To Suit All Pockets BOUGHT FROM

JOHN W. HIBER, O'Neill, Nebr.
Jeweler and Optician—at Pixley's Drug Store

LOCAL MATTERS.

J. B. Ryan went to Sioux city on business last Saturday.

A. F. Mullen was up from Omaha the first of the week, looking after legal business.

M. C. Hazen, a Norfolk attorney, was in the city last Monday on legal business before the district court.

Judge R. E. Evans, of Dakota City, was in the city last Monday looking after legal matters before the district court.

Lloyd Jarman of Neligh and Miss Mae Sloan of Ewing were granted license to wed by the county judge last Monday.

Mr. and Mrs. S. F. McNichols returned last Friday evening from their bridal trip in the eastern part of the state and in Iowa.

Earl Feezer of Inez and Miss Margaret Abbott of Chambers were granted a marriage license by County Judge Carlon last Tuesday.

Glenn Smith and Miss Josephine Lienhart, both of Chambers, were granted permission to wed by County Judge Carlon last Tuesday.

Mr. and Mrs. Martin Maloney of Sioux City returned to their home Sunday after a weeks visit with the former's sister, Mrs. John Hickey.

County Clerk McNichols was back on his job at the court house again last Monday and had a box of cigars on tap for the "boys" who frequented that office.

Ten head of Angus yearling steers sold in the open market at Chicago last week at \$12 per hundred pounds, the highest price ever paid for cattle on the open market. Will they be that high during the last year of Wilson's administration?

A new steel ceiling has been placed upon the Pixley drug store, the woodwork, shelves and other fixtures re-varnished and the store now presents a very attractive appearance. The repairing was made necessary on account of the fire last May, which done several hundred dollars worth of damage to the interior of the building.

Luther McCarthy of Springfield, Mo., defeated Jim Flynn of Pueblo, Colo., in the elimination contest to decide who is the heavy weight pug of the country. The battle was staged in California last Tuesday night, McCarthy being awarded the decision in the sixteenth round. Mike Mc-

Carthy's friends say that the outcome of the local post office scrap will be like the Flynn-McCarthy fight, everything in Mike's favor and that the other candidates will be eliminated from the contest long before the end of the scrap.

The county board are in session this week looking after numerous matters coming before their attention. At this meeting bonds of the officers elected last fall will be approved and several road matters are before the board for settlement. The members are of the opinion that the session will last the greater part of the week.

The rural mail route, running southeast of O'Neill, and petitioned for by Samuel Wolfe and others, has been allowed by the post office department. The service upon the route for a time, until they secure additional patrons, will be thrice a week. As soon as additional patrons can be secured the route will be served daily.

"Montana" Jack Sullivan of this city has been signed for a ten round go with Young McCarthy of Ravenna, Neb., on next Tuesday at Grand Island, Neb. McCarthy is a husky and promising scrapper and is capable of giving a good account of himself in the ring with any man in the middle weight class. Several local sports are figuring on going to Grand Island to witness the bout.

Joe Daly, of Lincoln, son of William Daly formerly of this city, is a candidate for the appointment as superintendent of the state reform school at Kearney and petitions in favor of his candidacy were circulated in this city and quite liberally signed by the leaders among the local democrats. The appointment will be made by Governor-elect Morehead shortly after his inauguration in January.

Mayor Biglin, Councilmen Hilliard and Cronin were in Norfolk last Saturday getting some figures upon the cost of pumping the water for the city. The electric light company has made a proposition to the city to pump the water until May 1, at so much per kilowatt and the council, desiring to be informed as to the charge made for like service in other towns, members of the council made the trip to Norfolk.

George W. Peterson of Middle Branch, age 20 years, and Miss Carrie C. Peterson of Herman, Neb., aged 26 years, were united in marriage at the County Court room last Tuesday after-

noon by County Judge Carlon. As the young man was under age his father accompanied him and gave his consent to the wedding. Although both parties have the same name and the parents of both were born in Denmark, there is no blood relationship.

The ladies of the Presbyterian church will hold their annual Christmas sale on Saturday, December 14, in the New Golden Hotel. They will have for sale beautifully dressed dolls, silk bags, boudoir caps, fancy and work aprons and other articles suitable for Christmas gifts. They will also have a table of good things to eat; Bread, cakes, pies and most delicious home made candy. The sale will open Saturday, December 14, at 2 P. M.

The Nebraska Insurgent Woodmen won their case in the district court at Hastings last week. Two Judges sat in the trial of the case and they issued an injunction preventing the head officers from enforcing the rates levied at the last head camp. The injunction holds until March 1, 1914. As the next head camp meets in 1914 the chances are that the membership in this state will not be further bothered with an attempt to increase their rates until the meeting of the next head camp.

There has been considerable talk among local democrats during the past week or ten days as to who would be able to land the postoffice plum under the new administration. M. H. McCarthy, who has for years been one of the wheel horses of the party and always supported the nominees of the party, is an active candidate for the appointment as is also George A. Miles of the Independent. We understand that D. A. Doyle, who served the people of this city as postmaster under the last Cleveland administration and who was the chairman of the Holt county delegation to the last democratic state convention, will also enter the race as a candidate. Besides the above three we have heard the names of half a dozen others mentioned, some of whom are liable to get into the race before the entries close. The term of the present incumbent does not expire until December, 1915, and if the administration allows appointees to serve their full term local democrats will have quite a while to wait before they will be able to get up to the pie counter.
