

# OVERCOATS!

WE have 200 Overcoats which we are going to sell at "rock bottom" prices during the next few weeks. **THEY MUST GO.** We need the room. Anybody will testify that our place is "chuck full" of merchandise so when we tell you our Holiday Goods are arriving and no place to put 'em, we mean it.

As a special inducement, we have specially priced these coats at

**\$6.75      \$8.75      \$10.75**  
**\$12.75      \$15.75**

They are going to go fast at these prices. Come in and pick yours first while the line is complete. One price to all and bring the price with you—we can't trust anybody with coats at these prices.

**LOCAL MATTERS.**

Rev. W. W. Wells of Valentine was in the city Sunday and Monday.

Mrs. Frank Daley and children left last Friday night for their home at Jerome, Idaho, after a couple of months visit at the home of Mrs. Daley's mother, Mrs. John Coffey.

L. E. Soukup left last Monday night for Gillette, Wyo., where he has accepted a position in a bank and will make his future home. His many O'Neill friends wish him success in his new home.

S. J. Weekes has received a commission from Governor Morehead appointing him as a delegate from this

state to attend a Rural Credit convention that will be held in Chicago on November 29th.

Rev. C. R. Parkerson left the first of the week to speak at the Sunday school convention at Atkinson and to conduct mission services and hold visitations at Atkinson, Newport, Bassett and Long Pine.

W. H. Bedford and daughter returned the first of the week from a two weeks visit with friends and relatives near their old home in the northern part of the county. While away they spent a couple of days visiting at the home of Back Berry over on the Niobrara.

C. B. Scott left for Rushville last Friday night, having received word that his sister-in-law, Mrs. J. D. Scott, who had been ill, had taken a turn for the worse. Mrs. Scott had gone to Rushville the fore part of the week. Monday Judge Dickson received a message stating that Mrs. Scott died Sunday night.

While at Creighton last Monday we met Mr. and Mrs. J. H. Davison, who were formerly residents of this city. Mr. Davison has a harness shop at Creighton and is doing a nice business. He and Mrs. Davison still have a warm spot in their hearts for O'Neill people and desire to be remembered to all their O'Neill friends.

Dr. E. T. Wilson and Dr. P. J. Flynn went down to Norfolk last Tuesday morning and attended the semi-annual meeting of the Elkhorn Valley Medical Association, which convened in that city Tuesday. They report a splendid attendance at the meeting and say the medical men were royally treated by the business men of Norfolk.

B. S. Gillespie came down from Rushville last Sunday morning and visited at the home of his son in this city Sunday and Monday. Tuesday morning, in company with Mrs. Gillespie, who had been visiting here for a couple of weeks, he left for Beatrice, Neb., where they will spend a few days visiting at the home of their daughter, Mrs. George Whitney.

Several local lovers of the wrestling game are figuring on going to Lincoln next Thursday to witness the wrestling match between Joe Stecker and Hussane the Turk. These men met about two years ago and Stecker was awarded the decision on a foul. It is expected that this will be one of the hardest contests the young Nebraska champion has ever been up against.

Mr. and Mrs. F. W. Phillips were in from Star last Friday. Frank is now driving an automobile and says that part of the time he controls it and part of the time the auto controls him. Frank says as a fence wrecker an automobile is about the best instrument he has ever found; it can tear down fences and break off posts with ease as his machine demonstrated one day when it ran away with him.

Butte Gazette: F. C. Albert, Deputy State Engineer, finished testing for the new bridge at Parshall Crossing, and left for home Wednesday. He found the bed rock 28 feet below the surface on the north side and only two

feet on the south side. Plans will now be made on the basis of these measurements, and the county boards will be asked to push the matter so that the bridge can be completed by July or August.

Ivan E. Hubbard and Miss Beulah Elkins, both of Chambers, were united in marriage by County Judge Carlon at the county court room last Friday afternoon. The bride is the daughter of Mr. and Mrs. Charles Elkins, pioneer residents of the southern portion of the county, while the groom is the son of Supervisor Hubbard of Chambers. The young people have many friends in the southern part of the county who wish them happiness and prosperity.

John McCafferty arrived in the city last Monday morning from Butte, Mont., to attend the funeral of his brother, Frank McCafferty, and is spending the week visiting relatives here. John is in the employ of the Guggenheims at Butte and is prosperous. He says that things are booming in Butte at the present time, as the world war has made such a demand for the products of that country. He expects to return to Butte the first of the week.

E. H. Whelan, M. H. Horriskey, H. D. Grady, H. J. Hammond, W. J. Biglin, T. J. Coyne, Pat Harty and D. H. Cronin went over to Creighton last Sunday where they assisted in initiating a class of forty-eight members into the Knights of Columbus. The work was in charge of District Deputy E. H. Whelan of this city. The visiting Knights were royally treated by the members of the Creighton council and they enjoyed their visit very much. A banquet was tendered in the evening at which Mr. Whelan delivered the principal address and as usual made the hit of the evening. A recitation by M. H. Horriskey was also one of the features of the evening's entertainment.

The first of the week Dr. Gilligan received a report from the chemist on the sample of City water that he had sent in for analysis. Dr. Gilligan's letter was from Dr. Denny, assistant superintendent and medical director of the Burlington railroad, and says: "I have just received a report from the laboratory on the examination of water collected by you on October 25, which is used for drinking purposes in the City of O'Neill. The examination of the water shows the same to be free from contamination and safe to use for drinking purposes." This disposes

of the theory that the recent cases of typhoid was caused by the drinking water of the city and our people will be glad to learn that there are no germs in the city water.

Theodore Buras has filed suit against the Chicago and Northwestern railroad company asking \$15,000 damages for injuries alleged to have been received while in the employ of the company at Missouri Valley on May 6, 1915. In his petition he alleges that on the above date, with others he was engaged in loading steel rails on a push car. The car was loaded with ten rails weighing 600 pounds each. The car was on the track but not entirely on the rails and he and five others were ordered by the man in charge to lift the car on the rails. The number of men ordered to do this was entirely insufficient and he alleges that there should have been at least ten men detailed for this job. While lifting the car on the track one of the men let go his hold on the car and the weight of

a portion of the car fell on plaintiff and as a result he was ruptured in the left side, and his left side and left abdomen and left leg were crushed, torn, lacerated and bruised. That as a result of said injuries he has been unable to perform any labor since that time and that he has suffered and will ever suffer great pain and anguish. As a result of these injuries he asks judgment for \$15,000.00 and costs of suit.

Lincoln, Daily News—Omaha, Neb. Nov. 15.—When a recommendation is written for a boy at the high school of commerce and it is known that he smoke cigarettes it will be so stated in the letter. Principal Adams said that he believed that the employer should know beforehand if the boy smokes cigarettes and that he could then employ him if he sees fit. A card giving the quality and character of every student is kept on file, and when it is learned that a boy smokes cigarettes it is put on his card.

## For Your THANKSGIVING DINNER

- |                      |                       |
|----------------------|-----------------------|
