

SPRING ANNOUNCEMENT

Copyright Hart Schaffner & Marx

“Dress-up week” ends soon

Have you gone in on this big general celebration of the right clothes idea? Think about it today, if you haven't.

YOU have your house painted over at certain times—on your own account, and also for the general uplift in appearance, the tone of your neighborhood.

“Dressing up”—buying new clothes because they're needed—fulfills the same purpose. You almost owe it to yourself.

This home of Hart Schaffner & Marx clothes is ready to show the right thing for your personality and your pocketbook; in suits and overcoats.

The Clothing represented above demands many accessories to complete your general appearance and I carry all in large selections. Note the following splendid lines.
