right and left moldboards are so fitted together that there is no crack. An end of scouring trouble and a saving to you in wear. You should examine the manner of making and fitting the Rock Island Lister Bottom. Best in the world.

Come in and see for yourself. If you knew all its advantages, it's the only Lister you would ever use. That's the experience of others that has made the Rock Island No. 10 Lister outsell all others. Drop around soon.

### Parade is at Noon.

In order that the country folks can have as much time at home on circus day as possible, also that incoming excursionists can have the opportunity of witnessing the immense circus and wild west parade of Yankee Robinson and Texas Bill, the event does not take place until high noon. Promptly at that time the parade moves, then all the outside free exhibitions are given at the show grounds. For those who come in early there is plenty of amusement, however, and it is advisable when convenient, to come in as early as possible.—Adv.

### WHAT'S THE ANSWER?

Unnatural, certainly. Your feet are ill, they need attention.
