

MOREHEAD WINS

Governor Re-Elected by Big Majority

Balance of Ticket Close, But Probably Republican.

Holt County Strong For Democratic State Ticket, Split on County Ticket.

The election Tuesday was one of the quietest ever seen in this city, and the heaviest vote ever cast here was cast, 396 in the three wards. The vote in the county was light, 250 less than was polled two years ago. It is estimated that there was 4,200 voters in the county and as there was but about 3,545 cast at the election about 650 voters absented themselves from the polls on election day.

The greatest interest in the city was on the fight for county attorney and for sheriff. For the former office Walter Hodgkin was elected with a majority of a little over 100. He carried every township in the east and northeast portion of the county, some of them by very heavy majorities. Boyle performed the heretofore considered impossible by carrying Atkinson township, which has always been one of the banner republican precincts, with a majority of 16.

Henry Grady ran like a quarter horse in the race for sheriff. He will have over 500 majority over Stanton and will probably receive a clear majority over both candidates.

P. C. Kelly has been elected county

clerk with a majority of about 200 over Hubbell. Porter being third man in the race. Porter drew support from both the other candidates, but heaviest from Hubbell which gave Kelly the election. Porter received all but thirteen of the votes in his own township, Chambers.

Treasurer Sullivan, Representative Cronin, Superintendent Miller and Surveyor Norton had no opposition and have been re-elected.

Dr. E. T. Wilson was re-elected to the office of coroner, defeating Dr. McDonold, of Stuart, by about 250.

Judge Carlon was re-elected county judge, defeating Isaac Millsbaugh, of Atkinson, by a majority of approximately 1,500, carrying nearly every township in the county.

John A. Robertson has been re-elected state senator, receiving a majority of about 500 in the county and over 200 in Boyd. The other counties have not been heard from but they will probably cut down his lead but very little.

Cris Anderson has been re-elected representative from the Fifty-fourth district. Danker, the republican can-

didate, carried Boyd county with a majority of 23, but Anderson carried this county by about 500 and is elected.

Kinkaid has been re-elected to congress from this district with an increased majority over that of two years ago. He will have between 800 and 1,000 majority in this county.

Governor Morehead will have a majority of about 400 in the county and the entire democratic state ticket have good majorities in the county.

Returns on the suffrage amendment are not complete but it has probably lost in this county by about 50. From late reports it is very close in the state with chances favoring its rejection.

Of the supervisors elected two are republicans and two democrats.

M. P. Sullivan was re-elected in this district, defeating his nearest opponent, W. H. Shaughnesy by 84 votes. The vote was as follows: Sullivan, 253; Shaughnesy, 169; Howard, 137. Henry Bausch, democrat, defeated Wynmore, republican, in the First district, the vote being as follows: Bausch, 215; Wynmore, 120.

In the Fifth district Hi. Hubbard, republican, defeated C. A. Fauquier, democrat, by a majority of 88. The vote was as follows: Hubbard, 257; Fauquier, 169.

In the Seventh district William Hayes, republican, won out in a three cornered fight, defeating Kaupt, democrat, and Kirkland, progressive, by three votes. The vote was as follows: Hayes, 239; Kaupt, 236; Kirkland, 175.

On last Tuesday evening a number of the lady friends of Mrs. J. B. A paragraph is going the rounds about a girl dying from tight lacing. An editor commenting on the fact says: Those corsets should be done away with and if the girl can't live without being squeezed we suppose men could be found who would sacrifice themselves. As old as we are we'd rather devote three hours a day, without a farthing of pay, as a prevet corset, than seeing these girls dying in that manner. Office hours almost any time.

Governor Eberhardt, of Minnesota, addressed a good sized audience at the opera house in this city last Friday night on the issues of the day from a republican standpoint. The governor is a very pleasing speaker and held the attention of his audience during his address. It was the best attended meeting of the campaign, many persons coming several miles for the purpose of listening to the address. He left Saturday morning for Norfolk where he delivered an address shortly after noon and spoke at Fremont the same night.

Belgium marble. The fixtures are very neat and adds much to the appearance of the banking rooms.

Early to bed, early to rise, makes men healthy wealthy and wise. Thus runs the old saw, and there's more in it, probably, than many of us are willing to admit. Rushing things is all right if not carried too far. But some people in their mad desire to bag everything in sight, overdo it. To this class belongs the old lady who went to the stairway and yelled up-stairs to a grown daughter: "Sally! Sally! Git up! Git up! Here it is four o'clock Monday morning, tomorrow's Tuesday, next day's Wednesday half the week's gone and nothing done yet."

A type writing girl, after a careful observation of the patrons of the office, thus expressed her "manly views": "I get sick of men and their ways. They are messy; they sling paper all over the office and loll about on the desks and chairs in such undignified attitude. They smoke and chew. We have fourteen drummers who come into our office, and only one of the fourteen have the courtesy to ask me if cigar smoke is offensive to me. Then they are silly; they talk such nonsense as sixteen-year old girls wouldn't be guilty of. It is all about neckties new hats, ballets, good dinners, and so on. If you think man is the superior animal, you just spend some time in a business office with assorted sizes of him, and you will see. I am beginning to believe that a trashy dime novel is better than the society of the average man, and equally improving."
