George W. Perkins Declares Party Will Have Ticket In 1916 Campaign.

Kansas City, Mo., Nov. 22.—The future of the progressive party in Missouri probably will depend on the action to be taken at a meeting of party leaders from all parts of the state to be held here today. Delegates began arriving last night and parties from St. Louis, St. Joseph, Joplin, Springfield and several other of the larger cities arrived this morning. this morning.

An all day conference including a luncheon in honor of George W. Perk-ins, of New York, chairman of the national executive committee, has been

arranged.
In Chicago yesterday, Mr. Perkins, conferring with local leaders of the progressive party, said that "the progressive party must and will have a national ticket in the field in 1916."

OF LOOTING BANK

Partner of Ex-Senator Lorimer Given Five Years' Sentence -\$2,500,000 Filched From Depositors.

Morris, Iti., Nov. 22.—Charles B. Munday, vice president of the LaSalle Street Trust & Savings bank, of Chicago, of which William Lorimer was president, was found guilty of conspir-ing to wreck the institution, and his punishment was fixed by a jury at five ears' imprisonment.

punishment was fixed by a jury at five years' imprisonment.

The jury took five ballots. They disagreed on the penalty, nine standing at first for the maximum punishment, which would have been five years and a fine of \$2,000. Munday and his son. J. G. Munday, were in the court room. Munday's wife, his two daughters and son, the Rev. Father Joseph Munday, were not in court.

The LaSalle street bank was organized by Munday and, according to charges of the state's attorney in the present trial, the name "senator" was capitalized as one of the bank's assets. When the bank failed in June, 1914, there followed the collapse of nine other banks and trust companies of the so called Lorimer-Munday string.

The plan was announced by the executive council, which recommended that the task be started as soon as practicable. The convention approved the council's recommendation.

Announcing the plans and recommendations, T. W. McCullough, of Omaha, chairman of the executive council, said that it was estimated there were more than 3,000,000 "migratory workers" in the United States at this time. Where strikes occur, he said, some of these men usually appear and are taken on as strike breakers under promise of bettering themselves as time goes along, and when the strike is eventually at an end these men find themselves again among the ranks of the unemployed.

The trouble arose over consideration of a resolution that, had it been adopted, would have meant the loss of 200,000 members of the federation. The resolution, offered by the adjustment committee, called for the suspension of the United Brotherhood of Carpenters & Johners, the second largest international union in America.

The resolution to withdraw the carpenters' union was the result of the failure of the organization to refrain from alleged encroaching upon jurisdiction awarded the machinists, coupled with the carpenters' union's attitude toward the federation.

DEPARTMENT OF JUSTICE CHECKING UP SPY PLOTS

CHECKING UP SPY PLOTS

Washington, Nov. 22.—The policy of the department of justice and the treasury department in handling investigations of bomb plots, munition factory explosions and similar matters was announced last night in a statement authorized by Attorney General Gregory and Secretary McAdoo. It indicates that in the future the bureau of investigation of the department of justice is to be the main reliance of the government in dealing with alleged criminal activities in this country connected with the European war.

The secret service began investigating alleged plots involving American neutrality shortly after the war began, and it is well known here that it has collected a mass of information bearing on activities of many kinds. Scores of reports have been made to Secretary McAdoo and some of them are said to have gone up to President Wilson.
