Honorable Board of Supervisors: Holt County, Nebraska.

I am informed by one of the residents of Paddock Township that Mr. Clarence Simonson has moved the fence on the west side of the northwest quarter of section thirty-five in township thirty-one, north of range eleven, west of the sixth principal meridian some six or eight feet into the public road on the section line between section thirty-four and thirty-five in said township and range. That he has also fixed a plow for an anchor to one of his corner posts some six or eight feet into the road and in the wagon track usually traveled by the public on said road between section twenty-six and thirty five and has attached a wire from said plow to the corner post of his fence at the northwest corner of section thirty-five. That this plow and the wire attached therefrom to the corner post is dangerous to public travel and your body should make an order to the road overseers of the district in which this public road is located requiring him immediately to remove said obstruction and to require Mr. Simonson to place his fence on the line on the east side of section road where said fence has been for some years.

Very Respectfully,
E H Whelan, Co. Attorney.

P. S. I am informed that there are other obstructions on the public road on the west side of sec 35, aforesaid, all of which, including the foregoing, should be removed by the road overseer.

Resolution.

Whereas, it appears from the records in the county clerk's office that on January 24, 1890, Barrett Scott, as Treasurer of Holt county, Nebraska, executed a tax deed of the northeast quarter of the southeast quarter of section 21, township 31, north of range 11, west of the sixth principal meridian to the farmer's Loan & Trust Co., and that on March 6, 1890, the said Farmer's Loan & Trust Company duly quit claimed said real estate to Holt county the first of said deeds being recorded in book X page 29, and the second in book Y, page 474, of the deed records of said County.

And whereas, it further appears that the taxes for which said land was sold were levied against the same for the years 1886, 1887 and 1888, while said 40-acre tract was still government land, and that said taxes were therefore erroneously levied and uncollectable.

And whereas Holt county has never claimed any interest in or right to said 40-acre tract, now, therefore, be it resolved by the board of County supervisors of Holt county, Nebraska, that a quit claim deed of said real estate be, and the same hereby is given to William J. Welsh, the present owner of said 40 acres. And that the County of Holt hereby releases and relinquishes any and all interest in and to said 40-acre tract.

Be it further resolved that the chairman of this board and the county clerk be, and they hereby are, authorized and directed to execute and deliver to the said William J. Welsh in the name of Holt county, a good and sufficient quit claim deed in due form of said real estate.
