Don't you think it would pay you to go to the bank and borrow a little money instead of buying your goods on time. We are selling the Columbia No. 6 Igniter for 25c each; the best dry battery made. Don't forget our auto tire prices: \$7.75 for Ford front tires; \$10.10 for Ford rear tires. No better tires made at any price. We sell the Stewart \$5.00 auto horn at \$3.85. Say, man, if you trade with us you will have to get a wagon to haul your money within a year.

**MORE LOCAL MATTERS.**

**"Blaugas."**

George Hansen was in from the north country today looking after business matters.

Labor day, last Monday, was not generally observed in this city, except by the banks and the public officers.

Mrs. Harry Spindler came up from her Alabama home a few weeks ago for an extended visit with relatives and friends in this county.

Mrs. Frank Daily and children of Jerome, Idaho, arrived in the city last week and will spend several weeks visiting with Mrs. Daily's mother, Mrs. John Coffey.

Dr. W. E. Chamberlain of Lincoln was in the city last Tuesday and favored this office with a short call. The Doctor and his son-in-law are extensive land owners in the eastern part of the county and every fall the Doctor comes to this county to "get close to nature" for a few weeks.

Harty & Mullen moved their gents' furnishing and clothing store to the Coyne building on Douglas street and as soon as the boys get their goods arranged they will have a splendid store. "Ben and Bernie" have a splendid building now and they say

that they will make "The Toggery" the most popular gents' store in this section of the state.

Yellowstone, the speedy little pacer owned by Jack Thomas, which is being campaigned by Hugh McKenna, won first money in the 2:20 pace at the state fair at Lincoln last Tuesday in straight heats, the best time being 2:15. The purse was \$500 and according to the Lincoln papers Yellowstone was not pushed any part of the way, as he was too speedy for the rest of the entries.

C. W. Deuel of Page, one of the pioneer residents of eastern Holt, was an O'Neill visitor Wednesday and favored this office with a short call. Mr. and Mrs. Deuel returned the latter part of the week from an eight weeks trip to the Pacific coast and during their absence took in both California expositions, the one at San Diego and the one at San Francisco and put in a couple of weeks at Colorado Springs, Colorado, on their return. Mr. Deuel says they had a delightful trip.

Eli Hershiser, who left here four years ago and moved to Missouri, arrived in the city last Thursday night for a visit with his mother, brothers and sister. Eli was never very portly but since his removal to the south he has become but a shadow of his former self. He said that he was injured on the way down there and has never fully recovered from the effects thereof. He has had about enough of the south, however, and says that he will probably move back to good old Holt this fall or next spring.

Mr. and Mrs. Hugh J. Boyle returned last Saturday night from their visit to Seattle and other points along the Pacific coast, including the San Francisco exposition. Mr. Boyle was a delegate to the national convention of the Knights of Columbus and after it had concluded its session took in the

Prof. Marren arrived in the city last Saturday and school opened Monday morning, then recessed until Tuesday morning. Since leaving O'Neill, at the close of the last term of school, the Professor has joined the ranks of the benedicts, as he was married to Miss Emma Snyder, formerly a teacher in the public school here, in Omaha about a month ago. Mrs. Marren is still in Omaha but is expected to arrive in the city the coming week.

**Death of E. P. Hicks.**

E. P. Hicks, one of the pioneer settlers of this county, died at his home in Brantford, Canada, last Friday morning. The remains were shipped to this city, arriving here yesterday afternoon at 4:45 and were interred in the Protestant cemetery after the arrival of the train.

Deceased was one of the old-time settlers of this county, coming here in the spring of 1879 and homesteaded a quarter section of land on the Blackbird, where he lived for a good many years and which is now occupied by his son, Steve Hicks. Mr. Hicks left the farm some twenty years ago, moving to this city where he conducted a meat market for several years. After he retired from the meat business he lived here several years engaged in looking after his real estate interests and city property, of which he was a large holder. Some five years ago he married the sister of his deceased wife and moved to Canada, where he had made his home since, although he came out here every summer to visit relatives and old-time friends.

Deceased leaves one son, Steve Hicks of Blackbird, and one daughter, Mrs. Henry DeYarman of Springfield, Mo., besides his wife, to mourn his death, besides a brother Thomas P. Hicks of Chicago, all of whom were present at the funeral. His brother went from Chicago to Canada and accompanied the remains here and Mrs. DeYarman came up from Missouri to attend the funeral.

**Easy For O'Neill Horse.**

Lincoln State Journal: The 2:16 pace vied in interest with the 2:20 trot, although it attracted a field of only five starters. The horses were more evenly matched in speed and in nearly every heat a blanket could have covered the pacers as they stepped around the first turn of the track. Agnes W., owned and driven by H. J. McKenna of O'Neill, Neb., won the event in straight heats. Driver McKenna was content that Drift Allen and Orpheus Pan should fight for the lead at the three-quarter pole, but, once in the stretch, the O'Neill man showed his class as a driver by pilot-

After breakfast, choice selections of music were rendered by sisters of the bride.

After October 1st, the young couple will be at home in Omaha. The bride is one of the fair daughters of Mr. and Mrs. Fallon and is very charming and talented.
