### PITCHES NO HIT GAME.

Corey, the Emmet Pitcher, Shuts Dorsey Out Without a Hit.

Those who attended the ball game on the local diamond last Sunday afternoon between Emmet and Dorsey witnessed one of the best games played in this county for several

seasons and had the pleasure of seeing a no hit, no run, no man to first game, which is an unusual thing and the pitching of a game of this kind places the pitcher who pitches it in the base ball hall of fame. In addition to pitching a no hit game, Corey of Emmet, who turned the trick last Sunday, fanned twenty of the Dorsey boys, which is also some record. They could do

absolutely nothing with the brand of ball he was pitching, being as helpless as two year old kids. Many of the Dorsey boys went to the plate and whiffed the air three times, not being able to even foul the ball. During the entire contest there was nothing that even looked like a hit and the kind of pitching dealt out by the left handed phenom of Emmet last Sunday would baffle even more experienced ball players than comprise the team from Dorsey. We have seen Corey pitch three games this summer and he seems to improve with each game. The game twirled last Sunday was a vast improvement upon the game he twirled on the local grounds four weeks ago against Atkinson. A good deal of the improvement we believe is in the catcher as Eddie Alberts has caught the last two games he has pitched and they work together like two old leaguers. In addition to catching a good game Eddie connected for two hits during the contest.

While Corey pitched a great game all the credit for the grand game Sunday should not go to the man from Emmet. Karr, who was on the mound for Dorsey, twirled a splendid game and the game he pitched will win nine out of ten contests. Nine hits were secured from his delivery, three of which were scratches and should have been easy fielding chances, but were allowed to go for hits by his support. In addition to this he fanned ten men and was entitled to a shut out as there was not an earned run in the game, the hits being kept well scattered. The first run came in the sixth inning. After two were down Karr fumbled an easy roller and Richardson was safe on first. This was a very easy chance and should have been an easy out. In trying to catch him off first he threw wild and Richardson took second. The Emmet short stop then connected for his second hit of the game and Richardson scored. The next up was an east out. The battle of pitchers kept on and the spectators were sure that the score that had been allowed on an error was enough to win the game, but a couple of errors helped them to two more runs in the ninth, coming as did the first after two were down. After two had been retired on a double play, Shorthill got a hit, Corey got first on three strikes, which the catcher allowed to get away from him. This would have been the third out. The Emmet first baseman then connected for a hit and Shorthill scored and Corey scored on an error at

second, on Wilson's roller. The Emmet first baseman was caught at the plate in an attempt to score, and the game was over.

It was as pretty a pitching duel as we have seen in many a day and as these teams come together on the local diamond on next Tuesday afternoon, the first day of the fair, the lovers of good, fast base ball do not want to miss the opportunity to see a first class article of the national pastime.

Score by innings:  
Emmet 0 0 0 0 1 0 0 2-3  
Dorsey 0 0 0 0 0 0 0 0-0  
Hits: Emmet 9; Dorsey 0; Errors:  
Emmet 0; Dorsey 2. Struck out:  
Corey 20; Karr 9.

### The Games Next Week.

The committee having in charge the management of the base ball games next week, met last Sunday night with representatives of the Ewing, Emmet, Dorsey and O'Neill teams and arranged for the games during the week. The Atkinson team was unable to enter the contest for the county championship as their manager said that many of the members of the team were out in the south country putting up hay and that it was impossible to get them in to take part in the games next week, so that the above four teams will scrap it out for the championship of the county. The teams that would contest against each other was settled by lot and in the drawing Dorsey and Emmet will contest the first day and O'Neill and Ewing the second day, and the winners of the first and second day will battle for the championship on the third day. Jack Sullivan of this city was selected as the official umpire for the three days. These promise to be three of the best ball games seen in this section for many years as each team is determined to win the honor of the championship of Holt county, and if you love the game you should not fail to witness all three games.

### Costly Treatment.

"I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, also to a hospital in New Orleans, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now alright." Sold by all dealers. Adv
