Glacier National Park

Newly Revealed Wonderland

This region of majestic, glacier-capped mountains—the climax of the rugged grandeur of the Rockies—is reached by the Great Northern Railway from Glacier Park Station, at which point the Railway Company has constructed a hundred-thousand dollar hotel. Automobile roads have been built from this entrance and from Belton (Western entrance) through the Park. A detour may be made from either entrance, or going in at one and coming out at the other. In making a tour of the Coast such a detour will prove to be one of its most attractive features. It includes automobiles, launches, coaches, hotels, and covers distances from 80 to 150 miles.

THE BURLINGTON-GREAT NORTHERN EXPRESS, from Lincoln and Eastern Nebraska Monday night, for example, arrives Glacier Park 8:35 Wednesday evening. Ask for some of the handsome Glacier Park publications.
