Friday night thoroughly disgusted with duck hunting as the pesky ducks refused to come in sufficient numbers to afford them their usual amount of sport, and as a result they came home with less than a dozen, whereas they were wont to come back in other days with about 100 mallards, redheads and canvass backs. As most of the members of the organization are democrats they refuse to believe that the great shortage in the feathery tribe is due to the election of a democratic president.

Petition

To the Honorable Board of Supervisors of Holt County, Nebraska.

Your petitioner, Clarence D. Bailey, respectfully states that he is the owner of the northwest quarter of section 33, in township 30, north, of range 16 west of the 6th P. M., in Holt county, Nebraska. Through clerical error this land was erroneously taxed for the year 1888, 1889, 1890, 1891, said taxes being Government land at that time and said land was sold at tax sale and a tax deed was issued and some years after it was discovered that said land was erroneously taxed and sold at tax sale and the erroneous tax deed was issued and the county redeemed said land from said erroneous tax and the holder of said erroneous tax title through clerical error made a Quit Claim Deed to the County of Holt instead of the then owner of the land, the said Quit Claim Deed contained the following recital:

This conveyance released the County of Holt from all liability on tax sale made on this land for year 1888 and subsequent taxes paid in 1889, 1890 and 1891, said taxes being unlawfully levied while said premises were Government land.

Your petitioner respectfully pray that your honorable body make an order instructing the chairman of the board of supervisors and the county clerk to execute a Quit Claim Deed from the County of Holt to your petitioner for the above described land for the purpose of making the record title more clear. Your petitioner presents herewith a Quit Claim Deed ready for execution.

Yours very respectfully,
Clarence D. Bailey,
By A. J. Hammond, Agent.

On motion prayer of petition was granted.
