## BACK TO YOUR "DOLLY" DAYS

Come in and see the Sellers Junior Special Kitchneed the little girls are working so hard for and you will understand just why it is that every little contestant is so anxious to own it.

You will find yourself wishing that there had been such possibilities for you during that time, not so very far back, when you were a little girl, and played at doing the things you now do as a woman.

For this Junior is an exact two-thirds size duplicate of the Sellers Kitcheneed Special and has in two-thirds size all such features as these:

- COOLING CABINET**—Frosted metal renders it impossible for ants or other insects to enter cabinet.
- EXTENSION TOP**—Can be pulled out to give more space when working. Can be had in either nickeloid or in hard maple wood.
- SPACIOUS COMPARTMENTS** in lower section—equipped with a sliding wire shelf.
- WIRE RACK** on back of door to this compartment for covers and flat tins.
- DRAWERS** in lower section for kitchen linen and kitchen utensils, cutlery, etc.
- SELLERS AUTOMATIC FLOUR BIN**—has funnel-shaped sifter attachment. This bin comes forward automatically to table level for filling purposes and easily swings back into position when filled.
- GLASS PANEL** indicates constantly amount of flour on hand.
- Classware**—SUGAR RECEPTICAL with automatic outlet and graduated measuring cup. SEVEN SPICE JARS, five with snap-on covers, two perforated for salt and pepper, also GLASS TEA and COFFEE CANISTERS.
- SNAP-ON COVERS**—slight pressure of thumb upwards all that is necessary to operate.
- SANITARY ROLLING CURTAIN**—instantly disappears, rolls UP and OUT of the way. Keeps dust from provisions stored within cabinet.
- ANT-PROOF CASTERS**. Strong steel caster, heavily nickel plated. Filling bowl above the caster wheel with water, oil or powdered borax.

Ten of these 1-vote stamps are good for 1 10-vote stamp.

The contest closes Christmas Eve, so do now what you can toward helping the little girl you want to have this wonderful possession.
