LAND TO RENT. HOMESTEAD.

Go through the country along the Burlington and see crops and crop prospects that astonish the world. No doubt, the West is again at the commencement of a cycle of wonderful crop years, such as have already multiplied the value of Western lands.

Cheap and desireable lands for sure Dairy Farming in Western Nebraska and Northern Colorado—attractive terms and assistance.

Secure a Government irrigated homestead in the Big Horn Basin on the North Platte Valley. Legisltion is pending which will allow wenty years for payment. Mondell Homesteads, 320 acres, for a desireable stock and dairy farm, for only the filing fee of \$22.00. Title after three year's residence.

Tell me the kind of land you are looking for. Don't let this year go by without seeing the crops, the stock, the homes, the prosperity and farming results on Western lands that only a few years ago were similar to the lands that you can secure today.
