IT IS EASY NOW TO OWN A FARM

Here is an opportunity for the farm renter, the farm hand, and others to take advantage of Uncle Sam's generosity and become a farm owner.

THE NEW HOMESTEAD LAW gives you title to a Government irrigated or a Mondell 320 acre free homestead in three years and allows five months absence each year; thus a residence of 21 months now makes title as against 60 months under the old law.

PERSONALLY CONDUCTED Homeseekers' Excursions first and third Tuesdays. I will be glad to take a personal interest in helping you. Write today for maps and illustrated folders.

Ireland was known as the Emerald Isle long before Sir Horace Plunkett was born, so perhaps it's not quite true to say that he has made two blades of grass to grow there, where one grew before. But he has done his best to promote the planting of two acres of potatoes where one was planted before his time—to encourage the doubling of flocks and herds—and best of all, to make these enterprises profitable to the Irish farmer, by enabling him to own his own bit of land and to find a ready market through cooperation. Sir Horace gave his view on cooperation for farmers in an article which appears in the February 6th issue of the Youth's Companion.
