

TO FARMERS! BUY LAND NOW!

There is no better investment in sight right now than to buy Western lands; buy them before values advance, due to the high prices of products and the present cycle of productive years in Nebraska, Colorado and Wyoming.

In the Big Horn Basin and the North Platte Valley, irrigated farms are being cut in two and offered for sale on favorable terms. All crops in those localities are the heaviest on record. You can secure a Government irrigated farm near Powell, Wyo., almost a gift. This year's crop on thousands of acres in Nebraska and Colorado equals in value the original price of the land.

If you are not fixed to buy, even on easy terms, take a 320 acre Mondell homestead in Wyoming, for mixed dairy farming; crops of wheat and oats on these this year just like a settled country. Look over the West now, along the

Burlington lines; you can ride all day through crops and make your own deductions as to what this condition means to the man who will get hold of land in these localities now. Write me. I can help you. My services are free.

It's Two Years Old.
But Mr. Mills Says It's Just as Good Today as When It Was First Made.
Over two years ago Mr. Mills testified to complete relief from kidney ills.
He now says that there has not been the slightest return of the trouble.
O'Neill sufferers will take a deal of comfort in Mr. Mills statement.
Read what he says:
R. H. Mills, O'Neill, says: "The hurting in my back was so severe that I couldn't walk erect. It was especially severe across my kidneys and mornings when I arose, the muscles in my back seemed to be tightened. It took a couple of hours before I became limbered up. One box of Doan's Kidney Pills, which I got at Pixley & Handley's Drug Store, cured me."
OVER TWO YEARS LATER Mr. Mills said: "The cure Doan's Kidney Pills made for me has remained permanent."
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Mills has twice recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
