LAST LAP OF CONTEST

Now is the Time to Show Your Colors. Read the Two Big Offers We Are Making.

30,000 EXTRA VOTES FOR \$18.
When An Offer of Extra Votes, Such as the Two this Week, is Made You Should Get Busy, Get All the Votes You Can.

The two offers below close positively Wednesday night, at 8 o'clock. Out-of-town contestants have the privilege of making their reports by mail as usual, but must bear a post-mark of, on or before the hour the two offers close. Absolutely no deviations will be made.

If you are in the contest to win that Maxwell you must "get busy." We realize that the two offers we are making this week (look below) are the ones that are going to prove who the winners of those magnificent prizes will be. Remember there are six grand prizes in all and that we will pay a cash commission of 25 per cent. on all New subscribers, providing contestants make a cash report at least once a week during the contest and fail to win a prize.

This Week's Offers.
Here are the two offers which close Wednesday, September 8th, at 8 o'clock p. m. For each and every club of \$18.00 turned in to the contest department of The Frontier between Thursday, September 2nd, and Wednesday, September 8th, inclusive, we will give 30,000 extra votes. These votes are absolutely extra and are given in addition to the regular schedule of votes. If contestants make a report of two clubs of \$18.00 each (\$36.00) they will receive 60,000 extra votes and so on.

What you may include on this offer: Advertising, Job Work and Subscriptions, either New or Old. Everything goes—the harder you work the more votes you will receive.

The offer above is Number 1. Here is Number 2:—For each and every New Subscriber turned into the contest department between the above mentioned dates we will give 5,000 more extra votes. Here is an offer that may be misunderstood by some, but one that should be understood by all. If you make a report of twelve New Subscribers (\$18.00) you will receive the 30,000 extra votes and 5,000 additional extra votes on each of the twelve Subscriptions making 90,000 extra votes in all, besides the regular schedule.

This week the list of "How they Stand" represents "actual Workers." There has been several names taken from the list that will probably want to be placed back and we will give them just one week to decide what they would like to do—win an automobile by working at odd times and be one of the most ambitious persons in

Holt county or that they are going to get out of the contest. Call up the contest manager and tell him that you would like to have the contest explained thoroughly and that you are going in to win that Maxwell. Keep this in mind—the contest will close in a few weeks, and that there are to be no extra votes the last few days of the contest. Do all you can on the two offers this week and make your report from now on correspond with your ambitions—to own your own auto.
R. E. Kellem, Contest Manager.
