Let the Boy Do a Man's Work  
**A LISTER With Suction That Can't Vary**

The Rock Island Tricycle Lister saves money—makes money. The most successful riding lister ever made. The world's only lister operated by a lever that holds the same "pitch" or "suction" whether listing deep or shallow.

Rock Island Tricycle Listers are money-savers. They enable a boy to do a man's work, thus saving hire. Any boy who can drive a team can operate the tricycle.

They are money-savers because they enable a man to do a bigger and better day's work. Farmers tell us they can get in more corn with a Tricycle than any other.

**Rock Island Tricycle Listers**  
Scour Thoroughly All Depths

All other listers have some one fixed point at which the suction of the bottom is just right. Above or below this point the suction begins to be lost. Unless ground is in ideal condition the lister scours poorly. The weight is then thrown on the lister bottom and it becomes a dead weight on the team.

With the Tricycle, no matter what the position of the wheels—no matter whether bottom is high or low—no matter what the condition of the GROUND, the suction is always right. The lister always efficient. Another thing, the dropping is always in sight. You can see what you are doing. You don't take any chances. Most accurate drill ever known.

Can't you see how such a good, reliable, easy draft lister will quickly save its cost—then KEEP RIGHT ON SAVING year after year? Isn't such a lister as this a mighty good business investment?

**Durable—Runs Easy**

The Tricycle is wonderfully strong and will stand more abuse than any other lister, regardless of weight or size. No pole—no pounding and fretting of horses. None of the faults common to all other listers.

**Get More From Your Corn-Field**

Come in and see this Lister. Let us point out its exclusive features. It will place you under no obligation. It may be the means of putting your corn-field on a bigger paying basis. Thousands are profiting by the Tricycle. You don't have to buy; but look it over this week. Come in at once.
