POLITICAL ANNOUNCEMENTS.

For County Attorney.

I hereby announce myself as a candidate for the nomination for County Attorney on the Democratic and People's Independent tickets subject to the will of the voters of Holt County at the primaries on April 18, 1916.

I was raised in Holt County and am a graduate of the O'Neill High School. In the year 1912 I completed the law course at the Creighton College of Law in Omaha, Nebraska, and since that time have been engaged in the practice of law in O'Neill.

Your support is solicited and will be greatly appreciated.

Your support at the primaries is respectfully solicited and will be fully appreciated.

OLIVIA Z. STURDEVANT, A. B.

For County Superintendent.

I hereby announce my candidacy for County Superintendent subject to the will of the Democratic and People's Independent parties at the primaries, April 18, 1916.

GENEVIEVE McNICHOLS.

For Supervisor, Second District.

I have filed for the republican nomination for supervisor from the Second supervisor district, subject to the approval of the republican electors at the primary election, April 18. I have been a resident of the county for fifteen years, having proved up on a Kinkaid homestead south of Inman. Prior to my removal to this county I assisted in constructing bridges in Antelope county and believe that my knowledge of bridge building would be a valuable asset to me as a member of the county board. I am a resident of Scott township and live in about the center of the district.

Your support will be appreciated.

L. C. McKIM,
Opportunity, Neb.

For Supervisor, Second District.

I hereby announce my candidacy for the nomination for Supervisor from the Second District, subject to the approval of the democratic electors, April 18.

41-2 JOHN J. MECHALEY.

For County Judge.

I hereby announce my candidacy for nomination for County Judge of Holt County, subject to the primary election April 18, 1916.

C. J. MALONE,
Inman, Neb.

For County Attorney.

I hereby announce my candidacy for the nomination for County Attorney on the Republican and Progressive tickets subject to the choice of the electors of said parties at the primary election to be held on April 18, 1916.

In 1879 at the age of two years, with my father, Hiram Hodgkin, and mother and sisters, I came from Minnesota to this, Holt County, and in common with the children of those pioneer days was reared and schooled in Paddock Township, this County.

My preliminary education was completed in the Lincoln Academy of Lincoln, Nebraska. From there it was continued in the University of Nebraska and from its Law College I

was graduated in 1911.

I immediately began the active practice of Law in this my home county and I have now served the people of this county as county attorney for three years. During this term of office I have tried many criminal cases in all the courts of the county, have given advice to county officers and briefed and argued a number of cases before our Supreme Court.

The experience thus gained has in a very large measure contributed to the benefit of the county, for I consider that I am now much better qualified to serve the County in the capacity of county attorney than I was at the beginning of my term of office or that another, without this experience, may be.

If you believe that my qualifications would give the county better service than my opponent, I shall appreciate your votes as in the past.

WALTER K. HODGKIN.

For Representative, 54 District.

I have filed as a candidate for the republican nomination for representative from the Fifty-fourth legislative district and would appreciate your support at the primary election, April 18th, promising that if nominated and elected that I will labor for the best interests of the people of this section.

Barn and Horses Burn.

Fire, attributed by the owners of the destroyed property, to a spark from a Burlington engine, Monday afternoon, consumed the Farmers' Home hotel livery barn, belonging to Mrs. G. Uecher, and the L. L. Mandeville barn, located at Second and Grant streets.

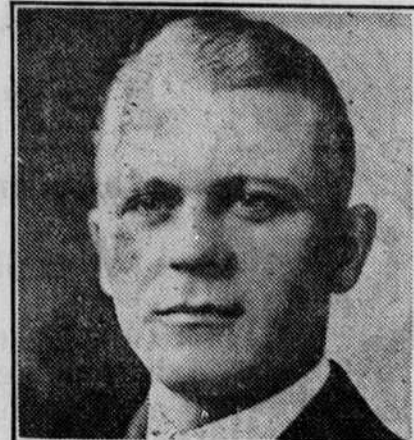

Three horses and one mule, including team of seven year old black mares the property of Warren Sparks of Inman precinct and a horse and mule the property of Hans Peterson, Sr., residing about eighteen miles north of O'Neill, lost their lives in the fire. The team of mares were valued by Mr. Sparks, with their harness, at about \$500 and the Peterson horse and mule at approximately \$300. The Uecher barn was insured for \$200 and the loss is estimated at about \$1,500. The Mandeville barn, just across the alley, contained nine tons of baled hay and was insured for \$250. Furniture and lunch wagon equipment stored in the Uecher barn and the property of M. F. Kirwin and a tank belonging to P. F. Coyne were among the things to go up in smoke.

The fire, which started about 2:40 p. m., shortly after a Burlington engine had completed switching in the vicinity, was fanned by a strong south-east wind and had gained considerable headway before the fire alarm was turned in. Starting at the southeast corner of the Uecher barn it almost at once enveloped the animals therein

McKELVIE FOR GOVERNOR.

Successful Business Man.

One of the things frequently referred to in connection with the candidacy of S. R. McKelvie for governor is the fact that he has been an unusually successful business man. Though a young

man, he has shown a foresight and executive capacity in business which commands the attention of observing business critics wherever he is known. His knowledge of Nebraska conditions, together with his natural business stability, is one of the several reasons why McKelvie is usually referred to as The Popular Candidate.

and prevented their rescue.

Only the most heroic and capable directed work of the fire department, handicapped by an insufficient water pressure and the extreme high wind, prevented the spread of the flames to resident property in the path of the wind.

A Specific Against Colds.

The nearest thing to a specific against colds is a sleeping porch or open bed room and a cold sponge bath every morning when you first get up. Even then you will occasionally take a cold, especially when colds are epidemic, and when you do you will find Chamberlain's Cough Remedy a great help in enabling you to get rid of it. Try it. Obtainable everywhere.

Clear Golden Wins Honors.

It gives The Frontier much pleasure to again record the success of one of our young men born and raised in O'Neill, Mr. Clear G. Golden, modest, unassuming, Clear was one of the thirty-eight members of the 1916 graduating class of the Nebraska State University awarded Phi Beta Kappa honors. This honor is much sought and appreciated by the students as it is earned by proficiency in their class work and examinations during their full course and not by any one accidental or spectacular examination. All who receive the honor unquestionably merit it. The recipients this year had a general average for the four year course of 92.7 per cent.

It is strictly an honorary fraternity and in its membership are some of the brightest men and women of America. Chief Justice John Marshall was one of its founders more than a century ago. Only the students of the highest grade universities are eligible.

In this fraternity, wealth, standing in society, creed, race or color have no weight. Are you a student and scholar are the determining factors.

The Frontier inquired of Clear the secret of his success. His reply was: "There is no secret, and all students know that work, persistent, indefatigable work, is the foundation and corner stone upon which this fraternity rests."

O'Neill is very proud of the many young men raised here who have made extraordinary success in professional and business life, who have acquired reputation and wealth in many fields of action, and now comes Clear Golden, a lad of twenty, and brings home to O'Neill the highest evidence of scholarship attainable in the University. Pardon The Frontier if it feels a little bit proud of its young folks.

Gleanings.

L. A. Simonson made a business call to the Hatch home on the 23rd. While there he informed ye scribe of a good way to put in alfalfa, which is as follows: Plow your ground that you wish to sow to alfalfa early in the spring and check in corn thereon, and when you lay by your corn, sow alfalfa between the rows with a one-horse alfalfa drill, then cultivate very shallow. There is much to recommend that system in so much as the corn will shade the ground so the weeds will not grow and choke out the young plants and the stalks will protect the alfalfa from the hot blistering sun in late summer and will hold the snow in the winter time, so there would be no danger of the alfalfa getting winter killed. There are many though who

DO YOU BELIEVE THIS?

A good many people think the world owes them a living. It doesn't. The man who thinks the world owes him a living will probably find it in the almshouse. That's not the living you are looking for. It's a living composed of the good things of life—a home of your own—a place free and clear. By putting every dollar you possibly can into this Bank you will get the living you are after. If you don't pile up money here what has the future in store for you?

have no seed to sow this year and as the seed is pretty high they will no doubt wait until they can raise some.

C. T. Simonson and daughter, Carroll, was pleasant callers at the Hatch home on the 19th.

Good Friday comes late this year, so don't wait till then to plant your early potatoes, get them in early.

F. A. Hatch made a business call on W. S. Roberts on the 24th.

In regard to the proposition of bonding the county for the purpose of raising revenue to put bridges on streams in Holt county wherever they are needed. Ye scribe looked on the proposition with favor until he read the article in a recent edition of The Frontier by John Robertson on the subject, then our views underwent a change. Also a statement in the same issue of The Frontier by the county board of supervisors in which they said that it would not increase taxes, and that also made us leary about the matter. Why, those bonds must be a very unusual kind of bonds if they can raise the necessary revenue for purposes desired without adding to the burden of the tax payers. It is inconceivable that results could be secured if the interest was kept up and portions of the principal from time to time as provided in the proposition to be voted on in this county on the 18th of April. To us, it looks like a joke in which the parties who bought the bonds would be the only ones to laugh at it, unless perhaps the county board should get a little laughing material out of it too. Incidentally the 18th of April is primary day, too, and every voter should come to the polls and vote for the candidate of their choice. Let that matter go until the fall election and you would have no other recourse than to vote for the candidate of the other fellows choice.

To The Voters of Holt County:

The County Board will be in session April 5th, and would be glad to have representatives from all parts of the county to meet with the board and discuss the conditions which caused the board to submit the bond issue.

The Court of Last Resort.

Around the stove of the cross roads grocery is the real court of last resort, for it finally over-rules all others. Chamberlain's Cough Remedy has been brought before this court in almost every cross roads grocery in this country, and has always received a favorable verdict. It is in the country where man expects to receive full value for his money that this remedy is most appreciated. Obtainable everywhere.

The City Election.

Although the city election is but a few days away there does not seem to be much interest manifested therein. Mayor Dishner and J. P. Gallagher are candidates for mayor. Neither candidate is making very serious efforts to land the place, being content to let their friends do the scrapping. Mayor Dishner is a candidate for re-election upon the record he has made during the past year and his friends predict that he will be unbeatable at the polls. On the other hand Mr. Gallagher has many friends who are active in his support and predictions are made that the contest will be a warm one.

In the First ward Councilman Ryan is a candidate for re-election and is opposed by Dennis Criss.

In the Second ward Councilman Mullen is unopposed for re-election as is also Councilman Davis in the Third ward.

J. F. Gallagher is unopposed for city treasurer and Herb Hammond for city clerk.

of this week. The progress made during the past year, as shown by the reports of the various departments, exceeded the most sanguine expectation of the pastor and officers. Under the able leadership of Rev. Longstaff, who is closing his Fourth year here as pastor, the church has just closed the most successful year in its history. The reports show a large increase in membership and a corresponding increase in adherents. The interest manifested by the members and congregation in the various activities of the church, and the universal feeling of cordial good fellowship has been so marked that it is a topic much discussed by all. With this splendid condition in the spiritual and social side of the congregation, it follows, of course, that the financial condition is equally splendid. The reports show that \$2500.00 was contributed during the year with which to carry on the work. Of this amount the Ladies' Aid raised about \$600.00, and the Sunday School about \$450.00. R. R. Dickson was re-elected as one of the trustees and Dr. A. H. Corbet was re-elected clerk.
