

GO AHEAD of the RAILROAD

Public announcement has been made of the early completion of the Burlington's new main line through the BIG HORN BASIN that will give a direct outlet for the splendid farm products grown in that new farming country.

GOVERNMENT IRRIGATED HOMESTEADS

Here you can file upon an 80 acre Government irrigated homestead at actual cost for the water right, no profit to anyone, no taxes the first three years, and have twelve years without interest in which to repay the Government for the actual cost of the water right. The fact that the Government has made the payments very light the first five years, giving an opportunity to improve your farm and get it under cultivation before having to meet further payments, is important to the man desiring to establish himself upon a farm home.

LOCATION NEAR RAILROAD TOWNS

You can locate now within from three or four miles of Powell, nearby 400 farmers who are already making a success. If you do not get a home there it is your fault. Write quickly for maps and full particulars.

How Is Your Boiler?

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by all dealers. Adv.

Don't You Believe It?

Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Save cured others why not you? Give them a trial. They cost only a quarter. For sale by all dealers.—Adv.

Up Against a Dead Wall.

The militant spelling reformer was trying to do something to the word "strength."

"There are seven consonants to one vowel in that word of only one syllable," he said after half an hour's cogitation, "but, darn it, you've got to use every one of them or you don't pronounce it right! I'll have to let the blamed thing stand as it is."

Then somebody suggested that he might shorten "incomprehensibility," and when last heard from he was engaged in a life and death struggle with that word.—Chicago Tribune.

An Interpretation.

"That 'E Pluribus Unum' is a great motto," said Mr. Dustin Stax. "I think I'll apply it to the big business I built up in Wall street."

"I don't see how you can do so."
"Why, they told me it means 'won out of many.'"—Washington Star.
