

# Have You Ever Been To Yellowstone Park?

You can plan a summer outing in Yellowstone, this region of beautiful canyons, forests and mysterious geysers, that will include a magnificent tour of the whole mountain region—for instance, go one way via Cody, the East and scenic entrance, or via Gardiner, and the other way go through the Yellowstone gateway by way of Salt Lake and Scenic Colorado. This is what is called the Rocky Mountain Scenic Tour.

Or, you could go one way via Denver and the Burlington's new line through the Big Horn Basin, tour the Park and travel the other way via Gardiner, Billings and the Burlington's main line through Sheridan. While in Colorado visit Estes Park, Colorado Springs and Manitou. You will be astonished at the very low fare for such a vacation tour.

Write me for literature, descriptive publications, folders; let me help you plan a perfect vacation trip.

There is quality in advertising as well as "space." Make your advertisements say what you mean and mean what you say. Then have them published, not where you get the most "space" for the money, but where you get a class of readers that look for and read their paper. The Frontier is such a paper.

**Weekly Stock Letter.**  
South Omaha, July 20.—From the Standard Live Stock Com. Co.—Cattle receipts are quite liberal this week but the supply of finished beefs is only moderate and they are holding steady. Others are slow and lower, however. There is an uneven trade in cow stock, grassy kinds unless very fat are selling lower. Good feeders continue strong with a keen demand for all of the limited offerings, but common grades of both stockers and feeders are very slow sale.  
We quote: Good to choice corned beefs \$8.50 to \$10.10, common kinds down to \$7.50. Good to choice cows

**The Patriot.**  
Sir Thomas Lipton said at a provisioner's banquet in London: "All the blame for high prices is put on us dealers. You'd think, the way some people talk, that we dealers were false in our patriotism as the chap who was sanding his sugar."  
"A chap was sanding his sugar the other day with his errand boy's help. "The errand boy, lifting a scoopful of sand asked: "The usual proportion, sir?" "No, Joseph, of course not," the boss replied, sternly. "The usual proportion in days like these? Joseph, Joseph, where's your patriotism?" "Then he sighed and added: "Only half the usual proportion of sand, Joseph only half the usual proportion as long as our gallant troops at the front have such need of sand bags."—London Mail.
