VOLUME XXXVI.

O'NEILL, NEBRASKA, THURSDAY, JANUARY 13, 1916.

NUMBER 31.

LOCAL MATTERS.

There will be services at the Presbyterian Church next Sunday, morning and evening.

Ralph Simunek and Miss Anna Earnesti, both of Ewing, were granted a marriage license in county court last Monday.

Mrs. O. O. Snyder entertained at luncheon Friday. Those present voted Mrs. Snyder and Mrs. George Morrison very able entertainers.

On Tuesday evening Rev. Dr. J. M. Bothwell, District Superintendent, was here to attend the second quarterly conference of the Methodist Church.

Andy Clark, Jr., of Emmet was a caller at these headquarters last Friday and left the necessary coin to advance his subscription another year.

Mrs. E. Roy Townsend left for Omaha Tuesday, where, at the request of the Assembly President, Mrs. Florence Wagner, she will visit the Omaha lodges.

H. G. Borcher, who lives northeast of Emmet, will have a public sale at his farm on Tuesday, January 25. Mr. Borcher traded his farm for land in Pawnee county and will move to that county about March 1.

Charles Slattery will hold a public sale on the old Hiatt farm southwest of this city on next Wednesday, January 19. Charley has taken a home-stead in Wyoming and will move there the first of March.

P. V. Hickey last Saturday delivered a new Overland car to H. W. Brandt, northwest of this city. Mr. Hickey has the agency for the Overland in this territory and says he expects to sell fifty or seventy-five machines in this territory this year.

Harry A. Peterson and Miss Dora M. Metz were granted a marriage license in county court on January 6 and were united in marriage by Rev. George Longstaff at the Presbyterian Manse. The groom is from Atkinson, while the bride is from Naper, Neb.

Frank P. Wood, who lives eight miles northwest of this city, is another Holt county citizen who has traded his farm for Pawnee county land and he will hold a public sale on his farm on Wednesday, January 26. See his advertisement on another page.

Usual preaching services at the Methodist Church next Sunday morning and evening. Morning sermon at 10:30. Evening sermon at 7:30. WE WILL WORSHIP IN THE BASEMENT OF THE NEW CHURCH ENTRANCE AT THE REAR DOOR. EVERYBODY WELCOME.

Mr. and Mrs. S. J. Weekes returned from Omaha last Sunday night, where Mrs. Weekes accompanied her sister Mrs. Whitney, some three weeks ago, and Mr. Weekes going down last Friday to attend the funeral of Mrs. Whitney. The remain were taken to the old family home at Tekamah for interment.

Jack Ernst will have a public sale next Thursday afternoon, on the old Troyer farm, nine miles northwest of this city. Jack will have a large sale and, as will be seen on another page of this issue, he is a firm believer in advertising through the columns of Holt county's leading advertising medium, The Frontier.

Since January 1st the county treasurer has issued 250 automobile licenses. There are over 500 automobiles in the county so there are 250 who have not yet paid their license for 1916 and who will have to make remittance to the treasurer before Feb-

ruary 1st, or they will be liable to arrest and fine for operating an automobile without a license.

The officers of Eden Rebecca Lodge were installed in a very efficient manner Friday evening by Mrs. Harry Bowen, D. D. P. The incoming officers are: Bertha Gillespie, N. G.; Margaret Clau, V. G.; Minnie M. Downey, secretary. All members are cordially invited to be present at every meeting and help polish the three links of Rebekah Odd Fellowship.

M. P. Dowling, president of the O'Neill National bank, was in the city the first of the week attending the stockholders meeting of that institution. The meeting was held Tuesday and the old officers were re-elected as follows: M. Dowling, president; O. O. Snyder, vice president; S. J. Weekes, cashier; C. P. Hancock, assistant cashier. The usual semi-annual dividend was declared and part of the earnings were added to the surplus fund.

County Treasurer Sullivan and his office force put in a busy year during 1915. The total tax collections for the year 1915 were \$282,689.21, of which \$274,400 were for taxes for the year 1914. The total of the 1914 tax list amounted to \$278,000.00, so that Treasurer Sullivan has been able to collect all of the 1914 tax except \$3,600, which is a very good record and speaks well for the prosperity of the people of this county as well as the collecting ability of the county treasurer.

A dinner was given Saturday evening by Mrs. Roy Townsend at the Western Hotel, to a number of her friends. A delicious four course dinner had been ably prepared by Mrs. Gatz and her efficient help. The table was decorated with yellow autumn leaves with yellow place cards. All present seemed to enjoy themselves. They were: Mrs. O. O. Snyder, Mrs. J. C. Harnish, Mrs. George Longstaff, Mrs. J. H. Meredith, Mrs. J. M. Hunter, Mrs. J. H. Wise, Mrs. Chas. Pettijohn, Miss Minnie Miller, Mrs. Jane Bentley, Mrs. Fred Clift of Sioux City, Iowa, and Miss Agnes Harvey of St. Paul, Neb.

Fred Knop and Miss Alma Ullerich were married at Charter, Oak, Iowa, on January 5th. Mr. Knop is a son of Mr. Julius Knop, who has been a resident of this county for the past six years, living on the Gallagher farm just east of this city. The bride is a sister of Rev. William Ullerich, pastor of the Lutheran church of this city and has been housekeeper for her brother here for the past year. The young couple arrived in this city last Saturday and as soon as their business affairs here are closed up they will move to Charter Oak, where they will make their future home. The Frontier joins their many friends in wishing this young couple many years of happiness and bliss.

Harry Jordan and Clarence Simonson have leased the K. C. Opera House for a term of one year, with the privilege of three, and will take possession next Monday morning. They will install a moving picture show therein and Mr. Jordan went to Omaha Tuesday morning to purchase a moving picture machine and to make arrangements for the opening. Mr. Jordan returned last night and says that while away he purchased one of the best and latest machines on the market, including a generating set, which will change the electric current from an alternating to a direct current and will thus be enabled to show

This is good medicine. There is no question about it. The moving picture show might be running today if the people used more of it.

Remember if you don't trade with John Brennan you have to pay the difference.

a much clearer picture. The boys are determined to put on a first class show and have engaged R. A. Haskins, who has several years experience in the moving picture business, to run the machine for them. The Frontier wishes Jordan and Simonson success in their undertaking.

John Kloke, Sr., one of the pioneers of Boyd county and a man well known to the old timers in this county, died at his home in Spencer last Tuesday. Deceased was 78 years of age and leaves to mourn his demise four sons and two daughters. The remains were taken to the old family home at West Point for interment. Mr. Kloke was a good citizen and leaves a host of friends, besides his relatives, to mourn his death.

Joe McDonald, one of the real pioneers of Atkinson township, who has been a resident of that township for nearly forty years, was an O'Neill visitor last Friday and favored this office with a short call, extending his subscription to the "old reliable." For over forty years Mr. McDonald has been an employee of the Northwestern railroad company, starting to work on this road many years ago when it was known as the Fremont, Elkhorn and Missouri Valley road. He is well fixed with this world's

These are not sale prices—these are my regular prices. When I have a sale I will cut the prices for a sale off of these. The reason I am making this list is on account of so many people asking for a price list. I find I cannot use Sears Roebuck catalogues as they don't handle the same brands and most of their prices are higher.

A good way to help a town is to treat the people right who trade in a town and not try to kill off every fellow who starts up a business. Just because four or five stores had controlled the business of O'Neill for the last fifteen years is no reason that they can do it forever. The people helped them and made them rich, then because the people started to help a new one a little a big howl goes up at once.

On underwear you paid a big difference. Even the 20 per cent discount at the Sales did not cut down the difference. On union suits you can have any suit in the house for 80c and the two-piece suits you can have for 75c.

Davidson Bros., in Sioux City, charge 12 1/2 cents a yard for the lace and insertion that I sell four yards for 5c, and six bunches for 25c. Yes it is just as good and some is a whole lot better. Davidson's figures 33 1-3 per cent for cost of doing business and the biggest store in O'Neill only figures 20 per cent. Pillow slips that Davidson charges 12 1/2 for I sold for 7c.

The brooms that the peddlers sold you three for \$1.00, I'll sell you 3 for a Dollar and give you 8c back.

People living in town should come here when they want good fresh butter and eggs because the farmers trade here and I always have plenty.

Dr. Foley's 25c Pain Relief . . . 18c Dr. Foley's Honey and Tar, 50c . . 35c Dr. Foley's Kidney Pill, 50c . . . 35c Dr. Foley's Pile Salve, 50c . . . 35c Dr. Foley's Cathartic Tablets, 25c 18c

goods, owning six good well improved farms near Atkinson, the rent of which alone would allow him to live the balance of his days in luxury. But Joe says that if he quit working he would not know what to do with himself, as he was never very much of a hand for loafing. He says that he will remain with the company for a few years more, or until the great European war is over, when he will take a trip to the land of his nativity, Ireland, to again visit the scenes of his youth. That he will have a good time in the "old dard" goes without saying.

County Board Organize For 1916.

The members of the county board of supervisors met in their office in the court room last Tuesday morning and organized for the year 1916 by re-electing M. P. Sullivan as chairman for the ensuing year. Upon the informal ballot Mr. Sullivan received six votes and H. W. Tomlinson one and the informal ballot was made formal and Mr. Sullivan was elected chairman by acclamation. Chairman Sullivan then announced the following committees for the ensuing year: Court House, Jail and Legal Expenses—Sievers, Hayes and Hubbard. Printing and Supplies—Tomlinson, Hubbard and Bousch.

Finance and Official Bonds—Hubbard, Tomlinson and Bausch. Settlement With the County Officers—Hayes and the entire board. Tax and Tax Titles—Hubbard, Sievers and Hayes. Claims—Bausch and the entire board. The board then opened the bids for furnishing supplies for the ensuing year and upon motion awarded the contract for Class "B," legal blanks and stationery to The Frontier, it having the lowest bid. There were no

bids filed for blank books. The board also ordered the county clerk to draw a warrant in favor of the state for \$1,000 to apply on the old insane account that the county owes the state. This claim amounted to \$3,221 and as this was the first payment made thereon there is a balance still due the state of \$2,221. The board are working on the settlement with the county officers and will probably be in session for three weeks.

Bad Cold Quickly Broken Up.
Mrs. Martha Wilcox, Gowanda, N. Y., writes: "I first used Chamberlain's Cough Remedy about eight years ago. At that time I had a hard cold and coughed most of the time. It proved to be just what I needed. It broke up the cold in a few days, and the cough entirely disappeared. I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms." Obtainable everywhere. 30-4

I AM A GOOD MORAL RISK

So they told me at my Bank. I have been doing business with them for a good many years. I liked the quiet courtesy with which they treated me. I built up quite a bank account I never overdrawed it and I won their confidence. A good chance to buy a choice piece of ground at an attractive price came my way. The Bank helped me. They said I had been doing business with them for some time and they considered me a good moral risk. Are you a good moral risk? Do we know you? Why not open an account here and get acquainted?

This bank carries no indebtedness of officers or stock holders and we are a member of THE FEDERAL RESERVE BANK. Capital, surplus and undivided profits \$95,000.00.
