Weekly Weather Forecast.

For week beginning Wednesday, August 25. To The Public.

We would like to announce the closing of the season for our supervised play ground. It has been a success in every way. The children have learned some new and healthy games and have some safe and sane play ground apparatus for amusement. Our teacher was just the finest for handling both boys and girls, and teaching them how to play together. Besides their play, they have organized a bird club and are studying the birds of Nebraska. We wish to thank all who donated towards the fund for expenses, also those who donated work. Especially would we thank our benefactor, Mr. Biglin, for his generosity in furnishing us the "Slippery Slide," one of the best and largest of its kind, given without solicitation. Your committee have met all obligations and are left with a small surplus on hand. Please remember the children are not expected on the play ground after this notice, because we have no teacher to supervise their play and we are afraid of accidents.

Yours truly,
SUSAN B. LONGSTAFF,
For Committee.

Odd Fellows Grand Lodge Session.
O'Neill has the honor of having entertained a special session of the Grand Lodge I. O. O. F. of Nebraska. Notwithstanding the inclemency of the weather last Wednesday there was about 400 visitors in attendance at the session, Orchard and Bassett sending the largest delegations. Orchard with a delegation of eighty-six and Bassett with their fine band and about fifty delegates.

The Grand Lodge officers present were as follows: J. C. Harnish, Grand Master, O'Neill; Sam K. Greenleaf, Deputy Grand Master, Omaha; I. P. Gage, Grand Secretary, Fremont; Luke Gage, Deputy Grand Secretary, Fremont; Charles Johnson, Grand Marshal, Fremont; Rev. George F. Mead, Grand Chaplain, Silver Creek.

Music was furnished by the O'Neill and Bassett bands. The Bassett band gave a concert of high quality music in the K. C. hall just prior to the opening of the afternoon session.

At 3:30 p. m. the public meeting was called to order by Grand Master J. C. Harnish. Mr. Harnish in introducing Mayor F. J. Dishner commended his administration as mayor of the city and called attention to the fact that he was "making good" and accomplishing more in the way of civic improvement than any mayor the city has had for a number of years. Mayor Dishner spoke briefly and in a few well chosen remarks made the visitors feel that the glad hand of hospitality of the citizens of O'Neill was extended to the Odd Fellows.

dress of welcome, was not in attendance, and Grand Master Harnish called on S. J. Weekes for the response which Mr. Weekes made in a few well chosen words.

John Frank Poucher held the attention for over one hour of the audience that completely filled the K. C. Opera House, with a scholarly address on Odd Fellowship. Mr. Poucher spoke most entertainingly about the objects of the order, pointing out that it is purely fraternal, and showing that there is nothing in the obligations of the order that in any way interfere with the religious or political belief of any individual.

The afternoon session was concluded with a prayer by Grand Chaplain Rev. George F. Mead, after which a parade, headed by the Bassett band, in which about 250 members of the order marched through the principal streets. Supper was served at the hall at 5:30 by Mrs. F. C. Gatz, assisted by the ladies of the Rebecca Lodge.

At 7:30 the Grand Lodge session convened and the Past Grand degree was conferred on about forty candidates. A session of the subordinate lodge was then held and the first degree conferred upon a candidate by a degree team from the Bassett lodge.

A midnight luncheon and smoker was served in the hall and participated in by most of the members until nearly daylight Thursday morning. Many delegates who have attended similar gatherings were heard to say that this was one of the most successful they had ever attended, and were loud in their praise of the hospitality shown them by the local Odd Fellows and the citizens of O'Neill in general.
