POLITICAL ANNOUNCEMENTS.

County Attorney.

I hereby announce my candidacy for the nomination for county attorney of Holt county, subject to the approval of the republican electors at the primary election on April 18, 1916.

I was born in Holt county and have been a resident of the county ever since. If nominated and elected I promise the people of Holt county a non-partisan and business like administration of the affairs of the county.

Your support respectfully solicited.
LAWRENCE CHAPMAN.

For County Attorney.

I hereby announce myself as a candidate for the nomination for County Attorney on the Democratic and People's Independent tickets subject to the will of the voters of Holt County at the primaries on April 18, 1916.

I was raised in Holt County and am a graduate of the O'Neill High School. In the year 1912 I completed the law course at the Creighton College of Law in Omaha, Nebraska, and since that time have been engaged in the practice of law in O'Neill.

Your support is solicited and will be greatly appreciated.
F. M. WARD.

It is reported that Mrs. W. H. Decker of Page will probably file for the democratic nomination for county superintendent and contest for the nomination with Miss Miller, who is now serving her third term.

Rumor has it that Joseph Matousek of Atkinson will probably file for the republican nomination for state senator. Mr. Matousek is an old time resident of Atkinson precinct and is well qualified to make a splendid state senator.

Judge Dickson has filed for reelection as judge of this judicial district, a petition from the several counties of the district, containing over 1000 signatures, having been sent the secretary of state the first of the week. So far no other candidate has appeared to contest for the position with him.

At the meeting of the democratic state central committee in Omaha last week J. A. Donohoe of this city was selected as presidential elector. This is an honor that the democrats of the Sixth district has twice conferred upon O'Neill democrats, M. F. Harrington having been a presidential elector a few years ago.

M. G. Miller of Verdigris township has filed for the republican nomination for supervisor from the Fourth district, represented for the past several terms by Th. D. Sievers. Mr. Miller is one of the best known and most prosperous farmers of Verdigris township and well qualified in every way to make a splendid supervisor.

T. S. Roche of Iowa township has filed for the democratic nomination for supervisor from the Second district, now represented by Henry Tomlinson. Mr. Roche is one of the large land owners of eastern Holt and has been a resident of the county for over thirty years. He is a strong man and if nominated it will take a good live republican to beat him at the polls next November.

The many friends of Ed. Porter of Chambers are urging him to be a candidate for the republican nomination for county clerk. Mr. Porter has been a resident of Holt county for many years and is one of the best known and most popular residents of the south country and should he enter the field and secure the nomination at the primary would be unbeatable at the election next November.

Petitions asking that the names of C. J. Malone of Inman and Thomas Carlon of this city be placed upon the non-partisan ballot as candidates for the nomination for the office of county judge, have been circulated in this city the past week. Judge Malone served six years as county judge and made a splendid record while in that office. Judge Carlon is now serving his second term.

D. M. Stuart, one of the pioneer residents of Stuart township, has filed for the republican nomination for clerk of the district court. Mr. Stuart is one of the best known men in the western part of the county and possesses the qualifications that would make him an ideal clerk of the district court. He served one term as member of the county board and was recognized as one of the most valuable members of that body. If he secures the nomination we believe there is no question but what he will be elected in November.

Eddie Tomsick, who has been an employee of the county treasurer's office the past four years, filed this morning as a candidate for the republican nomination for county clerk. A petition signed by Atkinson progressives placing him in nomination upon that ticket was also filed and he accepted the nomination. Eddie is a native of Holt county, having first seen the light of day on a farm south of Atkinson and has been a resident of the county ever since. He is a clean young man and if nominated would make a strong, aggressive candidate.

Golfers—Attention.

There will be a meeting of the O'Neill Golf Club in Golden's office at 7:30 Friday evening, February 18, 1916, for making plans for the coming season. All those interested in improving our course will please attend. Don't stay away from the meetings and then kick all summer because everything is not just as you want it. Bring a few ideas with you.

Cemetery Meeting.

There will be a public meeting at the Presbyterian church Monday evening, February 21st for the purpose of electing three trustees for the Protestant cemetery, and for such other business as may come before the meeting. The trustees will have some money to turn over to the new members and it is thought that the time is here to do some work at the cemetery this year. Let all who are interested turn out to this meeting as we need the hearty cooperation of all Protestants to make a success. This meeting will be for all parties who would like to see the cemetery fixed up.

Former O'Neill Girl Proposes.

Kansas City, Kan., Feb. 14: There was a party at Dolly Pfunder's home 647 Oakland avenue. The talk turned to leap year.
"Any fellow who would turn down a girl's leap-year proposal ought to buy her a silk dress," said Robert Hanna,

What Brand of Matches Do You Use?

Who makes them?

Are they poisonous or non-poisonous?

Are the sticks long and strong or short and weak?

Do the heads fly off or do they stay on?

Do they burn evenly or explosively?

If people knew as much about matches as they should, they would use Safe Home Matches made by the Diamond Match Company.

The Diamond Match Company

just as if he meant it. Robert is a clerk in the county treasurer's office. His father is secretary of the Mercantile club.

Dolly dropped to her knees in front of Robert and said: "Robert, marry me."

Everybody, including Dolly, thought Dolly would get a silk dress.

"You bet, I'll marry you!" declared Robert.

Next day Robert obtained a marriage license and went to Dolly's home, but Dolly wouldn't be seen, and later word was conveyed to Robert by friends that she didn't believe in leap-year proposals and wouldn't marry him.

"I believed he'd turn me down and then I'd see whether he meant what he said about buying a silk dress," said Dolly.

Robert still has the marriage license which cost \$3.

Miss Pfender is a former O'Neill girl, in fact is a native of this city. She is the daughter of Mr. and Mrs. Fred Pfender, who were residents of this city for many years, where Mr. Pfender ran a harness shop. After leaving here the family removed to Norfolk, where they still reside. Miss Dolly moved to Kansas City some two years ago and has been living with a sister, whose husband is in business in that city.

Episcopal Church Notes.

Sunday next, February 20, vesper service and sermon in the Episcopal church at 7:30 p. m.

A cordial invitation is extended to all to attend this service.

How do you like to trade with a man who jips you out of 5c, 10c and 15c to \$1 every time you go in his store? Well, you have to like it if you don't trade here.

A good joke on one fellow: He paid \$7.85 for a Mackinaw coat and came around to my store and saw it hanging out in front—\$4.25. He only paid \$3.60 because he didn't care about saving the difference.

One fellow bought a 35c broom from me and a 50c broom from his credit store. Then he came back and bought 6 brooms from me. He thought I could not get any more.

Summary of News.

The repeal of the free-sugar clause of the Underwood tariff law was decided upon Friday by democratic members of the House Ways and Means Committee. After a meeting of the democrats, Chairman Kitchin announced that the repeal bill would be favorably reported by the committee within a week and would be laid before a democratic house caucus as soon as possible.

President Wilson told the Chamber

of Commerce of the United States Thursday night that America needed a real scientific tariff board and he thought it was going to get it; that it needed a real merchant marine, and that it was absolutely necessary some beginning be made at once to get that, too; and that had it not been for the effectiveness of the federal reserve law as a business preparedness measure there was no telling what commercial disaster would have overwhelmed the United States with the present war.

Of the prospect for keeping the

country at peace, he said that while no immediate international crisis faced the nation, "we are merely holding trouble at arm's length."

The United States faces a new and extremely grave issue with Great Britain and her allies. This will come from the announced intention of Germany and Austria to regard all armed belligerent merchantmen as auxiliary warships and to sink them without warning after March 1. Two
