Ordinance No. 46a.

An Ordinance to provide regula-
tions to secure the general health
and to prevent the spread of con-
tagious and infectious diseases
within the City of O'Neill, Nebras-
ka, and providing for the quaran-
tine against the same and to sup-
press unhealthful nuisances within
said City, and providing for a viola-
tion of this Ordinance, and the re-
peal of Ordinance No. 10 a.

Be it ordained by the Mayor and
City Council of O'Neill, Nebraska:

Sec. 1 That the Mayor shall be
chairman of the Board of Health
within said city and that the city
physician shall be secretary of the
Board of Health and that the Chair-
man of the City Council shall be a
member of the Board of Health and
that the Marshal or Chief of Police
of said city shall be the fourth mem-
ber of said Board of Health. A
majority of whom shall constitute a
quorum, and said Board may in
any case of pestilential, epidemic,
infectious or contagious disease ex-
ists within said city, may appoint a
health physician to assist the Board
in performance of its duties.

Sec. 2 Said Board shall have
power to take the necessary meas-
ures to prevent the entrance of any
disease into the city; to stop, de-
tain and examine for that purpose
every person coming from any
place infected or believed to be in-
fected with any disease; to cause
any person or persons not a resident
of the city, infected or believed to be
infected with any disease to be sent
to the pest house, upon certificate of
the health physician; to cause any
resident of the city infected with any
such disease to be removed to the
pest house or some other place, if
the city physician and attending
physicians, if any, shall certify that
such removal is necessary for the
preservation of the public health.

Sec. 3 It shall be the duty of all
physicians and other persons in
said city, on discovering the exist-
ence of any such disease, to imme-
diately notify the Board of Health
or City Physician, and any person
wilfully failing or refusing to give
such notice shall, upon conviction
thereof, be fined in any sum not to
exceed fifty dollars for every such
offense and shall stand committed
until the fine and costs are paid;
but nothing herein contained shall
be construed to abridge in any
manner the right of every citizen to
be attended by his own physician
or to remain in his own house while
sick with any disease herein refer-
red to, provided the public health
is not affected or endangered there-
by.

Sec. 4. In case of a severe visita-
tion of any such disease, said
Board shall have power to provide
hospitals and pest houses and make
provision for the proper care of the
sick, and shall have authority to
exercise any and all power incident
to the preservation of good health
of the city in such cases; to remove
from the city or destroy furniture,
wearing apparel or other property,
or unwholesome buildings and
places; and when any person infected
with any such diseases has not
been removed to the pest house as
provided herein, said Board is
hereby authorized to prevent the
spread of such disease by establish-
ing limits within which no person
shall enter, except those necessari-
ly in attendance upon such person,
or upon the order of said Board and
by any other means which may
seem to them necessary, any per-
son wilfully entering such limits at
such time contrary to the provi-
sions of this section, shall, upon
conviction thereof, be fined in any
sum not exceeding fifty dollars and
costs of prosecution and stand com-
mitted until such fine and costs are
paid.

NOTICE

Sec. 5. It shall be the further
duty of the Board of Health to cause
a notice, printed or written in large
letters, to be placed upon or near
any house in which any person
may be affected or sick with an in-
fectious disease, smallpox, scarlet
fever, diphtheria, or any infectious,
pestilential or epidemic diseases,
upon which shall be printed or
written the name of such disease;
and if any person shall deface,
alter, mutilate, destroy or tear down
or remove such notice without per-
mission of the Board of Health,
such person or persons shall, upon
conviction thereof, be fined in any
sum not less than twenty-five dol-
lars nor more than fifty dollars and
stand committed until such fine
and costs are paid.

Sec. 6. If any person or per-
sons or corporation shall cast, de-
posit or leave exposed in or upon
any street, alley, lot or public high-
way within the City of O'Neill, Ne-
braska, the carcass of any dead
animal, or unsound meat or fish, or
any other decaying or decomposing
substance, or permit the same to
be done in his or her or their dwell-
ing house, shop, store, factory,
outhouse, cellar, yard or lot, or any

her or their control, or shall allow
any noxious or offensive liquid or
substance prejudicial to the health
of the citizens or any annoyance
to any person or persons, or corpora-
tion to be or accumulate therein

tions shall be deemed guilty of com-
mitting a nuisance and on con-
viction thereof shall be fined in
any sum not exceeding twenty dol-
lars, and shall be subject to a
like penalty for each and every
day the same is permitted to remain
in such place after such person shall
have been notified to remove the same
or shall have been convicted of having
committed such a nuisance.

Sec. 7. Any owner or occupant of
any livery stable, cattle yard, or shed,
or barn, packing house, slaughtering
house, rendering establishment, meat
or vegetable market, or other place
in said city, who shall suffer or permit
the same to become nauseous, foul or
offensive or detrimental to the health
of the citizens residing or passing in
the vicinity of such place, shall be
deemed guilty of a nuisance, and on
conviction thereof shall be fined in any
sum not exceeding twenty dollars.
But no prosecution shall be made un-
der the provisions of this section until
the Marshal shall first have notified
such person to abate such nuisance, as

hereinafter provided.

Sec. 8. It shall be the duty of the
City Marshal or Board of Health,
whenever any violation of this Ordinance
shall come to his or their
knowledge, to forthwith notify the
persons committing or permitting the
same, to at once abate or remove such
nuisance; and if such person or per-
sons or corporations shall, for the
space of twenty-four hours, fail or
refuse to comply with such notice, he
or they, on conviction thereof, shall be
subject to a fine specified in the afore-
said sections respectively and shall
also be subject to a like penalty for
each day the same is permitted to re-
main thereafter. It shall also be the
duty of the City Marshal in case of
refusal of such person or persons or
corporation to comply with the notice
herein required, to forthwith proceed
to abate the same and to prosecute on
behalf of the City of O'Neill and in
its corporate name all such persons
in a civil action for recovery of the
costs and expense incurred in the
abatement of such nuisance.

Sec. 9. All quarantine regula-
tions are hereby vested in the Mayor
and Board of Health of said City of
O'Neill, Nebraska, who shall have full
power and authority at any time and
all times when, in their judgment, it
is necessary in order to prevent the
spread of any such contagious or in-
fectious disease within the limits of
said City of O'Neill, Nebraska, to
close any school house, school, church,
hall, society, place of business or
amusement, opera house, hotel, inn,
tavern, or dwelling house, and to pre-
vent public gatherings, and to keep
the same closed as long as in their
judgment the same may require.

Sec. 10. Ordinance No. 10-a, en-
titled, "An Ordinance to prevent the
spread of contagious and infectious
diseases within the City of O'Neill,
Nebraska, and providing for a quar-
antine against the same and punish-
ing a violation of the same" are hereby

the City of O'Neill, Nebraska, is here-
by authorized to extend jurisdiction

Stock Market.

South Omaha, May 11.—From the
Standard Live Stock Com. Co.—As
this is probably the most busy corn
planting week in territory tributary
to this market, it is expected that re-
ceipts would lighten up considerably
which thus far has been the case, and
has resulted in a marked advance in
the cattle market. We think prices
can be quoted 10c to 25c higher on
most classes of killers, with a brisk
and stonk market in stockers and
feeders. We expect the market to
hold stonk the balance of the week.

Cyclone Visits Farm House.

Atkinson Graphic: Charley Ballon
from down near Tonawanda was a
caller at the Graphic office Monday
and gave information of the first cy-
clone reported in these parts so far
this season, and, quite too early, we
are safe in saying, to be encouraging.
Mr. Ballon and his neighbor, Frank
Dobrovoly had this one for Sunday
dinner. From the Ballon home, at
which Mr. Dobrovoly himself hap-
pened to be visiting, the monster
twister was plainly visible in all its
terrifying aspect. It was still more
appalling when it was seen to be bear-
ing directly in a course to the Dobro-
voly home, where Mrs. D., the child-
ren, the district school teacher and
the hired girl, were all helplessly im-
periled. These afterward told of how
the monster was plainly seen by
them to suck up all the muddy water
from a pond in its path and swirl it
with terrific force through broken
windows of the house and plastered
up the whole building like an abode
wall. There were none of them hurt.
Further than an almost paralyzing
fright and the house was only slightly
disfigured, and that mostly by mud.
But the barn was unroofed, the car-
riage shed blown away and a two
seated carriage torn to pieces. Other
out buildings were also destroyed. It
was a narrow escape for the people in
the Dobrovoly home.
